June 4, 2020 4:57 PM from Shaye Rabold to all participants: meaning the link to ESG Rec for the TA

June 4, 2020 4:57 PM from Abby Miller to all participants: OK y'all I am THRILLED that so many of you are interested in working with each other in these intensive workshops. A couple finer points that I didn't say earlier: 1) We targeted ESG entitlements with the invites, as we have a whole team of TA providers focused on assisting the state ESG recipients that you should be getting more information on very soon 2) It is targeted only at the recipient level (not sub-recipient) and 3) we did not target the invite to CoCs but absolutely want CoCs to participate in the workshop with your ESG recipient counterparts.
