<b>Total Budget:</b> \$10,565,075.59		

### Disasters:

#### Declaration Number

No Disasters Found

### Narratives

#### Areas of Greatest Need:

The Neighborhood Stabilization Program required local jurisdictions to use, at a minimum, the following factors to determine the areas of greatest need: Greatest percentage of home foreclosures; Highest percentage of homes financed by a subprime mortgage related loan; and Areas identified as the most likely to face a significant rise in the rate of foreclosure. Based on the NSP established criteria, Sarasota County will initially target the North Sarasota and the Sarasota Springs / Bee Ridge neighborhoods as well as a portion of the City of North Port. After one year following the grant award, Sarasota County will consider expanding the targeted area to include other areas with significant need as described below.

#### Distribution and and Uses of Funds:

Sarasota County will use its NSP funds within the areas designated as having the greatest need. As described above, those areas are the North Sarasota, and Sarasota Springs / Bee Ridge Neighborhoods and a portion of the City of North Port. Within those areas of greatest need, the county will work to finance the acquisition of properties that have the best long term opportunity to stabilize neighborhoods in a way that promotes long term sustainability. In determining the properties that will be purchased, the county will consider the following factors: The proximity to Employment Opportunities The proximity to Public Transportation The proximity to Needed commercial centers The housing cost to the end user – including whether the unit has access to public water and sewer. The discount from Market Value offered by the lender
