October 2, 2020 2:36 PM from Shaye Rabold to everyone: woohoo! this is
exciting.

October 2, 2020 2:40 PM from Tiffany Leung to everyone: Question, re: HMIS and
reporting:

October 2, 2020 2:40 PM from Tiffany Leung to everyone: n of ESG for RRH &
Prevention services. They also received an ESG-CV allocation. Per HUD's guidance, they now have four
projects established in HMIS. This way they can report on the clients served with ESG-CV funding.

1. Regular Prevention
2. Regular RRH
3. ESG-CV Prevention
4. ESG-CV RRH

HUD's guidance around who to serve with prevention & RRH is the same though regardless if it's regular or ESG-CV funding. In other words, there aren't any clear identifiers for who should get served with ESG-CV; anyone who is currently homeless or at risk could receive ESG-CV Prevention or ESG-CV RRH assistance and/or they could also receive regular ESG RRH or prevention.

Please note that this document should not be considered formal HUD guidance; the HUD Ask A Question Desk should be leveraged for official HUD responses to questions. Additionally, this document has not been edited. The content reflects the language used by participants and panelists during the meeting.

Programmatically, it makes sense for the agency to think of the ESG-CV award as an expansion of their existing program. They operate the same program design but are able to serve more people b/c they have more money.

Question: from a data standpoint – who should go in which project in HMIS?

October 2, 2020 2:41 PM from Kristi Schott to everyone: Is waiver #3 for only RRH or both RRH & PSH?

October 2, 2020 2:41 PM from Kali Adams to everyone: It looks like the FMR waiver for ESG Annual allocations that expired September 30, 2020 was not extended. Is that correct?

October 2, 2020 2:42 PM from Brett Esders to everyone: @Kristi - waiver #3 is for RRH only

October 2, 2020 2:42 PM from Kristi Schott to everyone: Will these slides be available after this meeting?

October 2, 2020 2:42 PM from Thomas Bates to everyone: Can these slides be posted immediately after the meeting rather than waiting until the recording is ready?

October 2, 2020 2:43 PM from Natalie Matthews to everyone: @Kristi, yes, the slides and a recording of the webinar will be posted to the HUD Exchange in 2-3 business days

October 2, 2020 2:43 PM from Marlisa Grogan to everyone: @Kali - the ESG-CV Notice provides an FMR waiver for all ESG-CV funds as well as annual ESG funds used to prevent, prepare for, and respond to coronavirus

October 2, 2020 2:44 PM from Lesa Weikel to everyone: For ESG/ESG-CV funded RRH - does this change in homeless definition apply?

October 2, 2020 2:44 PM from Jennifer Fabbrini to everyone: Does the redefinition of institutional stay from 90 to 120 days apply to breaks in homelessness as well, or only applies to someone who's exiting homelessness directly from an institution?

October 2, 2020 2:45 PM from William Snow to everyone: @ Tiffany - RE: reporting. This is a good question. The projects will look similar, perhaps even exactly the same based on how you set it up. However, HUD needs to understand who is being served under ESG-CV separate from your normal ESG funds. You could think about how many clients you will serve under each pot of funding and enter people accordingly (for instance if it is the same amount of money going to each project then you may simply put half of the clients in one project and half in another).

October 2, 2020 2:47 PM from Lauren Whiteleigh to everyone: not required to go back and get documentation until there are no longer public health orders in place, or not required to go back and get the documentation ever for that household?

October 2, 2020 2:48 PM from Denise Albertson to everyone: Following up question/comment to Tiffany's reporting comment - wouldn't one of the clarifications be the household income? If there are families in need over the 30% AMI they could be served by ESG-CV (up to 50% AMI) and not by traditional ESG.

October 2, 2020 2:48 PM from Bridgett Moore to everyone: Does the waiver addresses participants who are hospitalized and there stay may be beyond the maximum time of their housing?

October 2, 2020 2:48 PM from LuCynthia Jones to everyone: Who do we send the email request to?

October 2, 2020 2:49 PM from Sarah Isaak to everyone: So the ESG waiver about monthly case management was NOT extended?

October 2, 2020 2:49 PM from LuCynthia Jones to everyone: Does the waiver for not requiring case management include PSH?

October 2, 2020 2:49 PM from Marlisa Grogan to everyone: @Sarah - the ESG waiver for monthly case management is included in the ESG-CV notice

October 2, 2020 2:49 PM from William Snow to everyone: @LuCynthia - send it to your local field office (I am assuming you are a direct recipient)

October 2, 2020 2:50 PM from David Foster to everyone: What is the point of waiver 3, to allow more persons to reside in a single unit?

October 2, 2020 2:50 PM from Katie Durand to everyone: Can you please flip back through the waivers on the screen while answering the questions? Thanks!

October 2, 2020 2:50 PM from Lesa Weikel to everyone: What steps are needed to apply the CV notice to annual allocation or is it automatic?

October 2, 2020 2:50 PM from Heather Gramp to everyone: @LuCynthia there is a link to the list of email addresses to send waiver notification to here: <https://www.hudexchange.info/news/cpd-memo-availability-of-additional-waivers-for-cpd-grant-programs-to-prevent-the-spread-of-covid-19-and-mitigate-economic-impacts-caused-by-covid-19/>

October 2, 2020 2:51 PM from William Snow to everyone: @ Denise - that could work for way to distinguish. However, you can use the ESG-CV flexibilities in your annual ESG grant if the funds are being used to prevent, prepare for, or response to coronavirus - this means that it may not be so clean cut with your annual dollars.

October 2, 2020 2:52 PM from Shaye Rabold to everyone: @Brett - regarding ESG/FY 20 funds used to prevent, prepare for, respond to...in order to use the Notice waivers, we must amend our FY20 action plan to state we are using the FY20 funds for that purpose, correct?

October 2, 2020 2:52 PM from rebecca pfeiffer to everyone: When is the waiver being sent out?

October 2, 2020 2:53 PM from Andrea Hurley to everyone: With the Eviction Moratorium (CDC & NYS) Ending at the end of the year. Evictions can happen right after christmas and new years we would like to see these waivers to be effect when the moratorium is over.

October 2, 2020 2:53 PM from Abby Miller to everyone: Here's the waiver: <https://www.hud.gov/sites/dfiles/CPD/documents/CPD-COVID-19-Waiver-3-Final-Clean.pdf>

October 2, 2020 2:53 PM from Katie Durand to everyone: Thank you Abby!

October 2, 2020 2:54 PM from Lesa Weikel to everyone: if we take the steps to apply the CV notice to annual allocation, does that permit the landlord incentives. hazard pay, etc to be eligible under annual allocation

October 2, 2020 2:55 PM from Brett Esders to everyone: @Lesa - yes! if your annual ESG funds are being used to prevent, prepare for, and respond to COVID, and follow the process then all the flexibilities in the ESG-CV Notice apply to annual ESG funds

October 2, 2020 2:56 PM from Kelsey Addy to everyone: Thank you SNAPS office for these thoughtful considerations!

October 2, 2020 2:56 PM from Beth Sharber to everyone: Is there any clarification about acquisitions?

October 2, 2020 2:57 PM from Denise Albertson to everyone: If subrecipients use annual ESG funds to PPR to C19 would those clients be entered into a CV-specific program in HMIS and not their regular ESG program in HMIS? It seems like if they are using annual ESG funds it would remain in their annual ESG program but then wouldn't be counted in the CV #s.....

October 2, 2020 2:57 PM from Anna O'Toole to everyone: is HUD still planning to release the YHDP NOFA?

October 2, 2020 2:58 PM from Norm Suchar to everyone: @Anna, yes, we are planning to release the YHDP NOFA. I would expect it in a couple weeks or so.

October 2, 2020 2:58 PM from Angela Hogan to everyone: If we are an ESG subrecipient from a State Government, will these waivers only apply if our State requests them?

October 2, 2020 2:58 PM from Anna O'Toole to everyone: thank you!

October 2, 2020 2:59 PM from Brett Esders to everyone: I didn't know that. is that a local requirement or a HUD requirement?

October 2, 2020 2:59 PM from Aaron Weaver to everyone: @Angela, you would need to notify the State of the waivers you intend to utilize. They would then submit a notification to the local HUD Field Office on your behalf.

October 2, 2020 3:00 PM from William Snow to everyone: @ Denise - No. We are aware that making you demarcate the efforts to address coronavirus with annual funds would be very difficult to track. We are only requiring you to track your funding on that and be prepared to provide a narrative. Your statement is correct - those clients served with annual ESG funds will be reported under the annual ESG grant (and no requirement to separate those who were served in response to coronavirus).

October 2, 2020 3:00 PM from Angela Hogan to everyone: @Aaron - Thank You

October 2, 2020 3:01 PM from Marlisa Grogan to everyone: @Sarah - rental housing refers to rental assistance (i.e., short term, medium term rental assistance, etc.) under 576.106(a). Housing Relocation & Stabilization Services - financial costs are rental application fees, security dpositis, utility deposits, etc. under 576.105(a)

October 2, 2020 3:02 PM from Shaye Rabold to everyone: Would amending the FY19 Action Plan to use a small portion of the funds for COVID activities/to take advantage of ESG-CV Notice constitute a substaintial amendment that would reset the "approval" clock for when our Plan was approved for purposes of whether it was pre/post Sept 1? Our amended plan was approved prior to Sept. 1. Hope this makes sense.

October 2, 2020 3:08 PM from Jeremy Hirsch to everyone: If a unit of government or non-profit can demonstrate that a program, service or capital improvement cannot be funded because of a demonstrable COVID-related loss of income or revenue that was used to fund said program, service or capital improvement, would that meet the "respond to" criteria?

October 2, 2020 3:09 PM from Aaron Weaver to everyone: @Shaye, you would need to discuss with the ESG/ESG-CV Recipient. What constitutes a substantial amendment would be outlined in the citizen participation plan. They're likely utilizing an interim citizen participation plan during the pandemic.

October 2, 2020 3:10 PM from Marlisa Grogan to everyone: @Shaye, I think you're also asking about whether an amendment to your FY19 would trigger the notice limitations for your ESG-CV funds. If that's what you're asking, the answer is no. Amendments unrelated to your ESG-CV grant don't trigger the applicability of the notice limitations.

October 2, 2020 3:12 PM from Brett Esders to everyone: @Jeremy - the ESG-CV Notice has definitions of prevent, prepare for, and respond to coronavirus. The definition of respond to coronavirus includes, "providing rental assistance to those who are at risk of losing their housing, have already become homeless, or continue to experience homelessness due to the economic downturn caused by coronavirus" - which doesn't require you to document that an individual program participant's income was impacted by COVID-19, but instead assumes that if the geographic area was impacted then individuals and families at risk of or experiencing homelessness were impacted.

October 2, 2020 3:12 PM from Aaron Weaver to everyone: @Shaye, my comment would only apply if you're simply moving funds around. The Citizen Participation plan will outline the amount of funds that can be moved before triggering a substantial amendment. The addition of activities that weren't initially in the plan would automatically trigger a substantial amendment.

October 2, 2020 3:12 PM from Shaye Rabold to everyone: @Marlisa- yes, that's what I'm asking. Thanks! @Aaron- my org is the ESG/ESG-CV recipient.

October 2, 2020 3:32 PM from Katie Durand to everyone: We submitted a waiver request to our local HUD Field Office to use CoC/YHDP funds for landlord incentives equivalent to the ESG-CV landlord incentive eligible costs. While we wait for an answer, can we use our ESG-CV funds, which are attached to our ESG-CV RRH projects, to help house participants in our CoC/YHDP RRH projects? An extended eviction moratorium is having an unintended, negative consequence of making it much harder to house our RRH participants, especially youth with no income. Thanks

October 2, 2020 3:41 PM from Marlisa Grogan to everyone: TES Disposition
(cont'd): Repay HUD the acquisition and renovation costs to HUD and retain the title of the property. The amount repaid to HUD is calculated by applying the percentage of ESG-CV funds used for the original purchase, plus any ESG-funded costs for renovation, to the fair market value of the property.

October 2, 2020 3:42 PM from Marlisa Grogan to everyone: TES Disposition (cont'd)
- Second option: Sell the property and repay HUD.

- The amount repaid to HUD is calculated by applying the amount of ESG-CV funds used for the original purpose, plus any ESG-funded costs for renovation, to the proceeds of the sale after deduction of any actual and reasonable selling and fixing-up expenses.

- If the ESG-CV grant hasn't been closed out, the net proceeds from the sale may be used to offset the original cost of the property. When the recipient is directed to sell the property, sales procedures must be followed that provide for competition to the extent practicable and result in the highest possible return.

October 2, 2020 3:42 PM from Marlisa Grogan to everyone: TES Continued:

In either case, HUD will provide recipients with disposition instructions to further explain the process.

The SNAPS office is working on ways to give recipients other options, other than repayment, for disposition of temporary emergency shelters acquired or renovated with ESG-CV funds. However, recipients should know the current limitations when deciding to pursue this activity type.

-Elizabeth Dunn - 2:58 PM

Q: How do we see all the Q and A?

Priority: N/A-

-lori dimick - 3:14 PM

Q: Will HUD Headquarters provide the Waivers forms (similar to Waiver 1) for the programs to complete and send to the Waiver email.

Priority: N/A-

-Jessica Izquierdo - 3:22 PM

Q: I'm scared to ask this question of everyone because maybe it is not a good question: regular ESG funds for this, can they still waive the case management and FMR requirement for regular ESG funds used to prevent, prepare for, and respond to the coronavirus?

Priority: N/A-

-Brett Esders - 3:30 PM

A: Yes - as long as you follow the process in the ESG-CV Notice for designating annual ESG funds for preventing, preparing for, and responding to coronavirus, then they can use those case management and FMR waivers in the ESG-CV Notice-

-Jessica Izquierdo - 3:33 PM

Q: That's what I thought. We are not doing the process to designate annual ESG funds for preventing, preparing for, and responding to coronavirus, so our agencies that use annual ESG funds have to do case management and have to follow the FMR requirement.
