

HUD 2022 Continuum of Care Homeless Assistance Programs Homeless Populations and Subpopulations

Important Notes About This Data: This report is based on point-in-time information provided to HUD by Continuums of Care (CoCs) as part of their CoC Program application process, per the Notice of Funding Availability (NOFA) for the Fiscal Year 2022 Continuum of Care Program Competition. CoCs are required to provide an unduplicated count of homeless persons according to HUD standards (explained in HUD's annual HIC and PIT count notice and HUD's Point-in-Time Count Methodology Guide <https://www.hudexchange.info/hdx/guides/pit-hic/>). HUD has conducted a limited data quality review but has not independently verified all of the information submitted by each CoC. The reader is therefore cautioned that since compliance with these standards may vary, the reliability and consistency of the homeless counts may also vary among CoCs. Additionally, a shift in the methodology a CoC uses to count the homeless may cause a change in homeless counts between reporting periods.

MN-509 Duluth/St. Louis County CoC

Point-in Time Date: 1/26/2022

Summary by household type reported:
