Location Description:

Staff has identified the following neighborhoods and (census tracts) as the target areas to focus NSP funds: Sierra Lakes (27.01) Southridge (26.01, 26.02, 26.03) Citrus Heights (20.10, 23.03) Central Core (23.01, 23.02,25.02, 28.00, 29.01, 29.02, 30.00, 32.00, 34.01)

Activity Description:

This activity is for acquisition/rehabilitation/resale to low to moderate-income homebuyers as defined by NSP Notice. The tenure of beneficiaries is home ownership. The duration of assistance will last as long as title or ownership remains the same. Should there be an affordability gap, some portion of the City's original investment of acquisition and rehabilitation funds will remain in the property as a "silent second" (no monthly payments due) to be repaid upon change in title or status as owner-occupied housing. The property will have an affordability covenant recorded against it, for a period of 55 years. Continued affordability will be nesured thru an annual monitoring process. Initial acquisition will average 15% below a current appraised value. No interest will be charged. The sales price will be no greater than the total investment by the City (including acquisition, rehabilitation and associated program delivery costs.)
