#### How Fund Use Addresses Market Conditions:

Cobb County will utilize a tiered approach, as described below for identifying the "Areas of Greatest Need" throughout the county.

A) Neighborhoods that score 17 or higher on the HUD Foreclosure Need website will be identified by the County as areas of greatest need. Cobb County has complied the high risk score Census tracts and block groups for the County to assist in targeting Cobb County's NSP grant funds.

B) The NSP3 mapping tool allows the County to calculate the number of housing units and compare the Neighborhood NSP3 Score with the State Minimum threshold NSP3 score. The neighborhoods identified must have an individual score of that the lesser of 17 or the twentieth percentile most needy score.

By using these two methods Cobb County will form the basis of its foreclosure acquisition, rehabilitation, and sales efforts. Based upon HUD's risk score data and Cobb's local data, the area of greatest need in Cobb County is Powder Springs, Austell and a portion of unincorporated Marietta referred to as "Horseshoe Bend Area." Based on HUD data, each of these areas has over 10 percent of housing units that are 90 or more days delinquent or in foreclosure and have an average Neighborhood NSP3 score of 18.2. Cobb County identified these areas from our past success with NSP1. Sixty percent of our NSP1 properties (pending sales and sold) were in these areas.

On November 13, 2012, the County approved an amendment to Cobb County's NSP3 HUD Action Plan. The County approved the use of NSP3 program funds to serve census tracts 313.09, 313.10, 313.11, and 314.06 located in the cities of Marietta, Powder Springs, and Austell. The Cobb County NSP Office has reviewed foreclosure data and maps provided by HUD as the basis for recommending expansion of the NSP3 target areas. Expansion of the County's NSP3 target areas would enhance the County's efforts to stabilize neighborhoods that have been identified by HUD and local officials as having a high risk of foreclosure and will assist the County in meeting the required NSP3 50% expenditure deadline of March 2013. The amendment added additional census tract block groups in the NSP3 neighborhoods located in Powder Springs and the City of Austell, specifically the Six Flags area. The additional census tracts include: 313.08, 314.05, 314.04, 311.06, and 313.06. Descriptions and maps of the proposed additional NSP3 target areas are attached.

Expansion of the County's NSP3 target areas would enhance the County's efforts to stabilize neighborhoods that have been identified by HUD and local officials as having a high risk of foreclosure and will assist the County in meeting the required NSP3 50% expenditure deadline of March 2013. In addition, these areas were chosen based on the proximity to Community Transit routes, interstate access, and employment opportunities.

**Ensuring Continued Affordability:**

Cobb County has determined that the designated time period for Long-Term Affordability is 15-years for Single-Family residential units. There is no interest and no monthly payment required on this note. If a NSP recipient lives in the property for 15 years, no repayment is necessary. If a NSP recipient sells the house prior to living in it for 15 years, 100% of NSP financial assistance will be repaid to Cobb County. There is no penalty for selling a house prior to living in it for 15 years other than the required repayment.

**Definition of Blighted Structure:**

The State of Georgia defines "Blighted Structure" in House Bill 1313, Section 3, Title 22 of the Official Code of Georgia Annotated as: 'Blighted property', 'blighted', or 'blight' means any urbanized or developed property which:

(A) Presents two or more of the following conditions:

- (i) Uninhabitable, unsafe, or abandoned structures;
- (ii) Inadequate provisions for ventilation, light, air, or sanitation;
- (iii) An imminent harm to life of other property caused by fire, flood, hurricane, tornado, earthquake, storm or other natural catastrophe respecting which the Governor has declared a state of emergency under state law or has certified the need for disaster assistance under federal law; provided, however, this division shall not apply to property unless the relevant public agency has given notice in writing to the property owner regarding specific harm caused by the property and the owner has failed to take reasonable measures to remedy the harm;

(iv) A site identified by the federal Environmental Protection Agency as a Superfund site pursuant to 42 U.S.C. Section 9601, et seq., or environmental contamination to an extent that requires remedial investigation or a feasibility study;

(v) Repeated illegal activity on the individual property of which the property owner knew or should have known; or

(vi) The maintenance of the property is below state, county, or municipal codes for at least one year after notice of the code violation; and

(B) is conducive to ill health, transmission of disease, infant mortality, or crime in the immediate proximity of the property.

**Definition of Affordable Rents:**

Cobb County will utilize the generally accepted definition of affordability, which states that a household to pay no more than 30 percent of its annual income on housing. Cobb County does not intend to utilize NSP3 funds for affordable rental housing.

**Housing Rehabilitation/New Construction Standards:**

Cobb County has CDBG Housing Rehabilitation Program with detailed standards and specifications. Cobb County intends to adopt its current CDBG Housing Rehabilitation standards for the Cobb County NSP Program. These standards are in accordance with the International Residential Code (2006) as adopted by the State of Georgia.

**Vicinity Hiring:**

Walton NSP, LLC, working as the asset management company on behalf of Cobb County NSP3, will make all possible efforts to adhere to the guidelines and requirements regarding the use of local, qualified contractors and vendors who are from the vicinity areas of the NSP3 funded projects. In cooperation with the intent of this requirement, Walton NSP will post advertisements in the local newspaper that serves these target areas (Powder Springs 1, Powder Springs 2, Austell and small portion of unincorporated Marietta) and make all efforts possible to encourage local vendors and contractors from these areas to bid on work. In the event multiple bids are received from qualified vendors, all things being equal, preferential treatment will be given to the vendor whose business resides in these target areas.
