

HUD's 2011 Continuum of Care Homeless Assistance Programs Homeless Populations and Subpopulations

Important Notes About This Data: This report is based on point-in-time information provided to HUD by Continuums of Care (CoCs) in the 2011 application for CoC Homeless Assistance Programs. CoCs are required to provide an unduplicated count of homeless persons according to HUD standards (explained in HUD's two guides to Counting Sheltered and Unsheltered Homeless People at http://www.hudhre.info/documents/counting_unsheltered.pdf).

HUD has not independently verified the information. The reader is therefore cautioned that since compliance with these standards may vary, the reliability and consistency of the homeless counts may also vary among CoCs. Additionally, a shift in the methodology a CoC uses to count the homeless may cause a change in homeless counts between reporting periods.
