Chapter 31: Closeout | Manage My Grants Module

This Chapter describes the workflow for Grantee Users and HUD Users to review and closeout a Grant in DRGR.

This Chapter describes actions for Grantee Users and HUD Users, and is divided into subsections. The following actions are covered in this section:

Grantee Users

Menu Option	Subsection	Action
Closeout Grant	B	Request Grant closeout
View Grant	D	View only access to review closeout checklist

HUD Users

Menu Option	Subsection	Action
Closeout Grant	C	Access review checklist for Grants
View Grant	D	View only access to review closeout checklist

A. Manage My Grants Module Access

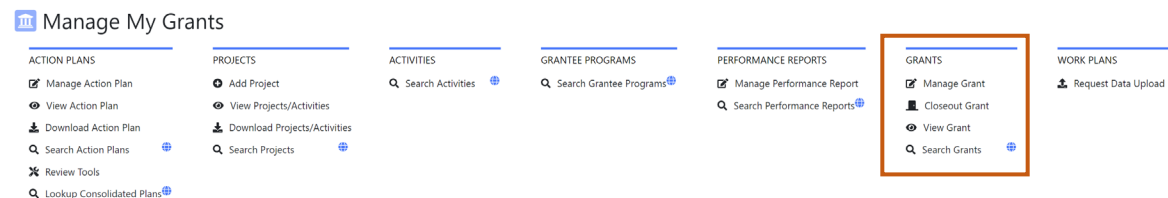

The **Manage My Grants** module contains access to Grants.

A1. Grantee | Grants

User Role: Grantee User	Menu Option: Manage My Grants Module
Purpose: Allow Grantee Users to access Grant actions.	
Complete the following steps to access the Manage My Grants Module:	
1	In the DRGR application, navigate to the Manage My Grants module or icon, located in the Navigation Bar.
2	This opens the dropdown menu items for the Manage My Grants module with various subheadings. The Grants menu appears to the very right of the dropdown menu. The System displays the relevant menu items based on user type and user roles.

A2. HUD | Grants

User Role: HUD User	Menu Option:  Manage My Grants Module
Purpose: Allow HUD Users to access Grant actions.	
 Complete the following steps to access the Grant Management: Grants Module:	
<p>1 In the DRGR application, navigate to the Manage My Grants module, or  icon, located in the Navigation Bar.</p> 	
<p>2 This opens the dropdown menu items for the Manage My Grants module with various subheadings. The Grants menu appears to the right of the very right of the dropdown menu. The System displays the relevant menu items based on user type and user roles.</p> 	

B. Grantee | Request Grant Closeout

If HUD has enabled the functionality for the Grant, Grantee Users with the Administrator role can proactively initiate the Grant closeout process by submitting a Grant Closeout Request. See Chapter 5 – User Management and Certifications for more information on user roles.

User Role: Grantee User	Menu Option:  Closeout Grant
Purpose: Allow Grantee Users to initiate the Grant closeout process.	
 Complete the following steps to request Grant closeout:	
<p>1 Navigate to the Manage My Grants module as described in Section A above and locate the Grants menu. Select the <Closeout Grant> link. The “Request Closeout” page will load for the “Selected Grant” in the Navigation Bar.</p>	
<p>2 On the “Closeout Grant” page, Grantee Users enter comments in the text box under “Request Closeout Reason.” Supporting Documents are attached using the <Add Additional Documents> link.</p>

C2. HUD | Field Office Manager or Super User Checklist Review and Approval

Field Office Managers and Super Users can review checklists, provide approver comments, and attach relevant documents. On Field Office Manager's approval of the Review Checklist, the System changes the status of the Grant to "Ready for Closeout" and notifies Super Users via email that the Grant status has been modified. Field Office Managers and Super Users follow the steps below to review and approve checklists.

User Role: HUD User	Menu Option: Closeout Grant
Purpose: Allow HUD Users to access review checklist	
Complete the following steps to access the "Review Checklist" page:	
<ol style="list-style-type: none">1. Navigate to the Manage My Grants module as described in Section A above and locate the Grants menu. Select the <Closeout Grant> link. The "Review Checklist" page will load for the "Selected Grant" in the Navigation Bar. Follow steps in Section C1 above to make edits to the checklist, if necessary.	<div>TIP! Only CPD Representatives for the Grant, Field Office Managers, and Super Users have access to the <Grant Closeout> link.</div>
<ol style="list-style-type: none">2. For Field Office Managers, on the "Review Checklist" page, Field Office Managers can provide comments in the "Approve/Reject Comments" narrative section. If the CPD Representative is also the Field Office Manager, then the System allows the User to enter "Review" and "Approve" comments upon initial review. Select the <Approve> or <Reject> radio button. Selection of <Approve> changes the status of the Grant and locks the screen for any further edits. Select <Save Review Checklist> to have the System notify Super Users of the need for approval.

Checklist Legend Icon Descriptions

 — Mandatory	Mandatory questions are annotated on the “Edit Checklist” page with a red asterisk. Review checklists cannot be submitted if the user has not responded to all mandatory questions.
 — Warning	Questions that are mandatory and do not have a response will be displayed with a warning icon.
 — Pre-calculated	Some question responses may be auto-computed by the System. If a response to a checklist question is auto-computed, then the System displays a non-editable answer. Although auto-computed responses may not be edited, the user can add comments.
 — Manual Input	Non-auto-computed question responses are depicted with the Manual Input icon.
 — View Supporting Data	Some questions can be configured to display the supporting data associated with the question, if applicable, to show the basis for the auto-computed responses. On selection of this icon, the System will open a new page to display the supporting data.
