## Plan Description:

In Brevard County, the target areas for the Neighborhood Stabilization Program (NSP) were developed pursuant to the Housing and Economic Recovery Act of 2008 as outlined below: Greatest percentage of home foreclosures; Highest percentage of homes financed by a subprime mortgage related loan; and Areas identified as most likely to face a significant rise in the rate of home foreclosures. Based upon the NSP established criteria Brevard County will target all of the unincorporated communities of Brevard County and all of the incorporated communities who have: (1) signed the Urban County Agreement with Brevard County, (2) have foreclosure risk scores of 9 or higher, and (3) have not received NSP funding from the Department of Housing and Urban Development or the Florida Department of Community Affairs. Brevard County utilized NSP data from Department of Housing and Urban Developments User Website ([www.huduser.org/publications/commdevl/nsp.html](http://www.huduser.org/publications/commdevl/nsp.html)) to determine areas for targeting under this program. Data from this website was reviewed, and areas that scored according to the following criteria were chosen: 1. Estimated foreclosure risk score of 9 or higher, 2. Highest percentage of subprime mortgages as determined by Federal Reserve Home Mortgage Disclosure Act (HMDA) data, and 3. Highest percentage of predicted eighteen month underlying problem foreclosure rate. NSP Priority Areas, with 10 & 9 Foreclosure Risk Score: (1) Unincorporated Communities of Brevard County & Tracts Mims Tracts 601, 602, 603, 604 Port St. John - Tracts 621.02, 621.04, 621.05 Sharpes Tracts 621.02 West Cocoa Tracts 624, 625, 626 Central Merritt Island Tracts 692, 695, 696, 697, 698.02, 698.01, 699.02 Other unincorporated mainland enclaves Tracts 605, 611, 646, 650.01, 652.33, 652.34, 650.01 Other unincorporated barrier island enclaves Tracts 664, 668, 669 (2) Incorporated Communities of Brevard County & Tracts who have signed Urban/County Agreement. City of Rockledge - Tracts 628, 629 City of Cocoa Beach - Tracts 684, 685 City of West Melbourne - Tract 650.01 City of Satellite Beach - Tracts 667, 668 City of Indian Harbor Beach - Tracts 664

## Recovery Needs:

Brevard Countys Housing and Human Services Department plans to purchase 61 single family and or multifamily foreclosed units in areas of greatest need as described in A. It is anticipated the 42 of the units will be utilized for rental or sale to families at or below 120% of AMI with a minimum of 25% serving families at or below 50% of AMI, fourteen of the units will be demolished, and five will be redeveloped.

Brevard Countys Housing and Human Services Department will work with lenders and lists of foreclosures provided by the clerk of courts to acquire homes that have been foreclosed, vacant for at least ninety (90) days, and are on the lenders or investors current inventory. Once foreclosed properties have been identified in the target areas, the County will negotiate with the lender(s) to obtain the maximum reasonable discount (not less than 15%) for use in the program.

The County will develop a list of approved partners via the Request for Proposal process and will obtain a list of negotiated available lender owned properties. Qualified Housing Partners will be provided listings of the available properties in the targeted areas identified by the County. The County will provide funding at 0% interest for approved Housing Partners to acquire the properties. The County will also provide funding for the rehabilitation of

the property at 0% interest for one year, if sold to an eligible homebuyer after rehabilitation (see Rehabilitation Activity). The County will limit the number of properties that the Housing Partners can obtain based upon their capacity. The County will notify approved Housing Partners of the homes to be acquired.

Single family and multifamily housing units assisted under this activity will have a recorded mortgage and Land Use Restriction Agreement (LURA) on the properties.

For single family homes that are acquired and subsequently sold, the County may leave a portion of the NSP acquisition funds behind in the form of a soft-second, 0% deferred payment loan to the income eligible household. The amount of assistance that will remain as a deferred payment loan will be tiered according to income and need. As long as the borrower/owner maintains the property as their principal homestead residence and maintains the terms/conditions of the second mortgage during the period of affordability, the loan will remain deferred until the expiration of the lien.

Program income received from the sale or rental of assisted units will be recycled for eligible NSP activities.

The County will allow for and pay for development fees that are fair and reasonable as part of the acquisition and rehabilitation process. Development fees and other soft/project related costs associated with the acquisition and rehabilitation shall be considered Program Delivery costs and will be charged to the individual projects assisted.

No profit may be earned on the sale or rental of any property acquired or rehabilitated through the use of NSP funds.

## Overall Progress Narrative:

The Brevard County Housing and Human Services Department continues to move forward in its efforts to accomplish the activities identified under the Neighborhood Stabilization Program (NSP). The Department conducted a Request for Proposal process to solicit qualified agencies to carry out tasks specific to NSP (i.e., acquisition, rehabilitation, resale, and/or rental activities). Interested agencies submitted applications on September 18, 2009, which were reviewed for completeness by Department staff. A Selection Committee comprised of some members of the Community Development Block Grant (CDBG) Advisory Board and the Brevard County Affordable housing Council (AHC) was convened, received training regarding NSP and the RFP, and met to evaluate the applications on October 26, 2009. The Selection Committee met again on November 10, 2009 to finalize their recommendations to the Brevard County Board of County Commissioners. The recommended agency list was posted and one agency protested the recommendation of the Selection Committee.

A Protest Committee met on December 16, 2009, during which the protest was heard. Committee members asked questions, evaluated the merits of the protest, and determined that there was some validity to one item of the protest. The Protest Committee directed Department staff to present the Board of County Commissioners two options regarding the selection of the contractor list associated with NSP; one contractor list without the protesting agency and one contractor list with the protesting agency added. Department staff is recommending the Board of County Commissioners adopt the contractor list which includes the protesting agency. This request is going to the Board of County Commissioners on January 26, 2010, and will allow the Department to enter into contractors and begin acquisition activities.
