#### **Narratives**

#### **Areas of Greatest Need:**

This Action Plan will be used by the Texas Department of Housing and Community Affairs (TDHCA) to distribute and use \$91,323,273.28 through the Neighborhood Stabilization Program (NSP), which the U.S. Department of Housing and Urban Development (HUD) is providing to the State of Texas. The NSP funds were authorized by the Housing and Economic Recovery Act of 2008 (HERA) as an adjunct to the Community Development Block Grant (CDBG) Program for the redevelopment of abandoned and foreclosed homes and residential properties. Texas NSP funding is available to eligible entities operating in counties meeting the threshold of greatest need. A multi-level approach will be used in the distribution of funds to communities. The first level, Direct Allocation, is a reservation of a specified amount available to eligible entities in 25 counties identified as having the highest order of significant need. The second level, Select Pool, is an initial competitive allocation of not less than \$500,000, available to entities in up to 76 additional counties which have also been identified as demonstrating significant need. In addition, a separate pool of Texas NSP funds is available for land banking activities.

#### **Distribution and and Uses of Funds:**

NSP single-family and multifamily activities will include the establishment of financing mechanisms for purchase and redevelopment of foreclosed homes and residential properties, purchase and rehabilitation of homes and residential properties that have been abandoned or foreclosed, establishment of land bank/trusts, removal of blight, and the redevelopment of demolished or vacant properties. Households directly assisted with NSP funds must income qualify and be at or below 120% of the Area Median Income (AMI), as defined by HUD.

The following counties have been identified as having the greatest need (in order of need score): Tarrant Dallas Cameron Bexar Hidalgo Harris Nueces Collin Webb Travis Montgomery El Paso Brazoria Potter Jefferson Denton Taylor Williamson Bell Lubbock Galveston Wichita Fort Bend Ector McLennan Gregg Tom Green Grayson Brazos Victoria Orange Bowie Harrison Midland Smith Comal Hays Ellis Johnson Kaufman Parker Bastrop Hood Liberty Hunt Henderson Rockwall Wise Hill Burnet Navarro Guadalupe Randall Angelina Wood Matagorda Lamar San Patricio Atascosa Milam Maverick Jim Wells Eastland Van Zandt Kleberg Grimes Hale Palo Pinto Nacogdoches Hopkins Kendall Coryell Cooke Kerr Medina Aransas Caldwell Wilson Gonzales Waller Anderson Val Verde Montague Llano Washington Fannin Walker Upshur Brown Cherokee Jackson Austin Starr Wharton Polk Gillespie Jasper Leon Willacy Erath Howard.

On January 30, 2009, the HUD accepted a Substantial Amendment to the Action Plan for FFY 2008 submitted by the State of Texas. The Action Plan is the annual update to the Consolidated Plan for FFY 2005 through 2009. The amendment outlined the expected distribution and use of \$101,996,848 through the newly-authorized NSP. The NSP funds were authorized by the Housing and Economic Recovery Act of 2008 as an adjunct to the CDBG Program.

On February 25, 2010, the Department updated the Substantial Amendment with an adjusted budget to reflect the funds actually awarded to NSP Subrecipients.

On April 25, 2019, the Department updated the Substantial Amendment to align the regulatory requirements adopted with the original Substantial Amendment, with those of current and potential future Applicants for NSP1 program income. The Department has been contacted by potential Applicants that would like to use NSP funds, but the HOME regulatory requirements adopted by the Texas NSP for rental developments are not able to be easily combined with other sources of the proposed Development's funding, including but not limited to Historic Tax Credits and HUD COC Leasing funds. Texas will now allow a Master Tenant/Subrecipient (as identified in other funding source) to provide the affordable rents to the tenant, provide all required notices to the tenant, and will be responsible for income qualification instead of the Owner as described under 24 CFR §92.252(f). Furthermore, a Master Tenant/Subrecipient will execute the lease with the NSP household or there will be a triparty lease, as applicable, instead of a lease between the NSP tenant and the Owner as described 24 CFR §92.253. The Master Tenant/Subrecipient may also be responsible, as described in the contract with the state, for complying with affirmative marketing requirements, following the written tenant selection criteria for units where they are leasing to the NSP household, and following all other requirements under 24 CFR §92.253, otherwise attribu

table to the Owner. For these Developments, to ensure that the state can enforce its requirements against all parties, the state will have a triparty contract with the Master Tenant/Subrecipient (as applicable), in addition to its land use restriction agreement.

### **Activity Description:**

Grim Hotel Apartments is a redevelopment of a historic hotel at 301 North State Line, Texarkana, in Bowie County, Texas. Grim Hotel was constructed in the 1920s and operated as a hotel until the 1990s, after which it became vacant and began to decline. The development has a total of 93 tax credit units, of which 25 are NSP-funded. All units will be restricted to 60% of AMI/High HOME limits.

Of the 25 NSP-funded units 7 will be restricted to 50% of AMI/Low HOME limits. The owner, Texarkana Grim Housing Partners, LP, plans to utilize 25 project-based vouchers from the Housing Authority of Texarkana for non-NSP units as a result of the Department's subsidy layering analysis. The development will serve the general population and the site conforms to current zoning requirements.
