

Overview of DRGR Release 8.2

Disaster Recovery Grant Reporting (DRGR) System Release 8.2 Fact Sheet

<https://www.hudexchange.info/program-support/my-question/>

Overview

The following are highlights of enhancements and new features that occurred in DRGR Release 8.2. Each module that includes an asterisk (*) below indicates where HUD will provide a separate factsheet on use and implementation timeframes for the applicable feature and enhancement.

Module	Affected Users	Summary
*Public Action Plan Templates	All Users	<p>New functionality for applicable users allows for configuration of Public Action Plan templates that can be enabled at the appropriation or grants award level. Public Action Plan templates may contain the following: cover sheet, section heading content types, narrative content types, Grantee Program content (for applicable grants) types and data table content types.</p> <p>When grants are assigned to use Public Action Plan templates, DRGR tracks the Public Action Plan template status and also the status of the DRGR Action Plan.</p> <p><i>Note: DRGR Release 8.3 will include additional Public Action Plan template updates. Release 8.2 and Release 8.3 feature enhancements will be incorporated into the applicable DRGR User Manual Action Plan chapters by April 2021.</i></p>
* Grant Management – Manage Activities	All users	For Technical Assistance (TA) awards, the Manage Activity page was updated to display Outcomes data (Task and Activity Category).
* Grant Management – Manage Activities	All users	For TA awards, the Manage Activity page was updated to display Output data in the Measures tab.
Grant Management – Action Plan PDF View	All users	The Action Plan PDF View was updated to display Grantee Program Expenditures and Measures appendix, if applicable to grant.
* Grant Management – View and Download Action Plan	All Users	‘View’ and ‘Download’ Action Plan feature was updated to include Outcomes data for TA awards.

Module	Affected Users	Summary
Grant Management – Manage Action Plan	All Users	The Action Plan Measures tab now displays “Projected Total” instead of “Activity Total”.
Grant Management – Manage Action Plan	All Users	The Action Plan Financial tab was updated to display Proposed Budgets for Grantee Programs, if applicable to grant.
Grant Management - Manage Activity	All Users	For Consolidated Grants (parent/child grant relationship), defect corrected to allow users to change both budget and Most Impacted and Distressed (MID) budgets to zero at the same time.
*Grant Management – Manage Performance Report	All Users	<p>The design and navigation of the Performance Report screens has been updated. Performance Report screens are now using a tabbed interface with modals for editing content. See the Performance Report section(s) of the DRGR User Manual for complete details.</p> <p>Note: Release 8.2 updates for Performance Report enhancements will be incorporated into the applicable DRGR User Manual Performance Report chapters by January 2021.</p>
Grant Management – Manage Performance Report	All Users	The Performance Reports screens have been modernized to show Performance Report Data in an enriched approach. Display Tabs are based on the grant’s configuration.
* Grant Management – Manage Performance Report	All Users	For TA Awards, the Manage Performance Report now displays an Outcomes Tab (Task and Activity Category).
Grant Management – Manage Performance Report	All Users	Users now have the ability to mark a Performance Report as the “Final Performance Report” on the Details Tab.
Grant Management – Manage Performance Report	All Users	Performance Report – ‘View’ and ‘Download’ now show financial breakdown tables and update summary table for Grantee Programs, if applicable to grant.
Grant Management – Manage Activity	All Users	The Activity Details Tab now displays configurable activity attributes based on activity types, e.g. Opportunity Zone Investment and Disaster Type.

Module	Affected Users	Summary
Grant Management – Manage Activity	All Users	Defect corrected to make edit link visible on proposed accomplishments when Benefit Report Type is NULL.
Grant Management – Manage Grantee Program	All Users	DRGR now supports the ability to upload Quarterly Projections on Grantee Program Financials and Measures Tabs, if applicable to grant.
Grant Management – Project and Activities ‘View’ and ‘Download’	All Users	The new configurable activity attributes were added to all grants; and a new Project and Activities only ‘View’ and ‘Download’ is available to grants that have the Public Action Plan template available (as assigned by HUD Superuser).
‘Search’ Screens	All Users	Prior to Release 8.2, ‘Download Search Results Data’ only downloaded 10 rows of data. DRGR has been updated to download all data (more than 10 rows) returned by the search criteria.
Administration – Appropriation	HUD Super User	Update Activities features to support MID Threshold configuration by a HUD Super User.
Grant Management – Manage Grants	HUD Users	The following updates were made on the ‘Manage’ and ‘View’ Grant screens: <ul style="list-style-type: none"> • HUD Super users are able to remove obligation and drawdown blocks for consolidated grants. • “State Admin Plan Cap” was renamed on the ‘Edit Grant’ and ‘View Grant’ screens. • Reformatted “Most Impacted and Distressed Threshold” field on ‘View Grant’ screen.
Home Page	All Users	New functionality was added to allow users to directly access task edit feature within ‘Action Plan Detail Panel’.
Home Page	All Users	New functionality was added to allow users to directly access task edit feature within ‘Performance Report Detail Panel’.
