## Narratives

### Areas of Greatest Need:

The Ohio Development Services Agency (ODSA) developed a need-based allocation of the Ohio Neighborhood Stabilization Program (NSP) award to local areas using a replication of the nation-to-state U.S. Department of Housing and Urban Development (HUD) formula. The HUD formula calculates states' allocations on the basis of foreclosures, subprime loans, loans in default and delinquent loans, all slightly modified with local vacancy rates in high-cost loan areas. Need-based allocation data that could be used in the allocation formula were purchased from First America Core Logic (FACL). The dataset contained a monthly inventory of total area loans, foreclosures, subprime loans, default and delinquent loans, as well as monthly counts of loan originations from January 2005 through July 2008. The data sets were provided by loan type (Alt-A, BC, Jumbo Prime and Conforming Prime) and zip code geography. Secondary needs data were compiled from HUD foreclosure risk indicators by Census block group, Home Mortgage Disclosure Act (HMDA) foreclosure data by county, and 2000 Census housing units by county, place, zip code, and block group. The count of 2000 Census housing units in Census block groups was used to geographically reconstitute zip code foreclosure data to counties and sub-county jurisdictions. United States Postal Service (USPS) vacancy estimates and high-cost loan areas from the HMDA data were used in the 10 percent constraining expression. The first task in arriving at a need-based allocation was to replicate the nation-to-state formula. Data points were derived from the above data sets for Ohio's 88 counties, 35 entitlement cities and those Ohio cities eligible to receive Ohio Small Cities Community Development Block Grant (CDBG) Community Development Program funds (jurisdictional level). The local area allocation factor was computed as the sum of the weighted products of the factors in parts (a) through (e) above. The initial allocation factors were adjusted to total 100% on a statewide basis.

### Distribution and Uses of Funds:

ODSA will allocate \$116,859,223 of Neighborhood Stabilization Program (NSP) funds as follows: Administrative Funds ODSA will allocate approximately 10 percent of the total allocation for administration, with approximately 60 percent of the NSP administrative dollars allocated to award recipients. Rental Reserve ODSA will award 25 percent of Ohio's NSP (\$29,214,900) allocation as a rental reserve through an Affordable Rental Housing Initiative. The Affordable Rental Housing Initiative will encourage the redevelopment of demolished, foreclosed or vacant structures into affordable rental housing serving households with incomes at or below 50 percent of the area median income and provide additional resources to both the Ohio NSP direct award recipients, where vacant rental properties are abundant, as well as in rural communities through a nonprofit organization or a public housing authority. Balance of Funds Eligible Applicants ODOD will compile a list of the 22 entitlement NSP direct recipients, 21 other entitlement cities and Ohio's counties and cities eligible to receive Ohio Small Cities CDBG Community Development Program funds and rank the jurisdictions in order of need based on the formula allocation outlined above. ODOD will determine, based on the ranking, if and how much additional funds should be allocated to direct NSP recipients by comparing the amount of funds awarded to the NSP direct recipients by HUD to the amount of

need determined by ODSA's need calculations. The amount of funds to be allocated to NSP direct recipients by ODOD will then be subtracted from the state of Ohio's balance of funds (\$116,859,223 minus administration minus rental reserve). The remaining funds (\$116,859,223 minus administration, minus rental reserve, minus direct NSP additional allocation) will be awarded to Ohio's other eligible jurisdictions, based on ODOD's need calculations, and above \$700,000, an amount selected to ensure impact at the local level. If the calculations determine that an eligible jurisdiction's need results in an amount less than \$700,000, ODSA will form collaborative regions based on geographic location and current working relationships. The jurisdictions combined into a region will be required to determine a lead unit of local government. The lead will be required to expend the Ohio NSP funds on eligible activities in the area(s) of greatest need in that region. If a region(s)/jurisdiction is not interested in participating in the Ohio NSP, the funds allocated to that region/jurisdiction will be reallocated to the other Ohio NSP eligible applicants. The Ohio NSP funds, except those awarded for the Affordable Rental Housing Initiative, will be awarded through an application process to assist persons/families with incomes at or below 120 percent of the area median income. Eligible applicants, including the lead in a region, will then be required to submit an application to express interest in participating in the program; indicate administrative capacity; and provide documentation that the Ohio NSP funds will be used in the areas of greatest need in the jurisdiction/region. The NSP formula application will be distributed to the interested, eligible applicants on or about January 15, 2009, with applications due on or about February 27, 2009, and awards will be made on or about April 1, 2009. ODSA reserves the right to recapture and reallocate Ohio NSP funds that are not used in a timely or appropriate manner. Eligible Activities The following activities will be eligible for funding: Residential Development establish financing mechanisms for purchase and redevelopment of foreclosed upon homes and residential properties, including such mechanisms as soft seconds, loan loss reserves, and share equity loans for low- and moderate-income homebuyers; purchase and rehabilitate homes and residential properties that have been abandoned or foreclosed upon, in order to sell, rent or redevelop

## Action Plan Comments:

- Reviewer - The updated activity information in the Action Plan is found to be acceptable with no further comments noted. - BLG 4/5/10 OK to approve - TB - 4/6/10
- Reviewer - Minor correction is acceptable. - BLG 4/15/10
- Reviewer - Action Plan is rejected so that grantee can ensure that activity budgets and budgets for the organization carrying out the activities are consistent. - BLG 7/2/10
- Reviewer - Grantee corrected the discrepancies between the activity budgets and the budgets for organizations carrying out the activities. Updated activity information is found to be acceptable. Grantee will be making changes as its subgrantees provided updated obligation information. These changes will take place after submission and review of the QPR. - BLG 7/14/10  
Concurrence with Reviewer's comments: RTH 7/15/10
- Reviewer - Plan reviewed by KD on 10/18/10. OK to approve - TB - 10/18/10.
- Reviewer - grantee updated activities and budgets to reflect program progress. changes found to be acceptable. - KJD 01.24.11
- Reviewer - Concurrence with Reviewer's comments and we recommend approval: RTH 1/24/11
- Reviewer - Grantee has revised Action Plan to include 'action item' updates. Grantee will continue to update Action Plan and provide additional data as it becomes available and for future reporting. Changes found to be acceptable. - KD 2.22.11
- Reviewer - Concurrence and Approval: RTH 2/23/11
- Reviewer - Grantee updated action plan to reflect progress. Changes acceptable. -KD 4.28.11
