Activity Description:

Structures will be identified in target neighborhoods of greatest need and will be single-family properties having a negative impact on neighborhood stability. Properties will be acquired at a minimum 1% discounted rate from the fair market value. Properties will be purchased from lenders and HUD. Acquired properties will be assessed to determine if rehabilitation funding is needed to bring homes up to Michigan Residential Code. The Genesee County Home Improvement Program will be the responsible organization for bidding and overseeing rehabilitation work. After rehabilitation properties will be suitable to be resold, through an eligible realtor, redeveloped or rented. Properties will be marketed to those households at or below 50% of area median income for purchase, rental or lease-to-purchase situations. Households interested in purchase must qualify for financing through a conventional, FHA, VA or Rural Development mortgage and must attend at least eight hours of homeownership counseling. Downpayment assistance will be provided to NSP eligible recipients throughout the Genesee County target areas. Up to \$8,000 of downpayment assistance will be provided.

Location Description:

Target areas of greatest need in Genesee County, outside the City of Flint.
