June 24, 2022 2:54 PM from Greer to everyone: Does the expedited CoC waiver to extend rental assistance beyond 24 months apply only to RRH, or also to Joint TH/RRH projects?

June 24, 2022 2:55 PM from Latesha Balam-Totten to everyone: Notice CPD-22-09: <https://www.hud.gov/sites/dfiles/OCHCO/documents/2022-09cpdn.pdf>

June 24, 2022 2:55 PM from Brett Esders to everyone: @Greer - the 24-months only applies to standalone RRH projects and not Joint TH/RRH projects.

June 24, 2022 2:55 PM from Greer to everyone: @Brett Thank you

June 24, 2022 2:58 PM from Heidi Benson to everyone: For the disability documentation waiver does that mean that certification is good for duration of the enrollment or is that only until the end of the waiver 3/31/23

June 24, 2022 2:59 PM from Greta Guarton to everyone: if a tenant's extended assistance ended in April and an agency now submits another waiver, but the tenant has arrears from the past 2-3 months, can the RRH program pay these rental arrears under the new waiver?

June 24, 2022 2:59 PM from Ashley Miller to everyone: Would you please confirm that FMR waivers apply to Homeless Prevention and Rapid Rehousing programs for both regular annual ESG allocations and ESG CARES Act allocations.

June 24, 2022 3:00 PM from Brett Esders to everyone: @Heidi - for program participants that entered into a PSH project during the time the waiver was in effect that would be considered their documentation of disability status. You would not need to obtain other documentation of disability after 3/31/23. However, you should keep a copy of the waiver approval in your applicable case files so that when we are monitoring several years from now everyone remembers that a waiver had been granted.

June 24, 2022 3:00 PM from Latesha Balam-Totten to everyone: Expedited Pandemic Regulatory Waiver Requests: SNAPSinfo@hud.gov

June 24, 2022 3:01 PM from Heidi Benson to everyone: Thank you Brett!

June 24, 2022 3:01 PM from Jessica Izquierdo to everyone: Per the notice, any waiver we are approved for is good only until March 31, 2023. Since it appears there will be no expedited process for waiver review/approval in March 2022, how early do you recommend we submit new waiver requests? I've never had a waiver approved through our Local HUD Office so I would like to get an idea of how early we start on that process again before any approved waivers expire on March 31, 2023. Thank you.

June 24, 2022 3:01 PM from Brett Esders to everyone: @ Greta - no. This expedited waiver process does not allow CoC Program funds to be used to pay for rental arrears of program participants.

June 24, 2022 3:02 PM from Jessica Izquierdo to everyone: *March 2023, not March 2022.

June 24, 2022 3:04 PM from Marlisa to everyone: @Ashley - yes, the FMR waivers may apply to HP and RRH. Recipients should indicate whether they are requesting whether the waiver applies to their HP or RRH (or both) activities. The FMR waiver per the expedited waiver process isn't needed for ESG-CV or annual ESG (FY20 and older) designated for COVID because an FMR waiver is already in effect for those funds.

June 24, 2022 3:05 PM from Kirkner, Deborah A. to everyone: Why not until 9/30/2023 for ESG-CV?

June 24, 2022 3:06 PM from Katie Durand to everyone: Do we need to include subrecipients for the HOPWA waiver requests?

June 24, 2022 3:06 PM from Brett Esders to everyone: @Deborah- this Notice does NOT apply to ESG-CV requests. The ESG-CV Notice continues to apply for ESG-CV funds.

June 24, 2022 3:06 PM from Kirkner, Deborah A. to everyone: Thank you, Brett

June 24, 2022 3:07 PM from Brett Esders to everyone: @Katie - Unfortunately, we don't have anyone from the HOPWA Office on the call today. Please submit your question to HOPWA. Or, they are hosting a webinar on this Notice for their programs. More information can be found here: <https://www.hudexchange.info/news/hopwa-expedited-regulatory-waivers-webinar/>

June 24, 2022 3:09 PM from Brett Esders to everyone: @Jessica - I recommend you reach out to your local field office to discuss as they will be the start of the regular waiver process. But in my experience, sooner is better than later on starting this process.

June 24, 2022 3:09 PM from Jessica Izquierdo to everyone: Thank you, Brett.

June 24, 2022 3:10 PM from Ashley Miller to everyone: @Marlisa. when you say "designated" do you mean in the IDIS program description?

June 24, 2022 3:13 PM from Amy Stewart to everyone: UNSHELTERED: Are existing CoC projects eligible for supplemental funding under the Unsheltered Supplemental NOFO just released? Or is it only new projects? I'm also particularly wondering if you can confirm that NEW non-CE-SSO projects are eligible to apply.

June 24, 2022 3:13 PM from Marlisa to everyone: @Ashley - good question. By "designated" I mean that the recipient met the criteria in Section IV of Notice CPD-21-08, which are required for the ESG-CV waivers and flexibilities to be applied to FY 20 or older funds

June 24, 2022 3:16 PM from Brett Esders to everyone: @Maria - There will be a separate CoC Program Competition this summer as well. This Special NOFO runs on the CoC Program requirements, but it is a SEPARATE NOFO from the annual CoC Program Competition

June 24, 2022 3:17 PM from Lesa Weikel to everyone: GIW's just released

June 24, 2022 3:17 PM from Amy Stewart to everyone: thanks Norm and Brett!

June 24, 2022 3:18 PM from Amanda Sternberg to everyone: Is there any reason why these two NOFOs (unsheltered and regular CoC) were not combined into one? It's going to be extremely taxing for CoCs to essentially run two local competitions at the same time.
