ROSS-SC Data Dashboard

**Webinar 3: Advanced
Performance Metrics &
Data Quality**

April 29, 2021

Welcome

- Plan for today
 - Purpose of the Data Dashboard
 - Advanced data quality
 - Advanced performance metrics
 - Question and answer
- Use the “**Q&A**” feature to ask a question anytime

Purpose of the Data Dashboard

- Visualizes ROSS data
- Helps you:
 - See the reach of your work
 - Compare your program's performance
 - Find areas to improve
- Based on your annual reports

How Your ROSS Data Gets to the Dashboard

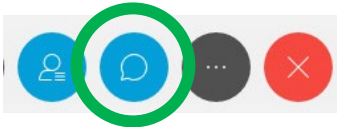

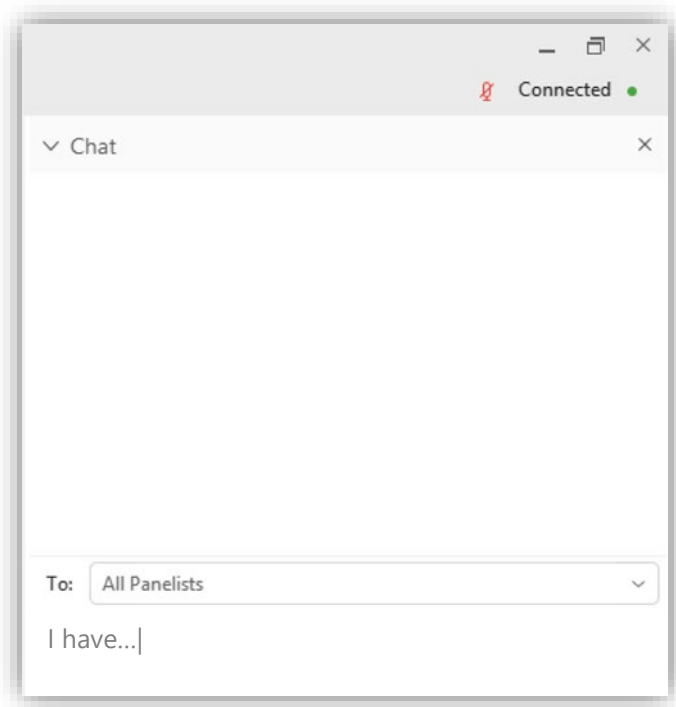

Poll: Exploring the Dashboard

How have you used the Data Dashboard so far?

- Open the chat: 
- Type a message to “All Panelists”
- Press *Enter*

Data Quality

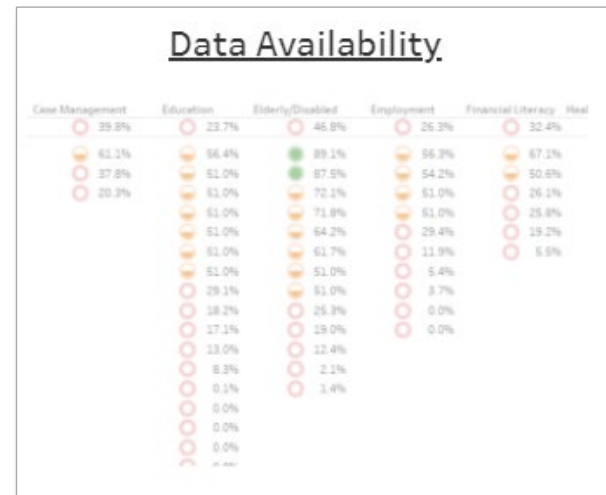

Advanced Improvements

Advanced Data Quality

- General best practices
- Participants and non-participants
- Recording frequent services
- Tracking data continually
- Upcoming data elements

Best Practices

- Don't leave fields blank
- Report what you know, even when nothing happened
- Only use “Information Not Collected” when you are unsure
- Follow up with service providers
- Make a plan and stick with it

Best Practices Example

Fixed ID	Data Elements	Data Elements Description	Response Options	Grantees that are required to respond:	Comments
57	Job Development Service	The individual received job development services.	1= Yes 3= N/A 77= Information not collected	Required for FY16 and FY17 grantees. Also required for FY18 and FY19 grantees that selected Employment and/or Reentry as an area of need/focus	<p>Job development is contacting an employer directly for the purpose of obtaining possible employment for a specific individual.</p> <p>Job Development services may be counted if it was provided by the ROSS-SC, a partner, or service provider.</p> <p>If you did not select employment or reentry as an area of need/focus and do not wish to report, you should select "information not collected."</p> <p>In the case of elderly individuals, you may select "N/A" if they are not seeking employment.</p>

Best Practices Example

X (blank)

✓ 1 = Yes

✓ 3 = N/A

X 77 = Information Not Collected

Participants and Non-Participants

- Participants receive **needs assessments** *and* services

- Non-participants receive *only* services
- Goal for participants: achieve ROSS KPIs
- Goal for non-participants: convert into participants
- Drawn from “Participant Status” data element

Recording Frequent Services

- Some services provided regularly or multiple times
- Report each confirmed event using “Number of Times” elements
- Shows HUD program reach; progress towards Key Performance Indicators (KPIs)
- Helps you track growth

Recording Frequent Services

76	High School/ GED Preparation Service	The individual participated in an organized program of study or a GED preparation class to attain secondary school diploma or equivalent.	1= Yes 100=N/A 77= Information not collected	Required for FY16 and FY17 grantees Also required for FY18 and FY19 grantees that selected Education and/or Reentry as an area of need to be addressed.	This may take the form of classes, online course, or one-on-one tutoring. If your program did not select education or reentry as an area of focus/need and you choose not to report for this data element, then you must select "information not collected." If the individual is in pre-school, elementary school, middle school, or high school grade 9-11, then you may select "N/A"
76	High School/ GED Preparation Service Number	If the individual participated in High School/ GED preparation, input number of times	A whole number	Required for FY16 and FY17 grantees Also required for FY18 and FY19 grantees that selected education as an area of need to be addressed.	A single event shall count as one. If the individual has received High School/ GED Preparation service, then you must enter number of times. If this information is not collected or N/A, please enter "9999" or "-1."

Tracking Data Continually

- Best practice: enter data after each meeting
- Captures more of your work
- Simplifies reporting
- Many ROSS Key Performance Indicators cover *processes*
- Online Data Collection (OLDC, previously inForm)

Tracking Data Continually: Workflow

1. Create report  

2. Update continually

A. Open report in Edit mode 

B. Add/change data 

C. Save report 

3. Submit report 

Upcoming Data Elements in OLDC

- Not all elements from ROSS Data Guide available in OLDC
- To be added in the future
- For now, track manually or in case management software

Data Guide 3.0

RESIDENT OPPORTUNITY & SELF SUFFICIENCY PROGRAM

Upcoming Data Elements in OLDC

Employment

- Occupation Skills (OST) Service Code
- Self-Directed Job Search Service
- Work Readiness Service
- Job Development Service
- Job Retention Service

Financial

- Financial Account Creation
- Tax Preparation Service
- Legal Assistance Service
- Legal Assistance Type
- Financial Account Creation Service

Health

- Food and Nutrition

Housing

- Housing Status Code
- Temporary Housing Placement
- Independent Living Service
- Pre-housing Counseling
- Post-Housing Counseling

Other

- Parenting Skills Service
- Returning Citizen

Data Quality Resources

- ROSS Data Guide
- Webinar recordings
- Data Quality Quick Reference Guide (NEW)

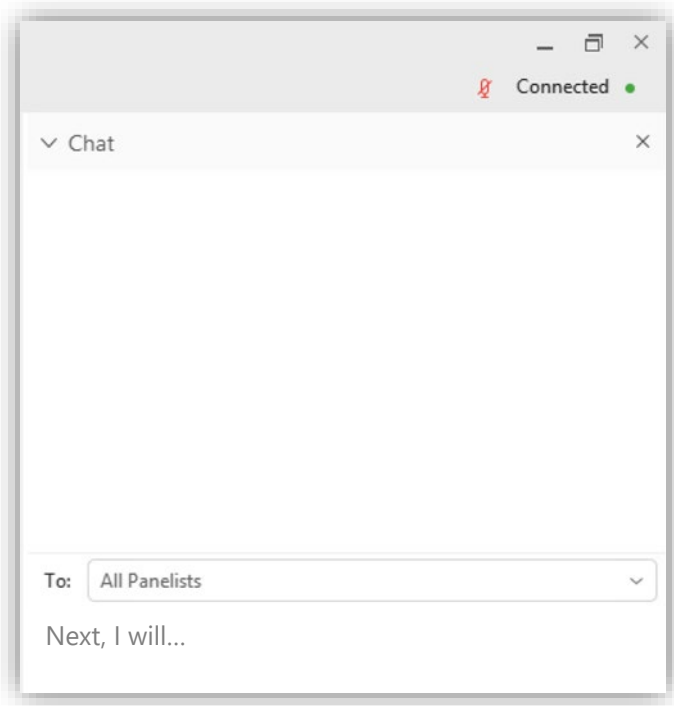

Poll: Improving Data Quality

What is the next step you will take to improve your data quality?

- Open the chat:
- Type a message to “All Panelists”
- Press *Enter*

Poll: Comparing to Others

Which comparisons do you think will be most helpful in understanding your performance?

- Myself to all ROSS grantees
- Myself to grantees focusing on the same areas of need
- Myself to grantees serving the same populations
- All of the above

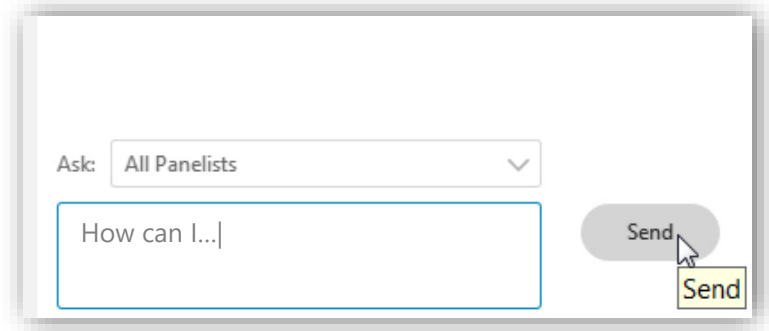

Q&A

Ask A Question: Typed Out

1. Open the “Q&A” panel on the right
2. Type your question at the bottom
3. Click “Send”

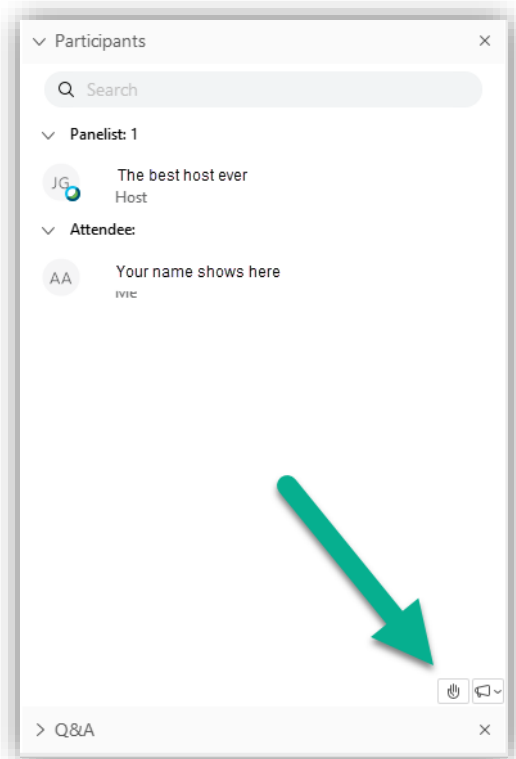

Ask A Question: Out Loud

1. Click the “Participants” button at the bottom of this screen:

2. Click the hand icon at the bottom right of your screen

If you called in on the phone, press *3 to raise your hand

Conclusion

Next Steps

- Continue exploring your data
- Work towards improving your data quality
- Download the Data Quality Quick Reference Guide
- Review webinar recordings
- Register for the next webinar (May 13)
- Booking 1-1 TA after next webinar
