(If you need to call in toll-free, call 1-855-797-9485)

January 8, 2021 2:31 PM from Amy Stewart to everyone: I know this is generally about vaccines, but re the CoC NOFA: I know the 2020 competition has been cancelled in the latest legislation. Can you please tell us if there will be any bonus funding made available for new CoC projects? Thanks!

January 8, 2021 2:31 PM from Alex Dunn to everyone: We have some Emergency Shelters (with ESG and CDBG funding) who are thinking about not allowing people into emergency shelter if they had a COVID vaccine appointment, and did not get the vaccine. This is similar to our TB check requirements. Will this be against any ESG, CDBG, CARES or other regulations?

January 8, 2021 2:32 PM from Heidi Young to everyone: YHDP?

January 8, 2021 2:32 PM from Alex Dunn to everyone: Any ideas on incentives for vaccine uptake among people experiencing homelessness?

January 8, 2021 2:33 PM from DAVID CANAVAN to everyone: @Alex - we will have a document on incentives released next week.

January 8, 2021 2:34 PM from Sarah Isaak to everyone: Are car repairs eligible under ESG Shelter Services - transportation?

January 8, 2021 2:34 PM from Riley Wilkerson to everyone: Just joining. Will there be a NOFA update?

January 8, 2021 2:34 PM from Samantha Carpio to everyone: I know there was funding only available until 12/31 for COVID testing, do you know of any funding opportunities after 1/1/2021?

an unsheltered PIT count will be minimally impacted. We don't want people harmed for choosing to not do a count due to safety risks.

January 8, 2021 2:39 PM from Andrew Willard to everyone: Happy New Year, SNAPers! Thank you for your ongoing support. HUD Megawaiver #4, released 12/30/2020, for #7. One – Year Lease Requirement states, “Requirement: Program participants residing in PSH must be the tenant on a lease for a term of at least one year that is renewable and terminable for cause.” Does this mean that the requirement of 24 CFR 578.51(a)(l) Lease in effect for CoC RRH projects?

January 8, 2021 2:41 PM from Jessica Izquierdo to everyone: I have heard rumors that the first dose of the vaccine gives immunity. Is that the case? If it is, why do we need the second dose?

January 8, 2021 2:41 PM from Amy Stewart to everyone: I know it's EARLY, but is there any discussion about 2021 NOFA? We're already into our cycle of scoring and prioritization prep for 2021. All of the last 6 months and still through spring expecting to be impacted by Covid

January 8, 2021 2:41 PM from Lisa Coffman to everyone: @Sarah - it would be helpful to receive more information. Do the single men have access to the same case management as households?

January 8, 2021 2:41 PM from Sarah Isaak to everyone: will do. thanks Lisa!

January 8, 2021 2:41 PM from Ebony Rankin to everyone: @Amy - Norm will discuss on the call

January 8, 2021 2:42 PM from DAVID CANAVAN to everyone: @Kate - Yes. We will be rolling out materials over the next several weeks. You hopefully received the initial listserv just now. All resources will be loaded to this page: <https://www.hudexchange.info/resource/6229/covid19-homeless-system-response-vaccine-planning-and-distribution>

January 8, 2021 3:05 PM from Nathan Furukawa to everyone: @JessicaReed: We recommend states/territories/cities consider vaccinating staff and residents of congregate living facilities at the same time since the risk is similar. It's at the bottom of this guidance document under 'Congregate Living Settings' <https://www.cdc.gov/vaccines/covid-19/phased-implementation.html>

January 8, 2021 3:06 PM from Tosin Osunbunmi to everyone: Can you use CDBG-CV money for Vaccine administration low and moderate income individuals?

January 8, 2021 3:06 PM from Jack Moran to everyone: Any guidance for HMIS tool development for vaccine tracking? Also, are HMIS updates and training eligible for ESG.CV?

January 8, 2021 3:06 PM from Gordon Levine to everyone: "Homeless services staff are essential workers": how far back does that go, according to HUD and CDC? Does it include homeless services provider staff who don't work directly with clients but DO have daily contact with direct service staff?

January 8, 2021 3:07 PM from Samantha Carpio to everyone: With those who are vaccinated/tested need to fall under the 50% AMI (ESG-CV)?

January 8, 2021 3:07 PM from Brett Esders to everyone: @Bonnie - Ah! thank you. Yes, you can amend your ESG-CV budgets - it may require a substantial amendment depending how your original plan was written. Take a look at the ESG-CV Notice for the requirements of amending your Action Plan and Con Plan: <https://www.hud.gov/sites/dfiles/OCHCO/documents/20-08cpdn.pdf>

January 8, 2021 3:07 PM from Gordon Levine to everyone: (e.g. HMIS data entry folks, managers/supervisors, support staff, etc.)

January 8, 2021 3:08 PM from Bonnie Campbell to everyone: @Brett - Thank you!

January 8, 2021 3:09 PM from Lisa Coffman to everyone: @Tosin - I'm not sure if we have any representation from the Office of Block Grant Assistance today. You may want to direct that question to your OBGA POC or CDBG POC.

January 8, 2021 3:09 PM from Tosin Osunbunmi to everyone: Okay. Thanks.

January 8, 2021 3:09 PM from Brett Esders to everyone: @Ticorral - we don't have a list of trainings that would qualify for ESG-CV training, but the Notice permits any training related to infectious disease prevention and mitigation for staff working directly to prevent, prepare for, and respond to coronavirus. This could include vaccine training as well as training on PPE, appropriate spacing and set up of shelters, how to conduct outreach safely in a pandemic - just as some examples.

January 8, 2021 3:09 PM from DAVID CANAVAN to everyone: @Gordon - in general, the approach to vaccinating the community follows a risk-based decision making model. It would be inconsistent with that model to vaccinate non-client facing staff before those that do work with clients. For specific guidance please submit an AAQ.

January 8, 2021 3:10 PM from Gordon Levine to everyone: @David: thanks!

January 8, 2021 3:10 PM from Andrew Zegura to everyone: Is there any guidance on how to record shelters that currently have 0 bed capacity due to covid on the HIC but plan to be back open after the pit in time date.

January 8, 2021 3:11 PM from Brian Roccapiore (he/him) to everyone: HMIS Privacy / Security info: <https://files.hudexchange.info/resources/documents/HMIS-Privacy-Security-Standards-COVID-19-Response.pdf>

January 8, 2021 3:12 PM from William Snow to everyone: @ Andrew - no. The HIC is limited to a single point in time that corresponds to your PIT count date. That naturally leads to some issues when looking at the data at other periods of time. We understand that as a parameter of the HIC. However, you can use the HIC template to track things throughout the year. This may help with some of your messaging around your COVID response and the impact of COVID on your homeless population.

January 8, 2021 3:12 PM from mark miller to everyone: Program: ESG Regular/Annual RRH not being used for COVID-19 Response. Item: Bound by FMR limits. Question: Is it possible to utilize Reasonable Accommodation to go up to 120% of FMR due to a document disability that is directly related to the issue of going above FMR. Household has mobility issues and requires a first floor unit with smaller amount of steps.

January 8, 2021 3:13 PM from Nathan Furukawa to everyone: @GordonLevine. We don't specify degree of COVID-19 exposures, rather it is the essential nature of the work that is qualifying. Your state plan might further subprioritize whether people have direct client contact though. For the list of essential workers, you can see this resource from CISA:
https://www.cisa.gov/sites/default/files/publications/ECIW_4.0_Guidance_on_Essential_Critical_Infrastructure_Workers_Final3_508_0.pdf

January 8, 2021 3:14 PM from Marlisa Grogan to everyone: @Samantha - the 50% AMI income eligibility requirement applies to ESG Homelessness Prevention assistance.

January 8, 2021 3:16 PM from Brett Esders to everyone: @Mark - no, there are not currently any megawaivers in place that would permit annual ESG not being used COVID for units that are above FMR. You could seek a waiver from your local HUD CPD Field office to go above FMR if it is needed in your community.

January 8, 2021 3:17 PM from Nathan Furukawa to everyone: @ThanhPham. The exact timing of COVID-19 vaccination rollout is determined by your state health department. Most state health departments have updates on their website, announcements, or press conferences to share the latest. In general, states may not have the bandwidth to determine super precise vaccination criteria within groups since there is a lot of different groups to plan for. We don't want the criteria to be too stringent such that too many people get turned away and we don't get vaccine out quickly.

January 8, 2021 3:17 PM from Andrea Curtis to everyone: Providers in our CoC are providing gift cards to those receiving gift cards. Those are paid for with the Treasury CARES Act funding. Can ESG-CV funding be used to pay for the gift cardsA?

January 8, 2021 3:18 PM from Gordon Levine to everyone: Seconding @Andrea Curtis' question about incentives to PEH receiving vaccines.

January 8, 2021 3:18 PM from Carrie Poser to everyone: Can a CoC board pay a person with lived experience's time serving on the board?

January 8, 2021 3:19 PM from Lisa Coffman to everyone: @Carrie - Yes. Your CoC Planning dollars can be used.

January 8, 2021 3:19 PM from Andrea Curtis to everyone: @Gordon thanks for clarifying my question also.

January 8, 2021 3:19 PM from Lisa Coffman to everyone: @Andrea Curtis - what are they supplying gift cards for?

January 8, 2021 3:20 PM from Andrea Curtis to everyone: @Lisa to take the vaccinations

January 8, 2021 3:20 PM from Carrie Poser to everyone: @Lisa, and there is no concern that this would make them an employee? there is some push back from some that by doing anything other than reimbursing expenses creates an employee relationship

January 8, 2021 3:20 PM from Lisa Coffman to everyone: @Andrea - gotcha. I was getting my questions crossed.

January 8, 2021 3:20 PM from Brett Esders to everyone: @Andrea - purchasing gift cards (including food vouchers to area grocery stores) is not, in and of itself, an eligible cost under the ESG Program, including ESG-CV. That being said, if the gift card is used by the program participant for eligible activities, and the recipient is able to document that it was used to pay for eligible costs, gift cards may be used to pay for the cost of those services. This documentation requirement applies whether the gift card is to a grocery store or a restaurant. If the recipient or subrecipient is not able to ultimately determine and document that the program participant used the gift card to pay for eligible ESG Program

costs, recipients or subrecipients may not be reimbursed with ESG or ESG-CV grant funds for the purchase of gift cards.

January 8, 2021 3:20 PM from Megan Stuart to everyone: @Carrie- we treat them as consultants rather than employees

January 8, 2021 3:20 PM from Lisa Coffman to everyone: @Carrie - no, there is no concern. It's the same as compensating a contractor for their time.

January 8, 2021 3:21 PM from Gordon Levine to everyone: (@Carrie, I'm working on pulling together an answer for that same question from over here with examples -- I haven't dropped that thread!)

January 8, 2021 3:21 PM from Lisa Coffman to everyone: @Megan - awesome. Thanks for weighing in.

January 8, 2021 3:22 PM from Lisa Coffman to everyone: @Carrie - SNAPS has heard overwhelmingly from people with lived experience that monetary compensation is preferred for their work on CoC planning.

January 8, 2021 3:24 PM from Lauren Whiteleigh to everyone: Regarding initial inspection waiver, at the point at which it is safe to go back and conduct the inspection in person, if the participant is no longer occupying the unit or if they have been exited from the program, how should CoC providers proceed?

January 8, 2021 3:24 PM from Rotella Galos to everyone: if a customized mobile unit was purchased for a subrecipient - can ESG-CV funds be used to pay internet service for the vehicle to be used for Street Outreach?

January 8, 2021 3:25 PM from Carrie Poser to everyone: @Lisa - thank you, i will!

January 8, 2021 3:27 PM from Brett Esders to everyone: @Rotella - if internet is needed to carry out one of the eligible street outreach activities (e.g., case management or entering data into HMIS), then yes, the cost of internet could be an overhead cost of that activity.

January 8, 2021 3:28 PM from Rotella Galos to everyone: @Brett Thanks!

January 8, 2021 3:28 PM from Nathan Furukawa to everyone: Sorry all. I have to drop off. Thanks for your attention and wish you well.

January 8, 2021 3:28 PM from Greta Guarton to everyone: Thank you!

January 8, 2021 3:28 PM from Brett Esders to everyone: @Lauren - that's a good question. Can you submit it to the AAQ and we'll get you an answer.

January 8, 2021 3:29 PM from Amy Stewart to everyone: Question re waiver on suitable dwelling size. Did the language change? "is waiver for recipients providing Permanent Housing-Rapid Re-housing assistance for leases and occupancy agreements." Does this also include PSH? Thanks

January 8, 2021 3:30 PM from Brett Esders to everyone: @Amy - no, that language has not changed. It only applies to RRH projects. Not PSH.

January 8, 2021 3:31 PM from Lauren Whitleigh to everyone: @Brett - Thanks! I submitted it to AAQ on Tuesday

January 8, 2021 3:32 PM from Lauren Whitleigh to everyone: easternpa@dma-housing.com is my email address

January 8, 2021 3:32 PM from Justin Marino to everyone: Incredibly positive outlook Margot. Fantastic information. Cannot thank you enough.

January 8, 2021 3:32 PM from Jessica Reed to everyone: Has CDC/HUD considered racial equity implications of vaccine prioritization? For example, if healthcare workers including those conducting telehealth/outpatient services and are a) more likely white/non persons of color and b) have a lower risk to exposure are categorically prioritized over those in, say, homeless congregate shelters who are staffed by more people of color with higher rates of infection.

January 8, 2021 3:33 PM from Justin Marino to everyone: Are there any resources regarding tracking of vaccinations using HMIS?

January 8, 2021 3:33 PM from Lauren Whiteleigh to everyone: @Brett - Will do

January 8, 2021 3:34 PM from Brian Roccapriore (he/him) to everyone: @Justin - we are working on that now, and should have more information soon.

January 8, 2021 3:35 PM from Justin Marino to everyone: Thanks Brian

January 8, 2021 3:35 PM from Tamera Kohler to everyone: This is great. Clear and well thought out road map for us to put into action. Thanks Michele, Cynthia and Margot!

January 8, 2021 3:37 PM from Catherine Huang to everyone: someone keeps typing

January 8, 2021 3:37 PM from DAVID CANAVAN to everyone: @Jessica - Yes. Equity has been a component of the conversation at every level. That said every community is making its own decisions regarding how these vaccines are administered. Issues like the age parameter for "high risk" have different meaning among individuals experiencing homelessness and people who are not white. So while each discussion from the National Academy of Science to the ACIP to CDC have included the topic, always need more (and tangible actions) discussions related to equity based decisions.

January 8, 2021 3:37 PM from Barbara DiPietro to everyone: ICYMI: National HCH Council published a policy brief on vaccines that gives a good list of issues and strategies that might be helpful: <https://nhchc.org/wp-content/uploads/2020/12/Issue-brief-10-COVID-19-HCH-Community-Vaccines.pdf>

January 8, 2021 3:38 PM from Ebony Rankin to everyone: @Aimee - yes, we will still issue award letters for FY 2020

January 8, 2021 3:39 PM from Lauren Pareti to everyone: Will Planning be adjusted for the current ARD or at 2019 level?

January 8, 2021 3:39 PM from Amy Stewart to everyone: Norm - how does this impact UFAs, please

January 8, 2021 3:39 PM from Ebony Rankin to everyone: @Lauren - for the current ARD

January 8, 2021 3:39 PM from Amanda B to everyone: What if we have a grant that was funded under FY19 that expired in 2020 (it runs Jan 1, 2020- Dec. 31, 2020). The FY20 renewal would be Jan 1 - Dec 31 2021

January 8, 2021 3:39 PM from Suzie Tolmie to everyone: FMR increases for FY2020 renewals- what about projects w operating costs & no rental assistance? No adjustments there?

January 8, 2021 3:39 PM from Lauren Whitleigh to everyone: will there be a competitive process for new money available for 2020 CoC funding

January 8, 2021 3:39 PM from Ebony Rankin to everyone: @Amy - UFAs will have their renewals renewed - if you consolidated grants, they will not be consolidated in esnaps

January 8, 2021 3:39 PM from Jessica Sones to everyone: @Norm - will grantees have to do anything in esnaps related to renewal?

January 8, 2021 3:40 PM from mark miller to everyone: Consolidations?

January 8, 2021 3:40 PM from Amanda B to everyone: Is YHDP still delayed? Sorry if I missed this earlier

January 8, 2021 3:40 PM from Mitchel Blum-Alexander to everyone: Will planning grants be renewed?

January 8, 2021 3:40 PM from Ebony Rankin to everyone: @Mark - consolidations will not be allowed for FY 20

January 8, 2021 3:41 PM from Gordon Levine to everyone: I think I speak for ~400 CoC grant writers when I say "thank you for 'you don't have to do anything to renew your CoC Program projects.'" :)

January 8, 2021 3:41 PM from Lisa Coffman to everyone: LOL @ David Koch

January 8, 2021 3:41 PM from Carrie Poser to everyone: Agreed - @Gordon!

January 8, 2021 3:41 PM from Carrie Poser to everyone: But, I am wondering how the planning grant will be calculated because it isn't a normal renewal grant.

January 8, 2021 3:42 PM from Ebony Rankin to everyone: @William - if your grant expires 1/31/21 - your FY20 funds are available for eligible activities on 2/1/21

January 8, 2021 3:42 PM from Tamera Kohler to everyone: Thank you SNAPers!! Best news of the week! We needed some good news!

January 8, 2021 3:42 PM from Suzie Tolmie to everyone: It did not seem at ALL clear to me that the notice yesterday ONLY applies to CoCs that did NOT do unsheltered count in 2020. How did I miss that?

January 8, 2021 3:43 PM from Margaret Lijewski to everyone: So no work in esnaps on the 2020 renewals either for grantees or CoC staff?

January 8, 2021 3:43 PM from Candace Timmerman to everyone: If your CoC did do an unsheltered count in 2020 does that automatically exempt a CoC?

January 8, 2021 3:43 PM from Carrie Poser to everyone: @Ebony - so will you use FPRN for 2020 or 2019?

January 8, 2021 3:44 PM from Amy Stewart to everyone: yes - how about Planning grants, please?

January 8, 2021 3:44 PM from Ebony Rankin to everyone: @Carrie - that info will be in the Notice

January 8, 2021 3:44 PM from Chris OHara to everyone: How will the DV and Youth new projects be awarded? Is there a firm date for the NOFA?

January 8, 2021 3:44 PM from Amanda B to everyone: What about the message that came out in February about another NOFA for Unsheltered Homelessness: "HUD plans to issue a Notice of Funding Availability (NOFA) targeted to Continuums of Care (CoCs) with high levels of unsheltered homelessness"

January 8, 2021 3:46 PM from Samantha Carpio to everyone: Who's should we contact? Which state office?

January 8, 2021 3:46 PM from Greta Guarton to everyone: It's through Treasury

January 8, 2021 3:47 PM from Whitney Patterson she/her to everyone: The equity tools that have been developed by HUD TA should be really helpful for this new funding source, as well! (e.g., developing equitable application processes)

January 8, 2021 3:47 PM from Amy Stewart to everyone: @Brett and all - sorry. I'm still a bit confused. Re: waiver on suitable dwelling size: In the Applicability section, it states "...for leases and occupancy agreements EXECUTED BY recipients or subrecipients...". Does this waiver apply to RRH participants who sign their own leases with the landlord?

January 8, 2021 3:48 PM from William Snow to everyone: @ Candace - if you did an unsheltered count in 2020, you do not need to submit anything more to HUD. This is different than we have done to date due to the guidance in the CPD Memo: Availability of Waivers for the Biennial Point-in-Time Count of Unsheltered Homelessness (<https://www.hudexchange.info/resource/6246/cpd-memo-availability-of-waivers-for-the-biennial-pointintime-count-of-unsheltered->

January 8, 2021 3:48 PM from Chris OHara to everyone: will the youth PIT still have the option of conducting their PIT in another time other than January?

January 8, 2021 3:49 PM from Colleen Moore to everyone: Please note, from Treasury document: Completed payment information and a signed acceptance of award terms form generally must be submitted not later than 11:59 p.m. EDT on January 12, 2021, to ensure payments are made within the 30-day period specified by the statute.² Eligible grantees that do not provide complete information by 11:59 p.m. EDT on January 12, 2021, may not receive an Emergency Rental Assistance payment.

January 8, 2021 3:50 PM from Brett Esders to everyone: @Amy - I understand the confusion - yes it will include leases executed during the timeframe discussed in the waiver. Which for RRH projects are leases executed between program participants and landlords.

January 8, 2021 3:51 PM from Amanda Slater to everyone: Did I miss any updates on YHDP NOFA?

January 8, 2021 3:51 PM from William Snow to everyone: @ Chris - that depends on the context of your local CoC. CoCs can continue to do some or all of a PIT count. But if you plan on submitting that data to HUD you may need to seek a waiver (if you didn't count last year). And HUD does not allow CoCs to submit data on just one subpopulation. So if you want to do a youth PIT count and submit data to HUD there needs to be at least a number for the total homeless population.

January 8, 2021 3:51 PM from Peter Burke to everyone: Do we know when the 1B Phase of Vaccines are going to be distributed or is there even a "ball park estimate"?

January 8, 2021 3:51 PM from Ebony Rankin to everyone: @Amanda - no YHDP updates - we are still working on it. There will be a NOFA

January 8, 2021 3:52 PM from Angela Hogan to everyone: If our CoC received approval to use our BNL in lieu of an unsheltered pit count, do we report the BNL #'s "as if" we completed an in person count?

January 8, 2021 3:53 PM from William Snow to everyone: @ Angela - yes. We essentially approved you to do your count using your BNL. So it counts as doing the count. Because you did a count last year you don't have to send any additional emails.

January 8, 2021 3:54 PM from Angela Hogan to everyone: @William - thank you! That was what I thought..

January 8, 2021 3:55 PM from DAVID CANAVAN to everyone: @Peter - different phases will run concurrently in local jurisdictions. Your local public health authority and state is best positioned to answer that question.

January 8, 2021 3:56 PM from Chris OHara to everyone: William, what does BNL stand for?

January 8, 2021 3:56 PM from Cynthia Nagendra to everyone: Incentives seemed to play a huge part in the success of our engaging people. People were willing to wait an hour to get even tested for the gift card when there was NO wait at the free clinic around the corner of our pop-up site. Our study convinced SF DPH to start offering incentives.

January 8, 2021 3:56 PM from Keenan Jones to everyone: By Name List

January 8, 2021 3:57 PM from Barbara DiPietro to everyone: @cynthia: glad to hear that it was such a success!

January 8, 2021 3:57 PM from William Snow to everyone: @ Chris (per Keenan's response) - BNL = By Name List

January 8, 2021 3:58 PM from Cynthia Nagendra to everyone: @barbara - yes, we were overwhelmed with the people who wanted to get tested as we were told many people wouldn't want to. Marketing materials, incentives, and using the community artwork on the materials, and the community outreach workers seems to be the most effective combination to gain trust and engagement
