TOTAL	\$1,219,200

#### How Fund Use Addresses Market Conditions:

The City's NSP funds will be used to assist in the elimination of the impact in which foreclosed and abandoned properties have affect the Anderson, IN communities, particular the low to moderate income areas. Our primary focus will be acquire and rehabilitate properties. When it is determined it is not economically feasible to rehabilitate, the department will razed the dilapidated structures and redevelop, if possible, the vacant lots. In addition, we will develop vacant lots in a designated area in order to have the greatest impact.

#### Ensuring Continued Affordability:

The City of Anderson intends to utilize the HOME affordability period for all projects associated with the Neighborhood Stabilization Program. The period of affordability is based on the total amount of NSP3 investment.

Investment per unit

Length of the Affordability Period

Less than \$15,000

5 years

\$15,000 - \$40,000

10 years

More than \$40,000

**Housing Rehabilitation/New Construction Standards:**

- See [www.cityofanderson.com](http://www.cityofanderson.com) for complete rehabilitation standards document

**Vicinity Hiring:**

To comply with the NSP3 statute concerning for vicinity hiring, the City of Anderson will make every effort , when there is a need for additional employees, to hire employees who reside in the NSP3 target areas, and will require contractors to make the every attempt to do the same. In doing so, the City will coordinate these vicinity hiring provisions with it Section 3 program requirements. The City will take the following steps to meet this requirement:

- Since the vicinity hiring requirements implicates the grantee, as well as developers, contractors, and vendors who hire and subcontract for NSP3 funded projects. The grantee will, when faced with a choice between a qualified contractor/developer/job applicant located in the vicinity area and a qualified contractor/developer/job applicant from outside the vicinity area, select the qualified contractor/developer/job applicant from inside the area.
- Developers who hire new employees must, to the maximum extent possible, hire workers who live in the NSP3 program area and contract with small businesses that are either owned and operated by persons residing in the vicinity of the project. A provision will be inserted in all development agreements and contracts incorporating this requirement.
- To the maximum extent possible, the City will utilize Section 3 guidelines to hire people/businesses from the local vicinity to carry out any aspect of this activity should the need arise for additional employees or contractors. The City will require that any subrecipient or developer (or subsequent contractors) follow HUD Section 3 regulations as well as ensure that subrecipients or developers make efforts to market new jobs associated with the project to individuals or companies within the vicinity of the project as described.

**Procedures for Preferences for Affordable Rental Dev.:**

The City of Anderson will follow the Flaherty and Collins procedures for preferences of its affordable rental development.

## Overall Progress Narrative:

The City of Anderson is reviewing and preparing files for NSP closeout and working closely with the Regional HUD Field Office in the process. Aaron Bailey serves as the City's regional contact as it moves through the closeout process. On October 31- November 1, 2018, Anderson City attended the NSP Closeout training in San Francisco, California and received guidance on the DRGR system review and closeout procedures. In a two-person department which manages the NSP closeout, processes do not often move as quickly as our office would prefer. However, we have, over the past five months made a continuous effort to move closer to closeout as it remains among the department's priorities. The City is reviewing and updating, DRGR data, site inspections, affordability requirements, and environmental review documentation. Program income determinations are also under review, at this time.
