

HUD's 2005 Continuum of Care Homeless Assistance Programs Housing Activity Chart Report

Important Notes About This Data: This report is based on information provided to HUD by Continuums of Care in the 2005 Continuum of Care application and has not been independently verified by HUD. For inquiries about data reported by a specific Continuum of Care, please contact that jurisdiction directly. CoC contact information can be found on the HUD web site. In some cases, a community may have listed a program in the Housing Activity Chart but did not provide sufficient information/detail for HUD to understand the number of beds/units available and the target population served. Those programs have been removed for the purposes of this report.

State: Alaska

Summary of all beds reported, aggregated to the state level:
