March 18, 2015 The City of Phoenix has prepared this Action Plan to make adjustments to our NSP1 program based on program progress. Through this Action Plan we made the following changes: Adjusted the allocation of dollars based on program progress to date and market changes; Allocated program income received to date; Made corrections as requested by HUD field rep to reported data; Closed activities where work has been completed and all funds were spent or moved.

October 2, 2014 The city of Phoenix has prepared a Substantial Amendment to our NSP1 Action Plan to make adjustments to our NSP1 program based on program progress. The City will also amend the HUD 2014-2015 Action Plan to reflect the proposed changes. The Substantial Amendment was posted for Public Comment as required by our Citizen Participation Plan and approved by the Phoenix City Council on October 1, 2014. Through this Substantial Amendment we made the following changes: 1. increase budgets where projections indicate expenses will exceed the current budget and decrease budgets in activities that have been completed and had surplus funds 2. create single family housing activities that serve households at 50 percent AMI or below 3. plan and budget for future infill activities in NSP target areas In regards to areas of greatest need, reuse and redevelopment of properties purchased will be carried out pursuant to the alternative requirements for land banking and with a re-use that is consistent with community development strategies and plans. Redevelopment activities will be undertaken in support of neighborhood stabilization efforts.

Housing Rehabilitation Standards: NSP Rehabilitation Standards as described in Section C(4) (Definitions and Descriptions) of the 2008 NSP Substantial Amendment have been amended for clarification purposes. The following standards will supersede those submitted in the NSP Substantial Amendment dated November 27, 2008.

AFFORDABLE RENTS

The City of Phoenix Neighborhood Stabilization Program will comply with the HOME Investment Partnership Program Final Rule at 24 CFR 92.252 for the purpose of establishing the rents for 50% and 60% of area median income households.

HUD provides the HOME rent limits which include average occupancy per unit and adjusted income assumptions. The City of Phoenix has established HOME rents for the Phoenix jurisdiction which are 17 percent lower than the HUD limits. The City of Phoenix Neighborhood Stabilization Program will include both rent schedules and has the administrative authority to make a decision as to which rent schedule it will utilize on a project-by-project basis.

Bedroom Size 1 BR / 2 BR / 3 BR / 4 BR
HUD Low HOME Rents \$601 / \$722 / \$834 /\$931
HUD High HOME Rents \$715 / \$862 / \$1052 /\$1154
Phoenix Low HOME Rents \$552 / \$646 / \$687 / \$751
Phoenix High HOME Rents \$588 / \$696 / \$762 / \$855

Income Limits:
Household Size 1 / 2 / 3 / 4 / 5 / 6 / 7 / 8
50%AMI \$22,450 / \$25,700 / \$28,900 / \$32,100 / \$34,650 / \$37,250 / \$39,800 / \$42,350

The City of Phoenix Neighborhood Stabilization Program will also establish a tier of rents based upon 100% of area median income households. This will provide for greater flexibility in meeting the rental housing needs of Phoenix households.

Maximum allowable rents (including utilities) will be established at the most current market rents for the Phoenix area but will not exceed 30% of the annual income of a family whose income equals 100% of the area median income, based upon 2 persons per bedroom.

Bedroom Size 1 BR / 2 BR / 3 BR / 4 BR

At least 25% of the NSP funds will be used for housing individuals and families whose incomes do not exceed 50% of area median income (AMI).

Of the \$ 9,869,524, the City of Phoenix will utilize an estimated \$6,500,000 to purchase and rehabilitate foreclosed apartment complexes for inclusion in its affordable rental units portfolio. Additionally, the City will use approximately \$4 million to assist non-profit and/or for-profit developers who submit a successful application to acquire and rehabilitate a foreclosed multi-family rental consistent with the Housing Department City Council-approved underwriting guidelines, and who agree that at least 51% of the units (LMMI Units) will be occupied by families at or below 120% AMI at affordable rents. As a subset of the LMMI Units, the number of units set aside for and affordable to families at or below 50% AMI will be in proportion to the amount of NSP funds used to acquire and rehabilitate the multi-family project. The City will promote a mixed-income approach in all multi-family complexes using NSP dollars, so as to be consistent with the Housing Department's Dispersion Policy which discourages development that may concentrate poverty in any one area of the City. Finally, the City will seek opportunities to work with Continuum of Care Partners who identify foreclosed properties that can help them meet their mission.

October 2, 2014:

The purpose of the NSP grants is to address abandoned foreclosed properties through acquisition, rehabilitation, demolition, and redevelopment activities. The proposed substantial amendments will enhance continuity and consistency in the NSP program and facilitate program implementation and reporting.

Copies of the draft Substantial Amendments were available for review Friday, August 22, 2014 to Monday, September 22, 2014 at the Neighborhood Services Department, 200 W. Washington St., fourth floor, Phoenix, and on the City website at <https://www.phoenix.gov/nsdsite/Pages/Funding-Reporting.aspx>.

In response to the request for public comment, one comment was received regarding this Substantial Amendment and Substantial Amendments post concurrently for NSP2 and NSP3. The comment noted that there were no references in the documents for the creation of housing for people with disabilities.

Staff responded with information regarding the use of Universal Design and the allocation of dedication of units in multi-family projects. In addition, on a case-by-case basis, where more accommodations are needed, the program has provided wheelchair ramps, wider doorways, ADA Height toilets and altered floor plans to accommodate a Hoyer lift and other equipment/ accessible accommodations at the sale of the property at buyer's request with funding approval.

Further, City staff has addressed the concerns of accessibility in housing in several ways since the beginning of the programs. These amendments have reallocated funding from completed projects to other projects and or eligible uses. We assured this member of the public that the City will continue to consider accessibility in design and at sale of properties going forward.

November 2012:

Project and activity budgets were revised to reflect the addition of program income or the reallocation of activity funds where there was an unused balance of funds and a need in another activity. The City Consolidated Plan Public Participation Plan requires that a Substantial Amendment be prepared, including seeking public comment, when any single or collective change in the planned or actual use of NSP1 or NSP2 funds exceeds 20 percent of the grant award.

This action plan reflects changes of \$1.2 million which is three percent of the grant and reflects the allocation of program income.

Overall Progress Narrative:

NSP1 has successfully met and exceeded program goals, is working towards closing out contracts with partners, and continues preparing program file documentation for audit readiness and closeout. Phoenix has drawn \$55,469,040 or 40.51 percent over the original allocation of \$39,478,096, including program income generated by the resale of Move in Ready homes and sale of the South Phoenix Village Single-Family Infill Redevelopment homes.

NSP1 funds have rehabbed and resold 104 homes through the Move In Ready program, 2 single family homes were rehabbed through the Home Improvement program, and 507 multifamily apartment units to date, turning previously vacant or foreclosed houses and rental units back into homes.

In the single-family Move In Ready program, 0 units were acquired, rehabbed and resold to NSP eligible homebuyers this quarter. Program to date, 134 units have been acquired, 104 units have been rehabbed and resold to eligible buyers in NSP1, 28 were rehabbed and resold to eligible buyers in NSP2 and 2 were rehabbed and resold to eligible buyers in NSP3. In the single-family Home Improvement program, 0 units were rehabbed this quarter. Program to date, 2 units have been rehabbed that were purchased by NSP eligible homebuyers.

In the multifamily project, 0 units were acquired, rehabbed or leased this quarter. Program to date, 507 units have been acquired, rehabbed and leased to eligible tenants.

In the single-family Demolition activity, 0 units were acquired and demolished this quarter. Program to date, 17 properties were acquired (68 units total) and demolished.

FSL Real Estate Services successfully completed the South Phoenix Village Infill Redevelopment project when the last home sold in March 2021. The single-family infill redevelopment project highlights include the construction of 126 energy efficient homes, the sale of all homes to eligible buyers, provided \$15,000 in homeownership assistance, and the project generated over \$25.79M in total gross sale proceeds of which \$9.5M was from NSP1 funded infill homes.

Activity Description:

The City provided homeownership assistance with rehabilitation in the form of subordinate mortgages, or soft

second loans, to assist homebuyers to purchase and occupy foreclosed or abandoned single family homes in Tier 1, Tier 2 and Tier 3 areas of greatest need which require no rehabilitation to meet lender requirements and or City housing standards, as described in the Action Plan. The down payment assistance will be provided as a 45 year, no interest loan due on sale once the homeowner ceases to occupy the property or at the end of the 45 year period.

Performance measures will be reported in NSP1-DPA and NSP1-DPA-LH25.

Location Description:

The City of Phoenix has established areas of greatest need pursuant to Section 2301 (b)(4)(2) of the Housing and Economic Recovery Act (HERA) of 2008, with priority emphasis given to the factors described in this report: 1) Areas in Phoenix having the greatest percentages of home foreclosures; 2) Areas in Phoenix with the highest percentage of homes financed by a subprime mortgage related loan; and 3) Areas in Phoenix likely to face a significant rise in the rate of home foreclosures. These areas have been broken down using a three tiered approach associated with three distinct goals or objectives. These goals are related to tiers, which contain specific activities to be performed within the NSP1 Target Areas as follows: Tier 1, citywide; Tier 2, zip codes 85015, 85023, 85024, 85053, 85339, and or within City approved, strategic revitalization areas, designated as the Neighborhood Investment Areas of Isaac, Garfield, South Phoenix Village, and Village Center; and Tier 3, zip codes 85006, 85008, 85009, 85017, 85019, 85021, 85027, 85029, 85031, 85032, 85033, 85034, 85035, 85037, 85040, 85041, 85042, 85043, 85051, 85307, 85353, and or within City approved, strategic revitalization areas, designated as the Neighborhood Investment Areas of Isaac, Garfield, South Phoenix Village, and Village Center. As discussed further in the City of Phoenix NSP Substantial Amendment, the NSP strategy to use and distribute funds to areas of greatest need will respond to large areas of the city with significant foreclosure rates and widespread foreclosure risk factors by developing this three tiered approach that is consistent with the Community Development goals of the Consolidated Plan. The Homeownership Assistance Program will be targeted in Tier 1, Tier 2 and Tier 3 areas of greatest need.

Activity Progress Narrative:

There was no activity this quarter. Program income was received from recapture on the resale of a NSP-assisted property.

Activity Description:

The City or contracted intermediaries (for profits and or nonprofits procured as contractors or performing under subrecipient agreements) will purchase foreclosed or abandoned homes and rehabilitate them in keeping with City standards described elsewhere in the NSP Action Plan. Homes may be purchased individually or at bulk sale. Purchase prices will be at least 1% below current appraised value. NSP funds will also pay for allowable rehab costs. This activity will be focused on areas of greatest need so as to produce tangible evidence of neighborhood improvement and to entice homebuyers to purchase newly rehabbed homes. Upon the completion of rehabilitation, homes will be sold to FHA creditworthy borrowers with incomes at or below 120%AMI. Given current area home prices, it is expected that some buyers below 80% of area median income could also be served. Sales to homebuyer will be at a price equal to or less than the cost to acquire and rehabilitate or redevelop the property, including related activity delivery costs and a reasonable developer fee, unless the intermediary is a subrecipient, in which case they may recover their direct costs.

LMMI purchasers who agree to occupy the property as their primary residence may qualify for Direct Homeownership Assistance. Direct homeownership assistance will be in the form of subordinate mortgages, or soft second loan, to assist homebuyers to purchase and occupy newly rehabilitated, foreclosed or abandoned single family homes in the above Tier 2 and Tier 3 areas of greatest need. This soft second loan will be a 15 year, no interest, deferred loan, with 1/15 of the loan forgiven each year (\$15,000 assistance, \$1,000 forgiven each year for 15 years). Should the homebuyer sell their home, refinance or cash out, or are found to be no longer occupying the home as their primary residence prior to the 15 year period, the balance of the loan shall be recaptured by the City at that time. The City will ensure continued affordability of assisted units by adopting, at a minimum, the HOME program standard: Per unit NSP Assistance Minimum Affordability Period <= \$15,000, 5 years; \$15,001 - \$40,000, 10 years; >\$40,000, 15 years.

Performance measures reported in NSP3R-FSL, NSP3R-NFWSC and NSP3R-NHS.

Location Description:

The City of Phoenix has established areas of greatest need pursuant to Section 2301 (b)(4)(2) of the Housing and Economic Recovery Act (HERA) of 2008, with priority emphasis given to the factors described in this report: 1) Areas in Phoenix having the greatest percentages of home foreclosures; 2) Areas in Phoenix with the highest percentage of homes financed by a subprime mortgage related loan; and 3) Areas in Phoenix likely to face a significant rise in the rate of home foreclosures.

These areas have been broken down using a three tiered approach associated with three distinct goals or objectives. These goals are related to tiers, which contain specific activities to be performed within the NSP1 Target Areas as follows: Tier 1, citywide; Tier 2, zip codes 85015, 85023, 85024, 85053, 85339, and or within City approved, strategic revitalization areas, designated as the Neighborhood Investment Areas of Isaac, Garfield, South Phoenix Village, and Village Center; and Tier 3, zip codes 85006, 85008, 85009, 85017, 85019, 85021, 85027, 85029, 85031, 85032, 85033, 85034, 85035, 85037, 85040, 85041, 85042, 85043, 85051, 85307, 85353, and or within City approved, strategic revitalization areas, designated as the Neighborhood Investment Areas of Isaac, Garfield, South Phoenix Village, and Village Center.

As discussed further in the City of Phoenix NSP Substantial Amendment, the NSP strategy to use and distribute funds to areas of greatest need will respond to large areas of the city with significant foreclosure rates and widespread foreclosure risk factors by developing this three tiered approach that is consistent with the Community Development goals of the Consolidated Plan.

The Move In Ready Program (or Homeownership Assistance with Rehabilitation) will be targeted in Tier 2 and Tier 3 areas of greatest need.

Activity Progress Narrative:

There was no activity this quarter. Program income was received from recapture on the resale of a NSP-assisted property.

Activity Description:

The City or contracted intermediaries (for profits and or nonprofits procured as contractors or performing under subrecipient agreements) will purchase foreclosed or abandoned homes and rehabilitate them in keeping with City standards described elsewhere in the NSP Action Plan. Homes may be purchased individually or at bulk sale. Purchase prices will be at least 1% below current appraised value. NSP funds will also pay for allowable rehab costs. This activity will be focused on areas of greatest need so as to produce tangible evidence of neighborhood improvement and to entice homebuyers to purchase newly rehabbed homes. Upon the completion of rehabilitation, homes will be sold to FHA creditworthy borrowers with incomes at or below 120%AMI. The City of Phoenix has purchased foreclosed or abandoned properties for the purpose of demolition and land banking within City approved, strategic revitalization areas, designated as the Neighborhood Investment Areas of Isaac, Garfield, South Phoenix Village, and Village Center. Properties have been acquired, demolished, and the vacant land or property land banked, addressing the most critical blighting properties within these Neighborhood Investment Areas (NIA) where the city has a long term commitment to neighborhood revitalization. The NIAs are city adopted areas targeted for concentrated and comprehensive focus of resources to address social, economic and physical needs and revitalize targeted neighborhoods. The primary end use will be to reuse and redevelop these vacant properties into single family residential housing for a LMMI beneficiary. Reuse and redevelopment activities of these vacant properties will be carried out pursuant to the alternative requirements for land banking and with the reuse that consistent with community development strategies and plans and will be undertaken in support of neighborhood stabilization efforts.

Location Description:

The City of Phoenix has established areas of greatest need pursuant to Section 2301 (b)(4)(2) of the Housing and Economic Recovery Act (HERA) of 2008, with priority emphasis given to the factors described in this report: 1) Areas in Phoenix having the greatest percentages of home foreclosures; 2) Areas in Phoenix with the highest percentage of homes financed by a subprime mortgage related loan; and 3) Areas in Phoenix likely to

face a significant rise in the rate of home foreclosures.

These areas have been broken down using a three tiered approach associated with three distinct goals or objectives. These goals are related to tiers, which contain specific activities to be performed within the NSP1 Target Areas as follows: Tier 1, citywide; Tier 2, zip codes 85015, 85023, 85024, 85053, 85339, and or within City approved, strategic revitalization areas, designated as the Neighborhood Investment Areas of Isaac, Garfield, South Phoenix Village, and Village Center; and Tier 3, zip codes 85006, 85008, 85009, 85017, 85019, 85021, 85027, 85029, 85031, 85032, 85033, 85034, 85035, 85037, 85040, 85041, 85042, 85043, 85051, 85307, 85353, and or within City approved, strategic revitalization areas, designated as the Neighborhood Investment Areas of Isaac, Garfield, South Phoenix Village, and Village Center.

As discussed further in the City of Phoenix NSP Substantial Amendment, the NSP strategy to use and distribute funds to areas of greatest need will respond to large areas of the city with significant foreclosure rates and widespread foreclosure risk factors by developing this three tiered approach that is consistent with the Community Development goals of the Consolidated Plan.

Land banking of vacant properties (acquired and demolished with NSP funds) will be limited to the City approved, strategic revitalization areas. This increased focus on targeting is intended to produce greater strategic impact for the use of NSP funds in these areas of greatest need.

Activity Progress Narrative:

The expenses incurred this quarter are for the ongoing activities on our NSP lots to keep them in compliance with city preservation codes. There are 11 remaining NSP1 acquisition demolition properties.
