Our circuit is covered by two CoCs, (Mid Florida Homeless Coalition and Marion County Homeless Coalitio)n. We have limited services/ housing opportunities for homeless youth. Many of the service providers cover all five counties of the circuit. Is it possible to apply for an YHDP grant jointly or should each CoC submit a proposal?

shayrazaire@alanmaddenfoundation.org

15:15:17 From Michael Collins to Everyone : Will the new NOFA contain advice, guidelines or best practices on how to complete an effective community planning process in a virtual community context that we are now doing so much of our work in.

15:15:48 From Susan Starrett to Everyone : @Shay - it will depend on what the YHDP NOFA outlines in terms of who can apply. In the past three rounds of YHDP, it has been each CoC applying for their own funds. A CoC may apply for a sub-set of its geography. But we have not seen yet in a YHDP NOFA where multiple CoCs could apply together/jointly.

15:16:49 From Lisa Brooks, COHHIO to Everyone : For a quick and concise training on “how to collaborate well with others” check out the podcast **Emancipation Nation Episode #10** =) it’s about 30mins long

15:17:24 From Susan Starrett to Everyone : @Michael - Typically that is not something that has been in the YHDP NOFA itself. The NOFA has outlined the requirements for the initial application and the requirements of the Coordinated Community Plan and the projects to be implemented with the YHDP funds. If you would like to see a past YHDP NOFA you can see the FY18 YHDP NOFA here:

15:24:53 From pamela.phillips-zell to Everyone : How does this play out when you are part of a Balance of State CoC comprising 6 counties?

15:25:11 From Susan Starrett to Everyone : A great resource on White Dominant Culture and Something Different (a worksheet) -
<https://www.cacgrants.org/assets/ce/Documents/2019/WhiteDominantCulture.pdf>

15:25:20 From Patti Lyman - she, her to Everyone : We had a YAB - but the virtual pandemic environment it fell apart. Any suggestions for keeping it together?

15:25:42 From Matt Aronson (he, him, his) to Everyone : And reach out for help building your capacity for youth and young adult partnership. Doing that right is critical to a successful YHDP process, and it's hard! Conducting training on adultism and respectful disagreement is a requisite, and hiring folks to facilitate the YAB and be an advocate with them in all meetings who have experience and legitimacy is a must.

15:25:56 From Regina Watson to Everyone : Same with Patti.

15:25:57 From Greg Williamson to Everyone : for connecting your YAB to related efforts in child welfare -- <https://www.familyfirstact.org/resources/acyf-cb-im-19-03-family-children-and-youth-voice-engagement-and-empowerment-continuous>

15:26:14 From Susan Starrett to Everyone : Would love to hear from others in the chat on Patti's question - AND there was a lengthy discussion about this during both of the Youth Collaboration webinars in December that are posted on the HUD Exchange

15:26:23 From Madeline Carrola to Everyone : Patti, Our YAB created a technology access program using funds raised during the Big Give to supply laptops/tablets/wifi, etc. We've actually seen an increase in meeting attendance while we've been virtual.

15:26:28 From Deroll Barrett to Everyone : Deroll Barrett - Youth Improvement Services providing services in Jackson, MS and Tampa Bay, FL

15:27:16 From Madeline Carrola to Everyone : Our YAB also has a GroupMe chat that they use to keep in touch with each other.

15:27:32 From Madeline Carrola to Everyone : Happy to discuss it further, if anyone is interested: madelinecarrola@sarahomeless.org

15:27:45 From Paul Vong to Everyone : Is input from a nationwide YAB looked down upon opposed to a local YAB?

15:27:46 From MADDUX to Everyone : Also being mindful of adultism when collaborating with youth and really not tokenizing and exploiting youth just to gain the YHDP

15:27:47 From Matt Aronson (he, him, his) to Everyone : Communities in MA transitioned to 100% virtual. It required a lot of coordination across a number of different channels (FB Messenger, WhatsApp, Instagram, etc.). Maine also went 100% virtual.

15:29:04 From Courtney Smith to Everyone : Should the YHDP lead be the lead agency of the YAB as well?

15:30:12 From Lauren Knott (she/her) to Everyone : The materials from today's webinar (recording, slides, and chat) will be available on the HUD Exchange in a few days. You can find materials related to the Youth Homelessness Demonstration Program here: <https://www.hudexchange.info/programs/yhdp/>

15:30:28 From Matt Aronson (he, him, his) to Everyone : In my experience there needs to be a really strong relationships between the lead agency/lead person and the YAB. They are often different organizations, but they need to work closely together - some communities have struggled with adversarial relationships simply because they were not close enough to understand one another well and share values

15:30:49 From Susan Starrett to Everyone : @Paul - If you are in a community that is awarded YHDP Funds, it is a requirement that a local YAB is established for the local context. With that said, national YAB's are great resources for the local YAB's to help think about policy, advocacy, national needs, etc.

15:31:51 From Paul Vong to Everyone : @susan - Thank you that helps and makes sense.

15:32:16 From Courtney Smith to Everyone : Thank you @Matt

15:32:30 From Mandy to Everyone : Mandy Lancaster - Program Manager of RHY Programs in NH. This CHAT though - wealth of information. THANK YOU!

15:33:11 From Lisa Brooks, COHHIO to Everyone : and Pre-K!! Head Start Programs and pre-K programs are great resources to have at the table when thinking about parenting & pregnant young people. Also Family Children First Councils and Legal Aide agencies

15:33:36 From Miyuki Sato to Everyone : Miyuki Sato-Program Manager of Youth PSH/YHDP, VOA Alaska in Anchorage, AK

15:33:42 From Susan Starrett to Everyone : Resource: engaging people with lived experience webinar: <https://www.hudexchange.info/trainings/courses/engaging-persons-with-lived-experience-of-homelessness-in-your-covid-19-response/>

Untapped Expertise: Strategies for Inclusive Stakeholder Engagement When Developing Your

Coordinated Investment Plan: <https://files.hudexchange.info/resources/documents/COVID-19-Homeless-System-Response-Untapped-Expertise-Strategies-for-Inclusive-Stakeholder-Engagement-When-Developing-Your-Coordinated-Investment-Plan.pdf>

15:35:43 From Susan Starrett to Everyone : @Courtney - I don't think there is one answer to your question. I think it depends on your local community, capacity, interest, etc. in doing the different pieces of the work. I would suggest really thinking about where power is currently held and if that keeps people out of your meetings, decisions, etc. Does it make sense to bring in a different partner so that power can be shared especially so that young people can share power!

15:38:16 From Susan Starrett to Everyone : Youth Collaboration 102 Webinar:
<https://www.hudexchange.info/trainings/courses/snaps-youth-collaboration-102-webinar/>

15:38:30 From Susan Starrett to Everyone : Youth Collaboration 201 Webinar:
<https://www.hudexchange.info/trainings/courses/snaps-youth-collaboration-201-webinar/>

15:39:13 From Susan Starrett to Everyone : The 201 Webinar has a lot of great resources on power sharing, YAB sustainability, and YAB governance best practices.

15:39:27 From Greg Williamson to Everyone : In WA, our YAB has done great things. We've also got many excellent projects working in meaningful youth engagement at other agencies and systems that haven't been fully connected to the YAB work yet (although we are working to connect them). I appreciate your suggestions about connections to other systems.

15:39:41 From Susan Starrett to Everyone : The 102 Webinar focuses on funding, recruitment and retention, undoing adultism, and leadership from within.

15:39:43 From LAgonzal to Everyone : Glad to be here!

15:45:22 From Andrew Gutierrez III (he/him/his) to Everyone : Great to hear there's a 102 Webinar! Looking forward to joining as well!

15:51:41 From Greg Williamson to Everyone : Our state agency (DCYF) just hired a Missing and Exploited Youth Program manager who works specifically with young people who have been affected by CSEC issues, and offers training about creating safety. I'm wondering if other states also are creating these types of supports?

15:52:43 From Patti Lyman - she, her to Everyone : Should staff be close in age with lived experience?

15:53:50 From Kendra to Everyone : Thank you for sharing your experience Eric it means a lot to your community and beyond.

15:54:24 From Kiana to Everyone : I think having majority staff be of Youth age or slightly older with lived experience is important particularly in youth programs and especially in YABs

15:54:54 From Patti Lyman - she, her to Everyone : Kiana - agreed

15:54:55 From Kiana to Everyone : The YAB im apart of (YALC) is all youth aged mainly 18-24 and occasionally with members 16-25

15:55:26 From Qariah L. (Essex County CoC) to Everyone : We are including ages up to 26.

15:56:11 From Andrew Gutierrez III (he/him/his) to Everyone : Where do we find information for the 102 Webinar that

15:56:30 From Andrew Gutierrez III (he/him/his) to Everyone : Is there another training coming up?

15:57:09 From Susan Starrett to Everyone : @Andrew - the Youth Collaboration 102 webinar was held in December. The recording and slides from that webinar are found here:
<https://www.hudexchange.info/trainings/courses/snaps-youth-collaboration-102-webinar/>

15:57:10 From Qariah L. (Essex County CoC) to Everyone : We recognized the age gap of 26-30 can be a little cloudy for some of our consumers

15:58:14 From Qariah L. (Essex County CoC) to Everyone : Our YAB president is holds our CoC consumer liaison chair on the E-Board

15:58:53 From Kiana to Everyone : I definitely think its important for those who have aged out of the youth category to still receive support so im glad to hear your org has covered them. BTW Qariah I was wondering if I could get the name of your YAB, I had sent a message but didnt know if it went through

15:59:22 From Kiana to Everyone : Thank you! Just came through now privately

16:01:30 From Susan Starrett to Everyone : If you are interested in reading any of the YHDP Coordinated Community Plans they are posted here:
<https://www.hudexchange.info/programs/yhdp/community-resources/#yhdp-coordinated-community-plans>

16:03:22 From James Bolas - CV Coalition on Youth Homelessness to Everyone : It's a reality that some communities have limited youth-specify services, but a prevalence of youth/TAY homelessness, so it makes sense considering the bio context of youth development, that there's a piece of adult shelter engagement that needs to happen for youth over 18 or over 21/22.

16:06:46 From Terrell Berry to Everyone : Do you know when the recording is going to be going out to folks? I have been missing pieces and parts of this webinar.

16:07:32 From Susan Starrett to Everyone : @Terrell - it should be posted by this time next week. It will be posted to the HUD Exchange here: <https://www.hudexchange.info/homelessness-assistance/resources-for-homeless-youth/resources-for-homeless-youth-service-providers/#planning-your-coordinated-community-approach>

16:07:46 From Megan to Everyone : I was also wondering if the chat was going to be copied somewhere for folks? There has been a lot of good information thrown out there

16:08:04 From Linda Xiong (she/her) to Everyone : You can download the chat by clicking on the three dots next to "File".

16:08:19 From Susan Starrett to Everyone : @Megan - yes we will post the chat on the same page linked above. And as Linda said you can also download it yourself at the end of the webinar today.

16:08:34 From Megan Bower to Everyone : Thanks so much!

16:09:33 From Matt Aronson (he, him, his) to Everyone : This is the hardest part about YHDP for most communities - shared ownership - but it is also the most rewarding. You need to talk about it, and model it, as early as possible and throughout the process. This is not the way folks are used to doing business, particularly sharing decision-making authority with YYA. This is critical to pay attention to for government partners.

16:09:34 From Karen Sieve to Everyone : thank you all for sharing so many great resources!

16:11:02 From Cbweinreb to Kathie Vida(Direct Message) : is there a way for me to get this recording when it is done?

16:12:04 From Kathie Vida to Cbweinreb(Direct Message) : Yes, the recording, PPT and chat will be on the HUD exchange hopefully by mid next week

16:12:34 From Cbweinreb to Kathie Vida(Direct Message) : Amazing. can I get the link for the hud exchange

16:14:20 From Kathie Vida to Cbweinreb(Direct Message) :
<https://www.hudexchange.info/homelessness-assistance/resources-for-homeless-youth/resources-for-homeless-youth-service-providers/#planning-your-coordinated-community-approach>

16:14:45 From Cbweinreb to Kathie Vida(Direct Message) : Thank you so much. I didn't realize it was est so I came late

16:14:49 From Cbweinreb to Kathie Vida(Direct Message) : I am really sorry

16:15:08 From Kathie Vida to Cbweinreb(Direct Message) : There are other links in the chat if you go back to the beginning that you might be interested in.

16:16:11 From Cbweinreb to Kathie Vida(Direct Message) : I probably would but because I'm late none of the previous chat is available for me

16:17:04 From Susan Starrett to Everyone : Please put any questions you have for our speakers today in the chat! We'll try to get through as many we have in the time remaining!

16:17:12 From Kathie Vida to Cbweinreb(Direct Message) : Let me see what I can find

16:17:21 From Heidi Young to Everyone : Thank you everyone!

16:17:36 From Qariah L. (Essex County CoC) to Everyone : Thank you all !

16:17:59 From Mike Smith TN-500 to Everyone : Thanks y'all!

16:18:31 From Lucille Boss (she, her, hers | ella) to Everyone : Thank you - really appreciated the examples from other communities

16:18:32 From Kathie Vida to Cbweinreb(Direct Message) : send me your email and I will copy the chat for you and email it to you,

16:18:53 From Amy McClane to Everyone : Is it possible to have the power point emailed to us and a notice for the next meeting?

16:19:27 From Cole Giannone (they/them) to Everyone : For communities that have existing YABs that are funded through their CoC, is it possible to use funds from an awarded YHDP planning grant to add to that financial support? Or, do you find that communities create a new funding stream specifically for activities related to the YHDP?

16:20:07 From Cbweinreb to Everyone : I second what Amy said

16:20:12 From Ta-Shara Carter to Everyone : Thank you everyone! Stay safe!

16:23:10 From James Bolas - CV Coalition on Youth Homelessness to Everyone : I know it's been mentioned that there hasn't been a protocol or process for multiple CoC's applying together in order to strengthen policy impact while maintaining regional specificity, but I'm wondering if you or someone can talk about the benefits or challenges to multi CoC collaboration.

16:24:31 From Lisa Brooks, COHHIO to Everyone : I second that question James!!

16:28:10 From Matt Aronson (he, him, his) to Everyone : CT had the same dynamic as VT (one almost balance of state and a second small CoC)

16:29:58 From Irma to Everyone : Is it true that HUD is not excepting new applications, and that the award is going to those who already have applied for NOFA?

16:30:20 From Susan Starrett to Everyone : @Irma - that is not my understanding.

16:31:09 From pamelaphillips-zell to Everyone : HUD Office Hours - YDHP NOFA will accept new applications.

16:31:21 From Matt Aronson (he, him, his) to Everyone : MA has a great state coalition with 10 regions and 3 YHDP communities. Happy to share with folks how that has gone :)

16:34:28 From Darryl Evey to Everyone : If 2 CoCs want to submit a collaborative proposal, should they each submit a proposal or should it be only from one of them?

16:43:15 From Lisa Goldsmith to Everyone : In western Mass., the two CoCs asked if we could apply together and were told no because the funding for a geographic area had to go through that CoC. Fortunately, both CoCs applied and were designated round 3 YHDP communities, so have done some planning and implementation work together.
