HUD-9902 - Peer to Peer Session

Discussion Questions Re: Additional Data Collection

Section 10 “Impact and Scope of One-on-One Counseling Services”

1. Additional data collection to account for type of loan.

Section 10 j. Households that received prepurchase/homebuying counseling and purchased housing after receiving Housing Counseling Services.

- Purchased housing with a conventional loan product after receiving Housing Counseling Services
- Purchased housing with an FHA loan after receiving Housing Counseling Services.

→ Is this additional information relevant or helpful to your agency or sub-grantee/branches?

→ Would this information be difficult to collect?

2. Additional data collection to account for type of mortgage default that was prevented.

Section 10 m. Households that prevented or resolved a mortgage default after receiving Housing Counseling Services.

- Households that prevented or resolved a forward mortgage default after receiving Housing Counseling Services.
- Households that prevented or resolved a reverse mortgage default after receiving Housing Counseling Services.
- Households that prevented or resolved an FHA (non-HECM) mortgage default after receiving Housing Counseling Services.

→ Is this additional information relevant or helpful to your agency or sub-grantee/branches?

→ Would this information be difficult to collect?

Are there additional data needs?
