July 22, 2022 2:45 PM from Harvinder Kaur Makkar to everyone: Can we do Racial Equity training as a stand alone training line item using ESG-CV grant. Thanks

July 22, 2022 2:47 PM from Stacey A. Matthews She/Her/Hers to everyone: I am so very excited to see my Pierce Co folx presenting today!

July 22, 2022 2:49 PM from Marlisa to everyone: @Harvinder, No, the training line item in the ESG-CV Notice is limited to training related to infectious disease prevention and mitigation.

July 22, 2022 2:51 PM from Marlisa to everyone: @Harvinder - an additional clarification that Equity considerations could (should) certainly be a part of infectious disease prevention and mitigation training.

July 22, 2022 2:52 PM from Harvinder Kaur Makkar to everyone: So we can do the infectious disease prevention training with the Racial Equity component in it as a standalone training line item. Correct?

July 22, 2022 2:54 PM from Whitney McGinniss to everyone: Curious whether there will be an update today on the status/timeline for the CoC NOFO.

July 22, 2022 2:55 PM from Marlisa to everyone: @Harvinder - the standalone training item needs to be training on infectious disease mitigation and prevention but equity can be a part of that training (e.g., ensuring equitable access to mitigation efforts like testing and vaccination)

July 22, 2022 2:55 PM from Harvinder Kaur Makkar to everyone: Thanks

July 22, 2022 3:00 PM from Jeff Weinberger to everyone: Greetings. I'm an advocate for people experiencing homelessness in Broward County, FL. This includes monitoring and responding to abuses of individuals residing in shelters. I'd appreciate if someone or few of you could speak to my concern that homeless shelters here are quarantining COV-negative shelter residents in a context where even one other person has tested positive. I'm talking lockdowns that at times have wound up being of long duration, during which COV-negative residents have been denied the ability to go to jobs, which they've lost, or scheduled doctor's appointments. EVeryone I've shared this info with has found the policy incredibly backwards. Can someone speak to whtether there's any federal guidance at all that recommends quarantining shelter residents who test negative for COV? Thanks. I'll be happy to share my contact upon request.

July 22, 2022 3:01 PM from Lesa Weikel to everyone: Good Afternoon! would it be possible to have a future presentation on the CARES Act 30-Day notice requirement and how it applies to the ESG CV funding used for prevention and rapid rehousing?

July 22, 2022 3:01 PM from Natalie Burtzos to everyone: Will there be any update on when ESG-CV Reallocations may happen (a closer timeline), or how much is anticipated to be recaptured from the 6/16/2022 Expenditure benchmark? Thank you!

July 22, 2022 3:10 PM from Marlisa to everyone: Hi Jeff, can you please email me so we can follow up on the particular situation you described: Marlisa.M.Grogan@hud.gov

July 22, 2022 3:14 PM from Jack Moran to everyone: Did I see mention of you using a non-anonymous by client name list? If I got that right, is it possible to expand on the value you're finding with that?

July 22, 2022 3:14 PM from Marlisa to everyone: @Lesa - thanks for the suggestion of future Office Hours topics. We'll see if we can cover the applicability of the 30-day notice to ESG-CV HP and RRH in a future session.

July 22, 2022 3:15 PM from Renee Pope to everyone: Is the last presentation going to be shared?

July 22, 2022 3:16 PM from Marlisa to everyone: @Renee, yes - all slides for this Office Hours session will be posted in 2-3 business days.
