

Important Notes About This Data: This report is based on information provided to HUD by Continuums of Care (CoCs) in the fiscal year 2021 application for CoC Homeless Assistance Programs. HUD has conducted a limited data quality review but has not independently verified all of the information submitted by each CoC. The reader is therefore cautioned that since compliance with these standards may vary, the reliability and consistency of the Housing Inventory and Homeless Count data may also vary among CoCs. Additionally, a shift in the methodology a CoC uses to count the homeless may cause a change in homeless counts between reporting periods. For inquiries about data reported by a specific Continuum of Care, please contact that jurisdiction directly. CoC contact information can be found on the HUD Exchange website (<https://www.hudexchange.info/grantees/contacts/>).

2021 Point in Time Count Summarized by Household Type

Proportion of Households Served by Program Type

* Safe Haven programs are included in the Transitional Housing category.

**In 2021, HUD gave communities the option to cancel or modify the unsheltered survey portion of their counts based on the potential risk of COVID-19 transmission associated with conducting an in-person survey. As a result, HUD has excluded the unsheltered population sub-totals and all unsheltered sub-population data for this reporting period. The user is cautioned that the unsheltered and total homeless counts reported here may be missing data.

¹This category includes single adults, adult couples with no children, and groups of adults. ²This category includes households with one adult and at least one child under age 18.

³This category includes persons under age 18, including children in one-child households, adolescent parents and their children, adolescent siblings, or other household configurations composed only of children.
