

HUD 2025 Continuum of Care Homeless Assistance Programs Housing Inventory Count Report

Important Notes About This Data: This report is based on information provided to HUD by Continuums of Care in the 2025 Continuum of Care application and has not been independently verified by HUD. CoCs were instructed to collect data for a point-in-time during the last 10 days of January 2025. The data presented in this report are limited to beds available for occupancy on the night of the count (beds under development are excluded). For inquiries about data reported by a specific Continuum of Care, please contact that jurisdiction directly. CoC contact information can be found on the HUD Exchange web site (<https://www.hudexchange.info/grantees/>). In some cases, a community may have listed a program in the Housing Inventory Count but did not provide sufficient information/detail for HUD to understand the number of beds/units available and the target population served. Those programs have been removed for the purposes of this report.

CoC Number: NV-500

*HUD's point-in-time count does not include persons or beds in Permanent Supportive Housing as currently homeless.

**Other Permanent Housing (OPH) - consists of PH - Housing with Services (no disability required for entry) and PH - Housing Only, as identified in the 2024 HMIS Data Standards.

¹Family Units and Family Beds categories include units and beds for households with one adult and at least one child under age 18.

²Chronic Beds include beds in Permanent Supportive Housing dedicated to serve chronically homeless persons.

³Veteran Beds and Youth Beds, respectively, include beds dedicated to serve homeless veterans and their families, and include beds dedicated to housing homeless youth age 24 and younger.
