Areas of Greatest Need:

With years of steady growth during the late 1990's and mid 2000's, the City of St. Petersburg experienced a vibrant housing market. The housing bubble which began in late 2005 and has yet to end has drastically changed the landscape of housing in the City. Homes that once were in great demand now stand vacant and abandoned. A report prepared by the U.S. Census Bureau that provides rental and homeownership vacancy rates for the 75 Largest Metropolitan Statistical Areas disclosed that the Tampa-St. Petersburg-Clearwater MSA had a 15.5% rental vacancy rates, and a homeowner vacancy rate of 3% for the fourth quarter of 2008. Vacancy rates are a barometer in which you measure the health of a community. Vacancy drives the price points of real estate transaction and may pose a risk for neighborhoods by altering the appearance and economic stability. The City now ranks among of one of the top foreclosure markets in the state with a foreclosure rate of 7.9%.

Distribution and and Uses of Funds:

The City of St. Petersburg's Neighborhood Stabilization Program (NSP) has followed the U.S. Department of Housing and Urban Development's (HUD's) criteria for selecting neighborhoods with the greatest need, which exhibits the following patterns: Neighborhoods that have the highest number of homes financed by subprime lenders, neighborhoods with the highest local foreclosure abandonment score of 10, neighborhoods with the highest number of home foreclosures, neighborhoods that have an 18 month predicted problem for foreclosure, and neighborhoods that have a high vacancy rate. Those areas will be targeted by investing resources to acquire homes, rehabilitate them, and provide down payment and closing costs assistance to income eligible prospective homeowners whose incomes are up to 120% of area median income (AMI) and are considered low, moderate, and middle income (LMMI). The City will record mortgage, promissory note and NSP rider to ensure the affordability period. The City will also assist non-profit agencies to acquire multi-family rental units to rehabilitate them and make them available for rental by persons and households who are under 50% of AMI.

Overall Progress Narrative:

City Council authorized, by Resolution Number 2018-604, that effective December 6, 2018, all program income received from transacting business associated with the City's NSP-1 and NSP-3 programs be given to the CDBG program for use on eligible CDBG projects. The City is therefore working towards HUD's goal to close out the NSP Programs.

The City received \$2,156,792.30 in program income under the NSP-1 program through the Dec.6, 2018. Therefore \$0 was on hand September 30, 2020. In addition, the NSP-1 funds remaining in our LOC balance after September expenditures were drawn on 10/26/20, is \$562,886.49.

The close out schedule for both NSP-1 & NSP-3 has been slightly delayed, but is still moving forward and anticipated as follows:

- 1/31/2019 GOAL: Developer Agreements should be written & Mortgage & Notes signed for conveyance of 3 NSP-3 redevelopment properties to the selected Developers for construction of 3 single family homes. (ACTUAL: All 3 Agreements were signed as of April 2019).
- 08/30/2019 GOAL: First 3 Non-Profit Developer homes complete, the 1 final NSP-3 Redevelopment lot is selected along with 2 additional lots and the Agreements, Mortgages, signed. (REVISED ACTUAL: at June 30, 2020- Construction on 2 of the 3 NSP lots is complete– the 3rd property was returned to the City on 5-11-20 by deed in lieu-of foreclosure, due to non-performance. Bright Community Trust has recently agreed to assist with the construction of home on this lot and the final NSP-3 lot. New Agreements will be written by 11/30/20. Revised anticipated construction completion date is 5/31/21. Problem Solving Technical Assistance will be requested to assist us in preparing for close out after the 4 NSP-3 homes are complete.
- 02/29/2020 GOAL: Second set of 3 homes anticipated to be complete, final lots selected & Agreements signed. Side Lot guidelines finalized & 3 side lots conveyed. (REVISED ACTUAL: The remaining funding may only allow for 2 final NSP-1 funded homes to be completed at this step. This Goal date has been moved to 5/31/21)
- 07/30/2020 GOAL: Last of the homes to be completed. (ACTUAL: Date moved to 5/31/2021, see above explanation).
- 12/31/2020 GOAL NSP Close out to be complete, since all the home sales should be complete, and LMMH data will be entered into the DRGR system. At this point the NSP funds will be fully disbursed, the National Objective and Eligible End (demo) use will have been met on all lots. The only lots that should remain at this point will be vacant lots that meet both the National Objective & End Use through demolition (LM area benefit). The NSP requirements would all be met at this point & no continuing affordability requirement will be necessary (since there are no units on the sites). The remaining lots will be placed for sale to developers creating WFH for LMMH using the lot disposition program. (AMENDED ACTUAL CLOSE OUT: Date moved to 10/31/2021)
