Areas of Greatest Need:

Areas of Greatest Need: City of Fort Worth (CFW) will use the NSP funds for the purposes intended—to promote neighborhood stabilization where subprime lending has occurred and where foreclosure and housing vacancies have negatively affected the housing market. To ensure that a greater impact is made in the neighborhoods that have been categorized as areas of greatest need and those that are categorized as at-risk, the CFW chose the ZIP code boundary as a method to select areas where the highest number and concentration of foreclosures occurred during a one year period. Although the city in its entirety was impacted by the foreclosure crisis, the CFW's program will focus on providing assistance to the homes in neighborhoods located in the following ZIP codes: 76123, 76133, 76112, and the homes in neighborhoods located within the city limits of Fort Worth in ZIP codes 76179, 76131, 76137 and 76248. The following is a summary of amendments completed on the Action Plan: Amendment #1 October 2009 - This amendment corrected input errors on action plan description and updated the 2008 income limits to 2009. Amendment #2 March 2010 - This amendment corrected the budget and activity line item amounts submitted in the application revision requested by HUD. Amendment #3 September 2010 - This amendment is to deobligate from DPAP LH25 and LMMI so that the funds can be reallocated to Beaty LH25. Amendment #4 April 2011 - This amendment will correct two LH25 clients who received services under their City's LMMI Down Payment Assistance Program. Per the direction of the DRGR Help Desk (i.e. Murray Blank), these clients must be reported under LH25. The city needed to complete a budget amendment by decreasing LMMI by \$48,595.00 and adding that amount to the LH25 budget. Amendment #5 June 2011 - This amendment transfers the remaining balance of \$4,700.18 from NSP LMMI (323-02) to NSP ADMIN (323-01). It completes the LMMI activity and allows the City to draw the admin expenses for April and May 2011 - given that the City previously had deobligated too much ADMIN money. Amendment #6 July 2011 - This amendment transfers \$52,050 from LMMI (323-02) to LH25 (323-03) to correctly classify two recipients' categories. Amendment #7 April, 2012 - This amendment allocated \$25,000 in Program Income received to the NSP ADMIN activity (323-01). Amendment #8 February, 2013 - This amendment reallocated Amendment #7 to Beaty and NSP Admin and an additional \$25,000 was allo

Distribution and and Uses of Funds:

Distribution and Use of Funds: To address greatest needs, the City of Fort Worth (CFW) proposes to provide a down payment assistance program that will offer eligible buyers the opportunity to purchase lender-foreclosed properties. This activity is eligible under the Housing and Economic Recovery Act ("HERA") Section 2301(c)(3)(A) i.e. financing mechanisms. The CFW will set aside no less than twenty percent (25%) of the NSP funds to address the needs of persons at or below fifty percent (50%) of area median income. This will meet HUD's requirement to serve populations that are < 50 percent of area median income. The 2009 income guidelines for the CFW's NSP program will be as follows: Household Size Maximum Household Income 1 \$55,450 2 \$63,350 3 \$71,300 4 \$79,200 5 \$85,550 6 \$91,850 7 \$98,200 8 \$104,550

Definitions and Descriptions:

CFW Definitions and Descriptions: The city is not proposing projects that involve affordable rents and is providing the definition as required by the submitted application. Activity Description:

This project is for the purchase and rehabilitation under eligible use "B". The Beaty Street Apartments project will consist of the acquisition of 73-units of foreclosed housing and related acquisition soft-costs. Tarrant County Housing Partnership (TCHP), the developer, has applied to the Texas Department of Housing and Community Affairs (TDHCA) for a grant of State NSP funds for the re-configuration of units to sixty-six 1,2, and 4 bedroom units consistent with local market demand and for the subsequent rehabilitation of the property. All units will be affordable for households earning less than fifty percent (50%) of the Area Median Family Income (AMFI). The City's funds will be in the form of a subordinate forgivable loan. The zip code area where the project is located is impacted by high foreflosure and subprime lending and designated in the City's Substantial Amendment.

Activity Description:

Down Payment Assistance Program Under the HERA, Section 2301(c)(3)(1) the CFW will establish financing mechanism for the purchase and redevelopment of foreclosed homes and residential properties for low-and-moderate income homebuyers through its proposed NSP Down Payment Assistance Program (DPAP). DPAP will be administered much like the CFW's current and successful Homebuyer Assistance Program (HAP). That is, the City will accept applications from any of its approved lender partners upon the lender's commitment of funds to the applicant. The City will verify eligibility of the applicant and the property. The City will conduct an inspection of the property prior to funding its commitment of NSP DPAP funds. The City will disburse NSP funds to the title company for simultaneous closing and funding of the home purchase loan.
