Housing Inventory Count by Program Type

Homeless Population – Point-in-Time (PIT) Count*

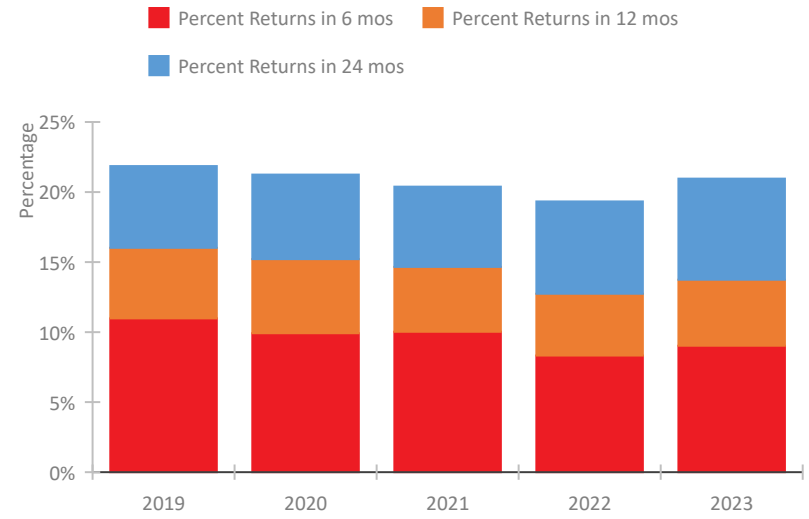

*In 2021, HUD gave communities the option to cancel or modify the unsheltered survey portion of their counts based on the potential risk of COVID-19 transmission associated with conducting an in-person survey. As a result, HUD has excluded the unsheltered population sub-totals and all unsheltered sub-population data for this reporting period. The user is cautioned that the unsheltered and total homeless counts reported here may be missing data.
