

# DRGR Fact Sheet

## Links to Logging Into Other CPD Systems

Release 7.10

U. S. Department of Housing and Urban Development  
June 2014

# INTERFACE WITH OTHER CPD SYSTEMS

---

DRGR users who are authorized to access other CPD systems like IDIS and HEROS can now do so from within DRGR, and do not have to invoke a new URL. On selection of the “CPD Systems Login” the system displays another browser window or tab (based on the configuration of the browser) with a profile selection page.
