

# Webinar: Roadmap to 20% Energy Savings – A Quantitative Tool to Plan your Strategy

---

# Webinar Logistics

- Participants on mute
- Ask questions via the WebEx Q&A box
- If technical issues related to WebEx, insert them in the Chat Box

# Poll Question

**Poll Question 1:** Has your organization carried out a planning exercise to achieve a 20% energy savings goal across its portfolio?

# Presenters

**Jared Lang**, Assistant Vice President of Sustainability of the National Housing Trust

**Rebecca Schaaf**, Senior Vice President for Energy at Stewards of Affordable Housing for the Future (SAHF).

**Caitlin Rood** is the National Director of Environmental Sustainability at Mercy Housing

# The Roadmap Tool

Jared Lang

# Demonstration of Roadmap Tool

Becky Schaaf

# Poll Question

**Poll Question 2:** Has your organization set a baseline year and collected utility data for that year?

# Partner Experience Using the Tool

Caitlin Rood

# Request Assistance on Completing the Roadmap Tool

BBC Multifamily Sector partners qualify by:

- Attend the webinar (or view recording)
- Be actively benchmarking your portfolio's energy consumption
- Have an established baseline year of energy data
