e-snaps Overview

e-snaps Overview

- What is *e-snaps*?
 - Online registration, application & grants management system for HUD's CoC programs
- Accessible via:
 - HUD's Homelessness Resource Exchange (HRE) at www.hudhre.info

e-snaps Overview continued

- 2010 CoC applications must be submitted electronically via *e-snaps* except when:
 - HUD provides CoC with written waiver to electronic submission because:
 - No high-speed internet available anywhere in the CoC
 - No computer less than 5 years old anywhere in the CoC

e-snaps Overview continued

- Waiver requests to electronic submission
 - Information will be provided in the General Section to HUD's FY2010 Notice of Funding Availability (NOFA) for Discretionary Programs
- Notification of online training & availability of application sent via HUD's Homeless & CoC point of contact listservs

e-snaps Overview continued

- Sign up for listserv messages at:

<http://www.hudhre.info/index.cfm?do=viewJoin>

e-snaps Overview continued

- *e-snaps* can “bring forward” information from 2009 CoC Registration
 - CoC must name their “project” in *e-snaps*
 - “CoC #” CoC Registration 2010
(e.g., CA-500 CoC Registration 2010)
 - Select the 2009 CoC Registration as source of data to bring forward into 2010

e-snaps Overview continued

- CoC can edit any 2009 information
 - CoC must review all information for correctness before submitting to HUD
- CoCs will receive an email confirming their approved registration

Email notification from *e-snaps*

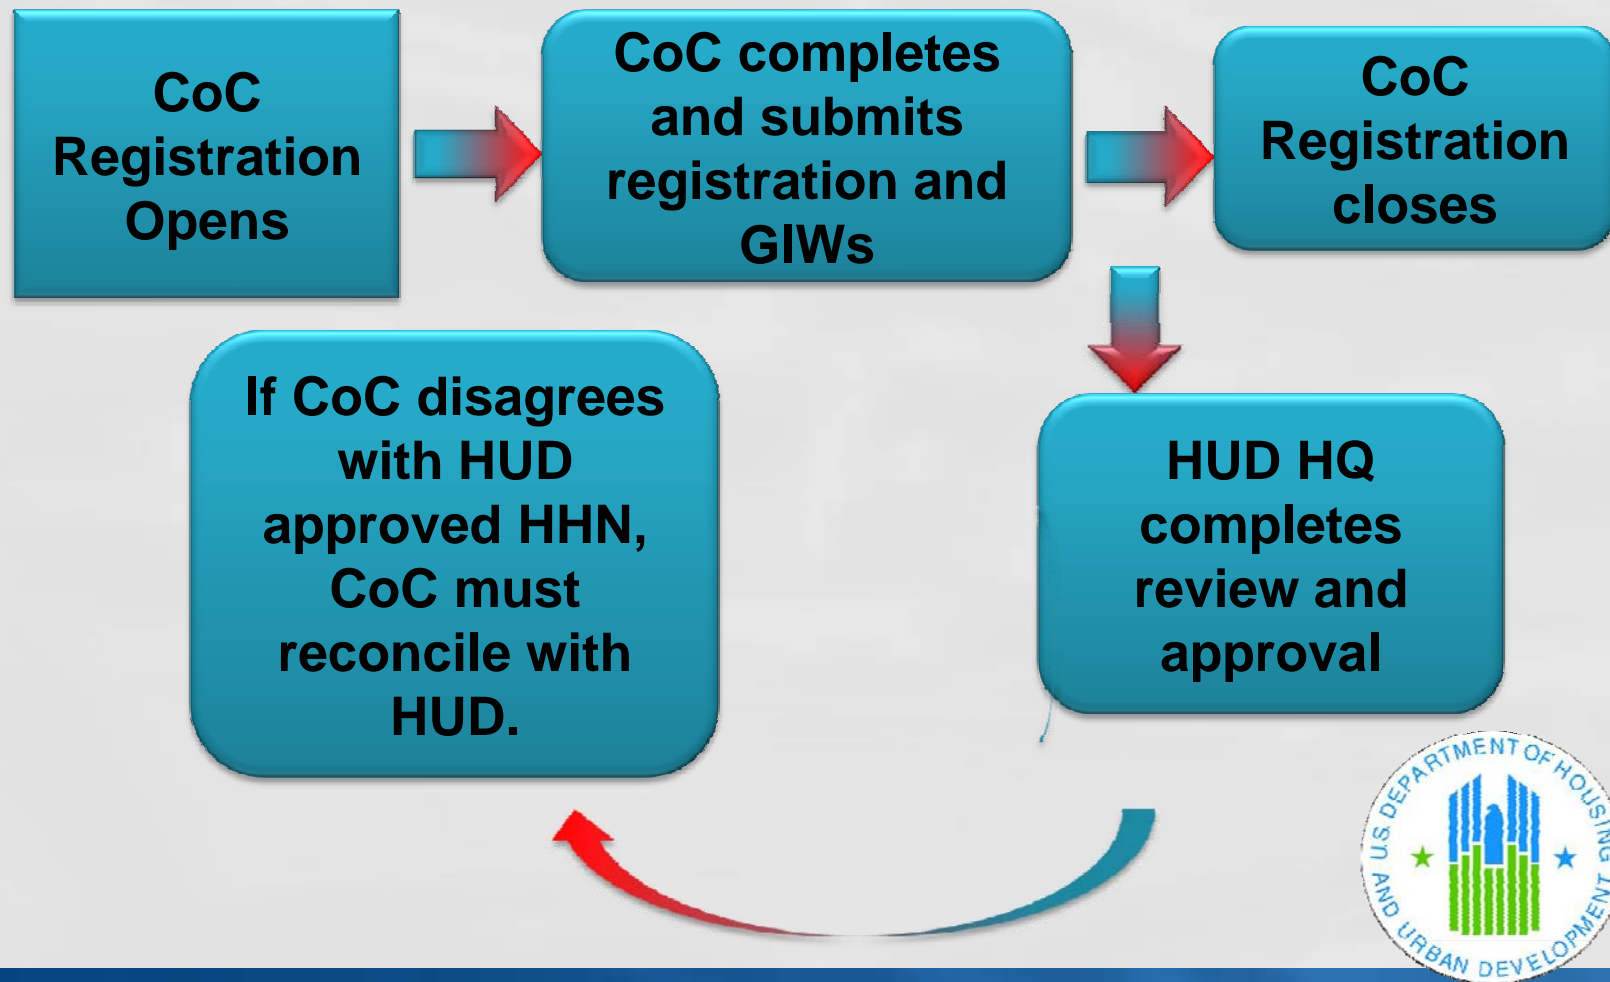

- Only persons who have *e-snaps* user ID for the CoC will receive email when HUD approves the CoC Registration.
- Being listed as point of contact in CoC Registration (primary or secondary) is not for *e-snaps* email notification purposes
- Point of contact information is for CoC POC listserv and for other email communication from HUD.

2010 Continuum of Care (CoC) Registration Process

CoC Registration Process

2010 Registration Process

- *e-snaps* will calculate:
 - Preliminary Pro Rata Need (PPRN)
 - Permanent Housing Bonus Amount

Grant Inventory Worksheet(s)

Purpose of Grant Inventory Worksheets

- To ensure that HUD and CoCs agree on the universe of all eligible renewal grants
- To establish each CoCs 2010 Hold Harmless Need (HHN) and Final Pro Rata Need amounts
- To base HUD's funding decisions for the 2010 renewal award amounts.

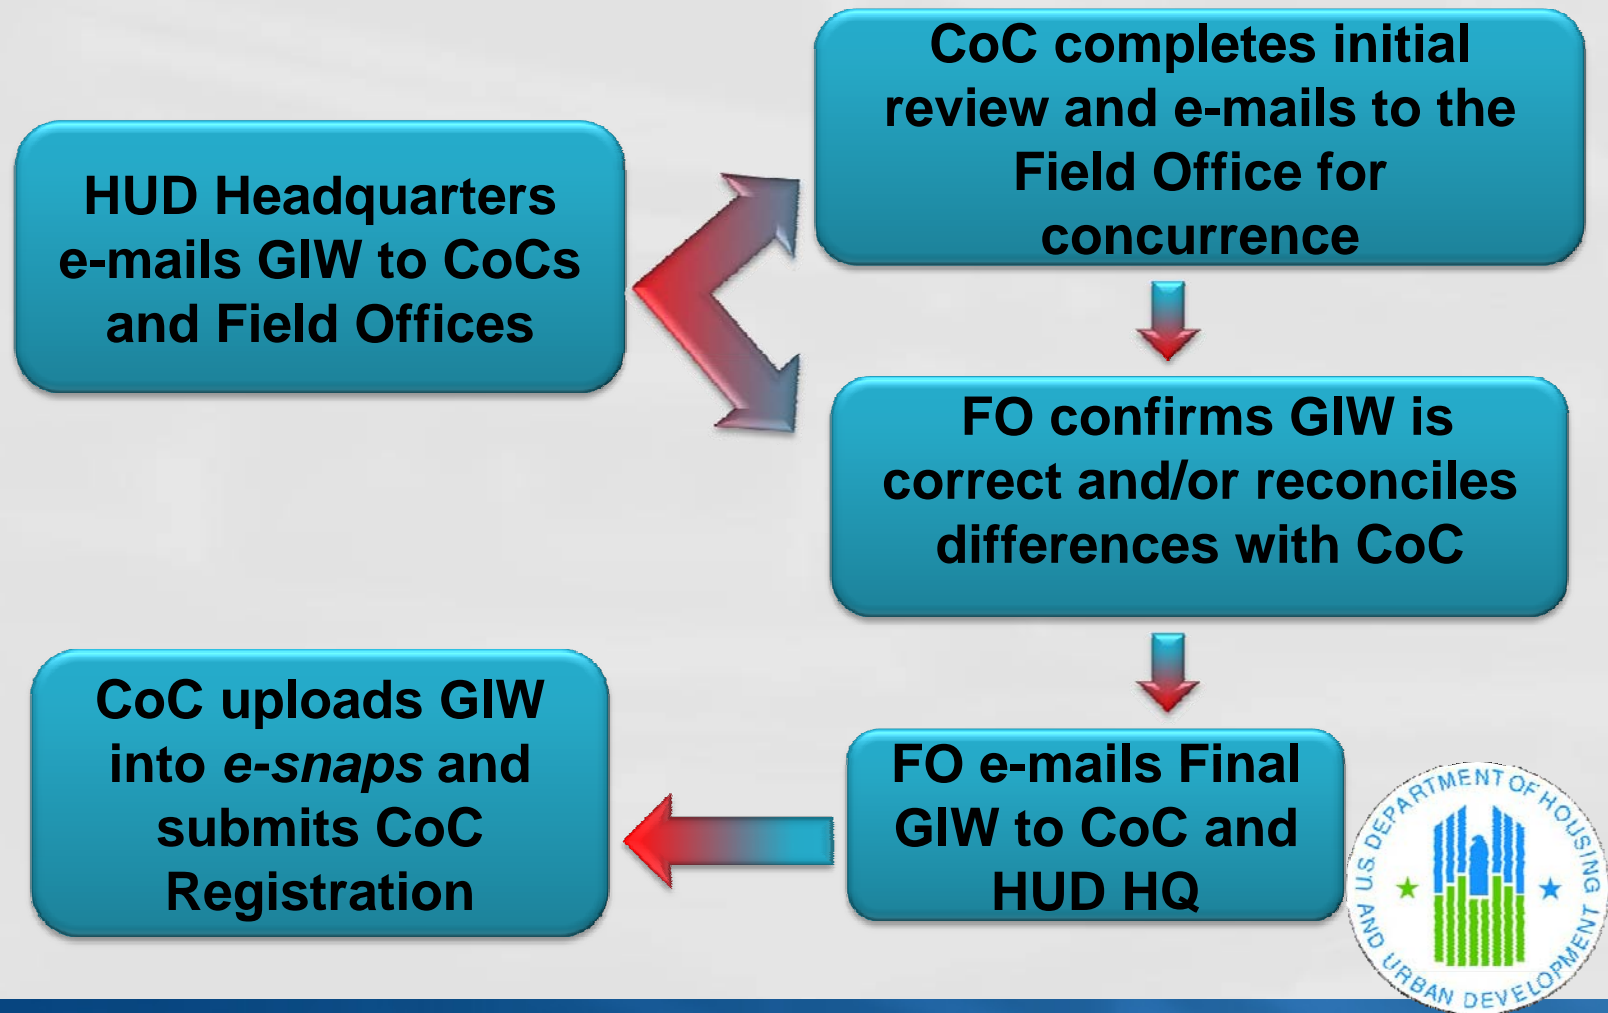

Grant Inventory Worksheet – Accuracy and Completeness

- Information on GIW assists HUD in determining renewals awards, but still must submit an Exhibit 2 for the eligible project.
- Any changes made after the GIW process that do not alter the amount of the award should be made during execution of the grant agreement.

Grant Inventory Worksheet(s)

2004 Grants

2004 Grants

- By statute, projects awarded with FY2004 money will expire at the end of FY2011 and must request renewal in 2010
 - 2004 grants— no funds available after 09/25/2011
 - These grants must be included on GIW if they will be renewed in 2010

New HMIS projects - 2009

New HMIS projects--2009

- New, one-year HMIS projects considered for funding in 2009 will NOT be included on the GIW for 2010.
- The requested amounts will not calculate into the HHN Amount for 2010 CoC Registration.
- If the new, one-year HMIS grant is awarded—HUD will adjust HHN and FPRN amounts and inform CoCs, as necessary

CoC Submits Registration

2010 Registration Process

- CoCs will enter HHN Amount (**SHP renewals expiring between Jan. 1 and Dec. 31, 2011**)
- CoCs attach Grant Inventory Worksheets (GIW) for SHP and S+C as **single zip file**
 - Confirm accuracy with HUD FO first

CoC Submits Registration

- HUD Field Office
 - Reviews & verifies final GIW submitted
 - If CoC submits incorrect GIW, FO attaches final correct GIW
- HUD Headquarters
 - Reviews CoC Registrations
 - Confirms HHN amounts
 - Resolves geography disputes

After CoC Submission

- If no HHN or geography disputes:
 - HUD approves CoC Registration
 - CoC receives e-mail confirmation
- If HHN or geography changes needed:
 - HUD enters resolved HHN/geographies
 - CoC confirms new HHN/geographies
 - HUD approves CoC Registration
 - CoC receives e-mail confirmation

CoC Registration: Changes in Geography

CoC Registration: Changes in Geography

- Changes were made in the jurisdictions used in the PPRN calculations from 2009.
- It is important for CoCs to ensure that all jurisdictions served by the CoC are claimed during the CoC Registration process.

CoC Registration: Changes in Geography

- The following jurisdictions were ADDED in 2010:
 - Indio City, Riverside County, CA
 - Lodi, San Joaquin County, CA
 - Perris City, Riverside County, CA
 - Johns Creek, Fulton County, GA
 - Broomfield City & County, CO

CoC Registration: Changes in Geography

- The following jurisdictions were ADDED in 2010:
 - Marion County, IN
 - East Baton Rouge Parish, LA
 - Lafayette Parish, LA
 - Hammonton, Atlantic County, NJ
 - Grapevine, Tarrant County, TX

CoC Registration: Changes in Geography

- The following jurisdictions were REMOVED in 2010:
 - Fairbanks, Fairbanks North Star Borough, AK
 - Broomfield County, CO
 - Ann Arbor, Washtenaw County, MI
 - Grand Haven City, Ottawa County, MI

HHN Merger Calculation

Former Merger Calculation

CoC Consolidation WITHOUT HHN Merger

Individual CoCs	2010 HHN Amount	2010 PPRN Amount
I	100,000	150,000
II	50,000	200,000
III	350,000	150,000
IV	750,000	250,000
Merged CoC Total	<u>\$1,250,000</u>	\$750,000

HHN Merger Calculation

CoC Consolidation with HHN Merger

Individual CoCs	2010 HHN Amount	2010 PPRN Amount	2010 FPRN Amount
I	100,000	150,000	150,000
II	50,000	200,000	200,000
III	350,000	150,000	350,000

Merged CoC Total	\$1,250,000	\$750,000	<u>\$1,450,000</u>

HHN Reallocation

HHN Reallocation

- HUD is reintroducing HHN Reallocation
- CoCs in HHN status whose FPRN is based the HHN amount being higher than the PPRN may use HHN Reallocation
 - **HHN > PPRN**
- CoCs that use HHN Merger process may also use HHN reallocation

HHN Reallocation

- CoCs may use reallocation to create new dedicated Homeless Management Information System (HMIS) projects and new Permanent Housing (PH) projects.
