1-855-797-9485 Access code: 610 976 677

September 11, 2020 from Brian Gaskill to everyone: 2:42 PM Could CV funds be used to pay for regular flu shots (non covid)?

September 11, 2020 from Marlisa Grogan to everyone: 2:45 PM @Brian - it is possible use ESG-CV to pay for regular flu shots under the emergency shelter component (outpatient health services) to the extent that those costs can't be covered via other appropriate health services available within the community

September 11, 2020 from Marlisa Grogan to everyone: 2:47 PM @Brian - the cost of flu shots is also eligible under Street outreach (Emergency health services) in community-based settings (streets, parks, etc.) under the same conditions (to the extent that those costs can't be covered via other appropriate health services available within the community

September 11, 2020 from Micah Snead to everyone: 2:47 PM Great question, Brian

September 11, 2020 from Micah Snead to everyone: 2:47 PM And answer, obvs, Marlisa!

September 11, 2020 from Justin Marino to everyone: 2:48 PM What happens if/when we get a vaccine for COVID?

September 11, 2020 from carlie rowan to everyone: 2:53 PM are there Special Program vouchers available with this new notice? ive tried to reach out to my local CoC, HUD, HOPWA, AHIP, AND I haven't had any luck at all with this new voucher funding available.

September 11, 2020 from Shawn Hayes to everyone: 2:55 PM Are vaccines that are being developed associated with the current white house administration? (does the president have any oversight, input, or control of the vaccine/trials?)

September 11, 2020 from Chris Murray to everyone: 3:04 PM Regarding the "Availability of Additional Waivers for CPD Grant Programs to Prevent the Spread of COVID-19 and Mitigate Economic Impacts Caused by COVID-19" that was released on May 22, 2020 there was a waiver that provided a waived requirement for the monthly case management within RRH which expired August 22. Our community wanted to check in to see if we should expect any extensions to that waiver?

September 11, 2020 from Brett Esders to everyone: 3:06 PM @Chris - the waiver that waived requirement for monthly case management was waived for ESG-CV funds and annual ESG funds that are being used to prevent, prepare for, and respond to COVID through the ESG-CV Notice. For the CoC Program, though, the waiver has not been renewed yet. So program participants in CoC funded RRH are required to participate in monthly case management. This can be done virtually or over the phone if that's possible to maintain social distancing.

September 11, 2020 from Amanda Rosado to everyone: 3:09 PM Doesn't look like the slide is moving - is that just me?

September 11, 2020 from Josh Levin to everyone: 3:16 PM Would the address be the person's shelter? and what would they put if they are unsheltered? thanks!

September 11, 2020 from Anna Jones to everyone: 3:17 PM Is there a number or email for people who have questions about the stimulus check. We have assisted many folks with the online non-filers tool but they have either still not received checks or they received the check for just them and not their dependents.

September 11, 2020 from Lisa Sloane to everyone: 3:17 PM An opportunity not to be missed!

September 11, 2020 from Laure Whitleigh to everyone: 3:19 PM is this taxable income?? I thought it was not taxed?

September 11, 2020 from Lisa Sloane to everyone: 3:19 PM @Carli The Notice is for PHAs that administer a HCV or Section 8 program. This is not a competition, there are funds available for each PHA. Small PHAs = 40. Med = 75 vouchers. Large = 100 vouchers. Good opportunity - not to be missed!! Simple one page application form.

September 11, 2020 from CHARLOTTE JACKSON to everyone: 3:19 PM If an individual has not received their stimulus payment as a taxpayer/filer, can they sign on as a non-filer to get the payment?

September 11, 2020 from Laure Whitleigh to everyone: 3:21 PM @Charlotte - I did not receive mine right away but used the link just mentioned to "Get My Payment" that link requests info from you and it took another 10 days or so

September 11, 2020 from Sheldon Good to everyone: 3:22 PM What would someone list as their address if they are unsheltered?

September 11, 2020 from Beth Sharber to everyone: 3:24 PM @Sheldon Our community has a day shelter with meal/shower service that also lets people receive mail there.

September 11, 2020 from Nancy Fitzpatrick to everyone: 3:26 PM Absolutely! So important for them!

September 11, 2020 from Marlisa Grogan to everyone: 3:27 PM Estimating Future Homelessness: <https://www.hudexchange.info/resource/6136/covid19-homeless-system-response-estimating-future-homelessness/>

September 11, 2020 from Nancy Fitzpatrick to everyone: 3:29 PM What a great planning and prevention tool.

September 11, 2020 from Laure Whitleigh to everyone: 3:30 PM Would HUD recommend using the Estimating Future Homelessness as a tool to prioritize ESG-CV2 allocations?

September 11, 2020 from carlie rowan to everyone: 3:30 PM Thank you!

September 11, 2020 from Sarah Isaak to everyone: 3:32 PM This is an amazing resource! Thank you!

September 11, 2020 from Nancy Fitzpatrick to everyone: 3:34 PM Great question and great answer.

September 11, 2020 from Marlisa Grogan to everyone: 3:36 PM HP Eligibility During Eviction Moratoria: <https://files.hudexchange.info/resources/documents/COVID-19-Grants-Management-ESG-Homelessness-Prevention-Eligibility-During-Eviction-Moratoria.pdf>

September 11, 2020 from carlie rowan to everyone: 3:41 PM and what do I do to acquire a voucher? bc I couldn't get ahold of anyone that's the pha for my area.

September 11, 2020 from Denise Albertson to everyone: 3:41 PM Regarding ESG-CV pre-award costs – if a new agency to ESG is asking for reimbursement of pre-award costs for shelter operations do they need to enter into HMIS all shelter client information for their emergency shelter project covering the same timeframe as the expenses? If so, there will be a high % of “data not collected” from this timeframe as they were not aware of the required data elements needed – how will that be handled from a reporting standpoint?

September 11, 2020 from carlie rowan to everyone: 3:42 PM k ty

September 11, 2020 from Angela Hogan to everyone: 3:43 PM When does a client/family become RRH versus HP under ESG?

September 11, 2020 from Angela Hogan to everyone: 3:44 PM Does Category 1c = HP and Category 2 = RRH?

September 11, 2020 from Brett Esders to everyone: 3:44 PM @Denise - the Notice states that any cost incurred from January 21 until June 30 were not required to participate in HMIS for the first 60 days of the project's operation. After that grace period, HUD expects data to have been submitted into HMIS (and use the coordinated entry and develop and apply written standards).

September 11, 2020 from Kali Adams to everyone: 3:44 PM Can you talk about why "reasonable expectation" is only included in Homeless Cat. 2 and not in At-Risk Cat 1c?

September 11, 2020 from Laure Whitleigh to everyone: 3:45 PM Within the "households facing eviction" criteria, it was my understanding that there is debate about whether the CDC Eviction Moratorium covers the entire eviction process, including the issuance of an eviction notice, or just the final step of removing the household from unit?

September 11, 2020 from Laure Whitleigh to everyone: 3:46 PM I guess the answer doesn't matter because even if the household has an eviction notice, they are not at risk of being removed from the unit, either way. forget my question :)

September 11, 2020 from Carrie Poser to everyone: 3:48 PM I guess I am confused about how you are differentiating - "written notification from entity with authority to terminate" but with CDC moratorium removes the ability to terminate. So what power does the written notification have?

September 11, 2020 from Susan Pourciau to everyone: 3:50 PM Ditto what Carrie said. For neither category is there an expectation that the household will have to leave because of the eviction moratorium.

September 11, 2020 from Angela Hogan to everyone: 3:51 PM Is there an avenue for Category 3 UHY under other definition to receive ESG-RRH?

September 11, 2020 from Laure Whitleigh to everyone: 3:54 PM would another reason be if a rural community doesn't have a local health department, such that folks would have to go to the county over?

September 11, 2020 from Justin Marino to everyone: 3:54 PM Has there been discussion regarding The FY2019 NOFA added flexibility regarding participant eligibility, as persons could be served in RRH funded through that NOFA if they met Category 1 (literal homelessness), Category 2 (Imminent Risk of Homelessness), or Category 4 (Fleeing/ Attempting to Flee DV or other dangerous or life-threatening conditions) of the Homeless Definition Final Rule. This eligibility applies for any new RRH project funded under the FY 2019 CoC Program NOFA AND any grant that was funded as a renewal RRH project in the FY 2019 CoC Program NOFA but does not go into effect until execution of the FY 2019 grant agreement.

September 11, 2020 from Liz Isaacs to everyone: 3:56 PM NOFA news?

September 11, 2020 from Laure Whitleigh to everyone: 3:56 PM 2020 NOFA :)

September 11, 2020 from Angela Hogan to everyone: 3:56 PM Yes NOFA?

September 11, 2020 from Valorie Carson to everyone: 3:56 PM Please hurry with CDC Eviction Moratorium advice!!

September 11, 2020 from Ebony Rankin to everyone: 3:56 PM no news on the FY 2020 NOFA

September 11, 2020 from Laure Whitleigh to everyone: 3:57 PM should we assume no new CoC project funding?

September 11, 2020 from Beth Sharber to everyone: 3:57 PM Thank You!

September 11, 2020 from Veronica Wilson to everyone: 3:57 PM Thank you for this and for the encouragement for us in California.
