February 17, 2023 2:40 PM from Emily Mosites to everyone: @Melissa, there is a possibility that testing will be reduced, in particular for the CDC Increasing Community Access to Testing (ICATT) for COVID-19 ([cdc.gov](https://www.cdc.gov)) program to provide no-cost COVID-19 testing for communities who are at a greater risk of being impacted by the pandemic

February 17, 2023 2:40 PM from Melissa Mennig to everyone: Does the ending of the Public health declaration change anything in regards to HIPPA and what can be shared?

February 17, 2023 2:41 PM from Emily Mosites to everyone: Current federal agreements between pharmacies and ICATT will allow for continued no-cost COVID-19 testing of people who are uninsured. ICATT may have a reduction in COVID-19 testing locations after the PHE ends.

February 17, 2023 2:41 PM from Sarah Lim to everyone: Perhaps not directly related to COVID-19 public health emergency ending as I understand CDC won't change their practice very much because of that, our community has so many questions regarding winding down COVID responses (isolation center for people experiencing homelessness, etc.). We would love to have training specifically on that topic.
