Introduction

Welcome to the CoC Applicant Profile instructional guide. This resource covers important information about accessing and completing the Collaborative Applicant Profile.

The organization designated by the Continuum of Care (CoC) to submit the CoC Consolidated Application, which includes the CoC Application, CoC Priority Listings, and project applications, is the Collaborative Applicant. A Collaborative Applicant can also request Unified Funding Agency (UFA) designation as part of the CoC Registration process.

Throughout the year, the Collaborative Applicant Profile can be updated by logging in to e-snaps and selecting "Applicants" in the left menu bar.

In addition, for the CoC Program Registration process, HUD requires Collaborative Applicants to review the CoC Applicant Profile in e-snaps, which entails logging in, putting the CoC Applicant Profile in edit-mode, updating and saving information, and selecting the "Complete" button on the Submission screen. This instructional guide provides the instructions for these steps.

Objectives

By the end of this instructional guide, you will be able to do the following:

- Access e-snaps
- Complete the CoC Applicant Profile

Overview of this Instructional Guide

The instructional steps in this guide follow the progression of screens in e-snaps:

- **Accessing e-snaps.** All e-snaps users need usernames and passwords in order to log in to the online e-snaps system. In order to see an organization's CoC Applicant Profile, CoC Registration, and the CoC Consolidated Application (consisting of the CoC Application, CoC Priority Listing, and the project applications after they are submitted to the CoC), the e-snaps user needs to be associated as a "registrant" with the organization's e-snaps account. This section identifies the steps to create user profiles and add/delete registrants.

- **CoC Applicant Profile.** The Collaborative Applicant must update the CoC Applicant Profile during the year as needed (e.g., when contact information changes) and select the "Complete" button. In addition, the Collaborative Applicant is required to review and complete the CoC Applicant Profile during the CoC Registration process. This section provides instructions on how to do so.
Accessing e-snaps

The CoC Applicant Profile, CoC Registration, and the CoC Consolidated Application with attached project applications are submitted electronically in e-snaps during the CoC Program Competition process.

NOTE: Each e-snaps user must have his or her own log-in credentials. Preferably, each organization will have two people with access to e-snaps—the Primary Contact and one or more additional staff.

For a refresher on how to navigate through the e-snaps system, the "Introduction to e-snaps Features and Functions" resource is available on the CoC Program Competition Resources webpage on the HUD Exchange at: [https://www.hudexchange.info/programs/e-snaps/](https://www.hudexchange.info/programs/e-snaps/).
Adding and Deleting Registrants

Having a user profile enables a person to access e-snaps; however, only people who have been associated with the organization as a registrant (also referred to as a registered user) have the ability to enter information in the CoC Applicant Profile, CoC Registration, and the CoC Consolidated Application associated with the organization.

Anyone who currently has access to an organization’s e-snaps account (i.e., who can see the organization’s CoC Applicant Profile, past Registrations and CoC Consolidated Applications) can add or remove other registrants by following the instructions provided below.

<table>
<thead>
<tr>

<tbody>
<tr>
<td>1.</td>
<td>Select &quot;Applicants&quot; on the left menu bar.</td>
</tr>
<tr>
<td>2.</td>
<td>On the “Applicants” screen, click the “Registrant” icon. <img src="image" alt="This icon looks like a person and is located to the left of the Applicant Name." /></td>
</tr>
</tbody>
</table>

**NOTE**

Before anyone can be added as a registrant in e-snaps, the individual must have an e-snaps user profile with a username and password. The username and email address that was used to create the e-snaps user profile will be used when adding the person as a registrant.
**Add a Registrant**

Delete a Registrant

Deleting the user will remove, or dissociate, the user from the Applicant Profile. This person will still be able to access e-snaps, but will no longer be able to access the organization’s CoC Applicant Profile, CoC Registration, or CoC Consolidated Application.

CoC Applicant Profile

CoC Applicant Profile

Collaborative Applicants must ensure the CoC Applicant Profile is kept up-to-date. For the CoC Applicant Profile to be complete, the Collaborative Applicant must ensure the data entered in the CoC Applicant Profile is accurate and select the “Complete” button on the Submission Summary screen of the Applicant Profile.

This section provides instructions on gaining access to the Applicant Profile and completing the forms.

NOTE:
If the organization designated as the Collaborative Applicant is also a direct recipient of funds, (e.g., CoC planning funds) the organization MUST have a second Applicant Profile as the Project Applicant.

There is a separate resource for completing the Project Applicant Profile as a Project Applicant. It is posted on the CoC Program Competition Resources webpage at: https://www.hudexchange.info/resource/2958/instructions-for-updating-the-project-applicant-profile/.
Accessing and Completing the Applicant Profile

Collaborative Applicant e-snaps users will access the CoC Applicant Profile on the "Applicants" screen.

### Step Description

1. After logging in, select the CoC Applicant name from the "Applicant" dropdown at the top of the screen.

2. Select "Applicants" on the left menu bar.

3. On the "Applicants" screen, locate the "Applicant Name" column.
   - Confirm the Applicant for which you should complete the Applicant Profile by reviewing the "Applicant Number" column. It should have a CoC number and not a number for a Project Applicant.

   The format of the CoC number is XX-###, where the XX is a two-letter state abbreviation and the ### is a three-digit number

4. Select the "Folder" icon next to the CoC name.
Understanding "edit-mode"

The CoC Applicant Profile can be updated at any time. The e.Form must be placed in "edit-mode" in order to update the Applicant Profile. The CoC Applicant Profile must be marked as "Complete" in order for the updates to register.

One of the requirements for the CoC Registration is the completion of the CoC Applicant Profile. In order to meet this requirement, the "Complete" button must be selected within the timeframe of the registration period.

Therefore, when you login the first time after the CoC Registration period opens, even if there is a statement "This e.Form has been marked as complete," you must put the forms in edit-mode and select the "Complete" button again.

When users access the CoC Applicant Profile, the CoC Applicant Profile may be marked as complete, in which case an "Edit" button will appear on the "Submission Summary" screen, as shown in the screenshot below.

You need to put your Applicant Profile in edit-mode.

<table>
<thead>
<tr>
<th>Step</th>
<th>Description</th>
</tr>
</thead>
</table>
| 1.   | Select "Submission Summary" on the left menu bar.  
      |   • At the bottom of the "Submission Summary" screen, there is an “Edit” button with text below the button stating, “This e.Form has been marked as complete.” |
| 2.   | Select the "Edit" button.  
      |   • The "Edit" button and text will disappear and be replaced with a "Complete" button. |
| 3.   | Continue with the instructions in the next section of this instructional guide to review the Applicant Profile and select the "Complete" button. |

For some e-snaps users, the CoC Applicant Profile may already be in "edit-mode," in which case a "Complete" button will appear on the "Submission Summary" screen. You can update the information.
Continue with the instructions in the next section of the instructional guide to review the CoC Applicant Profile and select the "Complete" button.

**Exiting the Applicant Profile**

When working in the Applicant Profile, e-snaps users can return to the main screen by selecting "Back to Applicants List" at the bottom of the left menu bar. This screen is where Applicants, Funding Opportunity Registration, Projects, and Submissions are located on the left menu bar.
1. **Profile Type**

The "Profile Type" screen indicates whether the Applicant Profile is for a Collaborative or Project Applicant. In this guide, you are creating a profile for the Collaborative Applicant.

- "Please Complete" if more information is needed

The Collaborative Applicant e-snaps user can go back to any screen by selecting the screen name in the left menu bar. Remember to select "Save" after any changes.

**NOTE:** The "No Input Required" status on the Submission Summary indicates that additional information for that screen is not required for the applicant to proceed to the next step in the e-snaps system. HUD, however, may require the item prior to the awarding of program funds.

The "Complete" button is located at the bottom of the screen under the navigation buttons. The "Complete" button will be active if all parts of the Applicant Profile are complete (and have a date) or state "No Input Required."
The following image shows the Applicant Profile "Submission Summary" screen with items that still require completion. Note that the "Complete" button is gray-shaded and you cannot select it.
