Action Plan Comments:

Serino, Lori Review overall plan for compliance with 25% set aside. There must be funded activities equal to 25% of your grant. LS 3/3/10

Serino, Lori Modifications include: Purchase and Rehabilitation, 102 was reduced by \$332,694.58; Cedar Point 107 was increased by \$ 39,537.86; Cedar Point 108 was increased by \$6,391.74; Sand Dollar 112 was increased by \$124,496.86; Sand Dollar 113 was increased by \$82,997.90; Land Banking 202 was increased by \$68,632.90. Program Income received was decrease by \$10,637.32.

Serino, Lori Plan modification includes updates to the plan from previously approved substantial amendments: inclusion of 3 additional target areas, added a statement about low income targeting and acquisition and relocation, fixed some grammatical issues, etc., updates to funding sources (removing CDBG-R funding in the Sand Dollar project), updates to the performance measures for several activities, and increasing the budget in the redevelopment activity to allow for the construction of a housing unit on an NSP land banked property. Let me know if you want to have a call to discuss. My only timeline here is that we need to get the Action Plan approved before we can submit the Quarterly Report on the 30th. I'm working on the narrative for the quarterly report so we will be ready to go on it after Action Plan approval. Thanks so much. Hope you are doing well.
