Areas of Greatest Need:

Pinellas County communities are experiencing high volumes of foreclosed and abandoned properties. Based on data provided by HUD and additional analysis conducted by the County, several areas are experiencing high risks of abandonment, high concentrations of subprime loans, and high predictions of additional foreclosures. Current foreclosed and abandoned properties, and the risk of additional properties being foreclosed or abandoned, are causing blighting conditions that are leading to declining home values.

Distribution and Uses of Funds:

Pinellas County will use NSP funds to acquire the properties in areas experiencing the greatest risks of abandonment, the highest concentrations of subprime loans, and at the highest risk of additional foreclosures. These steps will help stop the blighting influence these properties are having in our communities and slow down the decline in home values.

Overall Progress Narrative:

Since program inception, Pinellas County has acquired 23 foreclosed single-family houses. Thirteen (13) homes were acquired under the Acquisition Rehab Program. Twelve (12) of the houses have been sold through the Acquisition Rehab Program. One (1) remaining rehabilitated house was rented to an eligible tenant. Ten (10) homes were acquired and demolished through the Demolition Program. Nine (9) new single-family homes were constructed and sold to income qualified buyers. One (1) lot remains vacant. The County continues discussions with developers for the construction of a single-family home on the remaining vacant lot.

Additionally, NSP funds were used to acquire and rehabilitate a 36-unit, multi-family property through the Rental Program. A comprehensive renovation project was completed which included new roofing, window, HVAC systems, interior renovations, and energy efficiency improvements. Following acquisition, the apartment complex, known as Boardwalk Apartments, was conveyed to a land trust established by the Housing Finance Authority of Pinellas County. Subsequently, the buildings were leased to Contemporary Housing Alternatives of Florida, Inc. (CHAF), a designated CHDO. A long term, 99-year ground lease was executed to ensure that the property remains affordable long-term. Pinellas County committed \$100,000 to a rental housing rehabilitation project known as Sunrise Apartment located in Tarpon Springs, FL. As a result of the NSP1 funding provided, 11 units are income restricted for households with an income level below 50% of AMI.
