September 24, 2021 2:35 PM from Lesa Weikel to everyone: Since CPD 21-08 cannot apply to PY21 ESG funding, how do we handle the following situation: A household moved into a unit that exceeded FMR, which was allowable with the FY2020 funding, and is still under lease and being assisted? Under normal ESG regulations, rental assistance cannot be provided on a unit that exceeds FMR? Is there a 'grandfathered in' clause since the initial lease was signed under the CV waivers/flexibilities?

September 24, 2021 2:56 PM from Lesa Weikel to everyone: @Marlissa - the way the funding has been allocated, it's been allocated to specific projects based on the funding - so ESG CV projects and ESG projects were funded separately at various agencies

submitting these, in any case? So if one were needed at this point for another change (for example, adding a new funding activity), what could a community do?

September 24, 2021 3:11 PM from Rebecca Pfeiffer to everyone: Following up on @ChristinaGlennTugman's question, in that same section, what is the additional time referenced ""HUD will also act to require public housing authorities and owners participating in HUD's project-based rental assistance program to provide tenants facing eviction for non-payment of rent with additional time and other protections to allow them the opportunity to secure emergency rental assistance that may stave off eviction entirely."

September 24, 2021 3:11 PM from Ashelba Brown to everyone: Will Homeless Prevention funding be used for Diversion?

September 24, 2021 3:12 PM from Brett Esders to everyone: @Amber - The Personal Responsibility and Work Opportunity Reconciliation Act (PRWORA) of 1996 governs how federal funds can be used to support immigrant access to certain public benefits. We've published a couple of documents on the HUDExchange (<https://www.hudexchange.info/resource/5126/prwora-and-huds-homeless-assistance-programs-fact-sheet/>) with information about how PRWORA impacts the ESG and CoC Programs. For any additional questions not answered by these documents we recommend you reach out to your local counsel.

September 24, 2021 3:15 PM from Brett Esders to everyone: @Ashelba - Homelessness Prevention funding can be used for diversion activities. We are working on TA documents to help explain how funds can be used and following what parameters. If you have specific questions in the meantime, feel free to submit them to the AAQ.
