CoC Application

Introduction

Welcome to the Continuum of Care (CoC) Application navigational guide. This navigational guide covers important information about accessing, completing, and submitting the CoC Application.

The CoC Application and the CoC Priority Listing are the two components of the CoC Consolidated Application. Each component appears separately on the Collaborative Applicant's Submission screen in *e-snaps*, and each is submitted separately; however, **both** the CoC Application **AND** the CoC Priority Listing, which includes the Project Applications, must be submitted prior to the application deadline to successfully submit the entire CoC Consolidated Application.

There are numerous resources on the CoC Program Competition: e-snaps Resources page: can be found on the CoC Program Competition: e-snaps Resources webpage at: <https://www.hudexchange.info/programs/e-snaps/>.

The FY 2019 CoC Application Detailed Instructions contain information that is necessary to fully complete the CoC Application questions and maximize scoring potential.

There is a separate navigational guide and a detailed instructions document for the CoC Priority Listing as well.

UFAs

A Collaborative Applicant that requested UFA-designation during the CoC Registration period was notified if they received UFA designation when the Collaborative Applicant reviewed and submitted the CoC Review. If the Collaborative Applicant received UFA designation, it must complete the same screens as all Collaborative Applicants.

This Collaborative Applicant is also eligible to complete and submit a UFA Costs project application. There is a separate UFA Costs navigational guide on the CoC Program Competition: e-snaps Resources page at: <https://www.hudexchange.info/resource/3438/ufa-costs-instructional-guide/>.

Objectives

By the end of this navigational guide, you will be able to do the following:

- Access *e-snaps*
- Complete the four sections of the CoC Application, which include:
 - CoC Structure and Governance
 - Data Collection and Quality
 - CoC Performance and Strategic Planning
 - Mainstream Benefits and Additional Policies
- Submit the CoC Application

CoC Application

Overview of this Navigational Guide

The organization of material in this navigational guide starts with how to access *e-snaps* and the CoC Application. The rest of this navigational guide corresponds with the four different parts of CoC Application; the navigational steps follow the progression of screens in *e-snaps*.

- **Accessing e-snaps.** Each *e-snaps* user needs his or her individual username and password in order to log in to the online *e-snaps* system. In order to view an organization's Applicant Profile, Project Applications, etc., the *e-snaps* user needs to be associated as a "registrant" with the organization's *e-snaps* account. This section identifies the steps to create user profiles and add or delete registrants.
- **Part 1: CoC Structure and Governance.** This section asks the CoC to verify information entered during CoC Registration, provide information regarding the CoC's local processes towards ending homelessness in its geographic area, and describe how the CoC coordinates with other entities serving homeless individuals and families in the community. Additionally, CoCs will indicate whether they are requesting DV Bonus projects and report on the DV survivor population in the CoC's geographic area.
- **Part 2: Data Collection and Quality.** This section asks the CoC to provide information about the Homeless Management Information System (HMIS) in its geographic area. Additionally, CoCs will report on Housing Inventory Count (HIC) and Point-In-Time (PIT) Count information.
- **Part 3: CoC Performance and Strategic Planning.** This section asks the CoC to provide information about the CoC's performance and plan for ending homelessness among veterans, households with children, and youth and ending chronic homelessness.
- **Part 4: Mainstream Benefits and Additional Policies.** This section asks the CoC to provide information such as mainstream benefits, and adoption of lowering barriers to entry and prioritizing rapid placement and stabilization to permanent housing principles.

Tips for Completing the CoC Application: Knowing Which Fields to Complete

All fields with an asterisk (*) in the CoC Application must be completed to submit the application. All fields should be completed whether required or not.

- If the fields are not applicable to your particular CoC, then do one of the following:
 - Select the "not applicable" option, if there is a dropdown menu; or
 - Type in the words "not applicable," if there is a blank text field.

There is a difference between completing the requirements necessary to advance through *e-snaps* and completing your CoC Application fully and correctly. While you may not be required to complete a particular field in *e-snaps*, this does not mean that the FY 2019 CoC Program Competition Notice of Funding Availability (NOFA) does not require an answer. Please thoroughly complete and answer all questions and fields in *e-snaps*.

CoC Application

Accessing e-snaps

e-snaps contains the CoC Registration, CoC Application, and CoC Priority Listing forms that are submitted electronically during the annual competition under the CoC Registration Notice and the CoC Program Competition NOFA.

The screenshot shows the 'Front Office' portal for e-snaps. On the left is a sidebar with links: 'Front Office Portal', 'Username: [input]', 'Password: [input]', 'Login', 'Forgot your password?', 'Create Profile', and 'Contact Us'. The main content area is titled 'Welcome to e-snaps' and contains several paragraphs of text. Two callout boxes are present: one pointing to the 'Login' button with the text 'Log in here', and another pointing to the 'Create Profile' link with the text 'If new to e-snaps, create a user profile here'. The main text includes a welcome message, instructions for authorized users, and information about the system's purpose and data collection requirements. It also lists OMB Approval numbers for various sections: 2506-0182 (exp. 01/31/2018) for CoC Program Registration, 2506-0112 (exp. 11/30/2018) for CoC Program Application, and 2506-0183 (11/30/2018) for Technical Submission.

NOTE: *Each e-snaps user must have his or her own log-in credentials. Preferably, each organization will have two people with access to e-snaps – the Primary Contact and one or more additional staff persons. When there is staff turnover, the CoC will need to ensure that the new person has access to e-snaps.*

NOTE: *When copying and pasting text from MS Word into e-snaps, additional characters may be added to your text. To ensure additional characters are not counted by the system, e-snaps users should copy and paste text into e-snaps from Notepad, which will remove any unnecessary formatting from MS Word.*

CoC Application

Existing Users

| Step | Description |
|------|--|
| 1. | Direct your Internet browser to: https://esnaps.hud.gov/ |
| 2. | On the left menu bar, enter the username and password. You will then enter the <i>e-snaps</i> system and arrive at the "Welcome" screen. |
| 3. | If you forgot your password, select "Forgot your password?" under the "Login" button. |

New e-snaps Users

| Step | Description |
|------|--|
| 1. | Create an <i>e-snaps</i> username and password by selecting the "Create Profile" link. |
| 2. | Log in as instructed under the Existing Users heading above. |

For a refresher on how to navigate through the *e-snaps* system, the "Understand *e-snaps* Features and Functions" resource is available on the *e-snaps* CoC Program Competition Resource webpage at: <https://www.hudexchange.info/programs/e-snaps/>

Adding and Deleting Registrants

Having a user profile enables a person to access *e-snaps*. However, only individuals who have been associated with the organization as a Registrant (also referred to as a registered user) have the ability to enter information in the Applicant Profile and Project Applications associated with the organization.

For information on how to add and delete users, refer to the Adding and Deleting Users module available at: <https://www.hudexchange.info/resource/2903/adding-deleting-registrants-in-esnaps/>

Completing the CoC Consolidated Application

HUD must have already approved your CoC Registration in *e-snaps* for you to access the CoC Application and CoC Priority Listing. As a reminder, the CoC Priority Listing will be discussed in a separate navigational guide.

If you have not received HUD's approval of your CoC Registration, you will not have access to the CoC Application or the CoC Priority Listing.

The CoC Application and the CoC Priority Listing are separate submissions in *e-snaps*; therefore, Collaborative Applicants must ensure that both the CoC Application and the CoC Priority Listing (with all project applications either approved and ranked or rejected) are submitted in *e-snaps* prior to the application submission deadline.

Resources

Prior to starting your CoC Application, HUD recommends that all CoCs, Collaborative Applicants, and Project Applicants read and review the following information:

Before Starting the CoC Application

The “Before Starting” screen provides information about the three parts that make up the CoC Consolidated Application: the CoC Application, the CoC Priority Listing, and all the CoC's project applications that were either approved and ranked, or rejected. It also provides a list of requirements the Collaborative Applicant is responsible for reviewing before submission.

The screenshot shows the 'Before Starting the CoC Application' screen. On the left is a sidebar with a user profile for 'ocedano' and a list of application components: 'CoC Registration and Application FY2019', 'FY2019 CoC Application' (selected), and 'FY2018 CoC Application Detailed Instructions'. Under 'FY2019 CoC Application', 'Before Starting' is highlighted, with sub-items: 'Part 1: CoC Structure and Governance', '1A. Identification', '1B. Engagement', '1C. Coordination', '1E. Local CoC Competition'. The main content area is titled 'Before Starting the CoC Application' and contains the following text: 'The CoC Consolidated Application consists of three parts, the CoC Application, the CoC Priority Listing, and all the CoC's project applications that were either approved and ranked, or rejected. All three must be submitted for the CoC Consolidated Application to be considered complete.' It then states 'The Collaborative Applicant is responsible for reviewing the following:' followed by a numbered list: 1. The FY 2019 CoC Program Competition Notice of Funding Available (NOFA) for specific application and program requirements. 2. The FY 2019 CoC Application Detailed Instructions which provide additional information and guidance for completing the application. 3. All information provided to ensure it is correct and current. 4. * 4A-6a. Serving Persons Experiencing Homelessness under Other Federal Statutes. Attachment Required.

If the response was yes to question 4A-6, applicants must:

1. describe how serving this population is of equal or greater priority, which means that it is equally or more cost effective in meeting the overall goals and objectives of the plan submitted under Section 427(b)(1)(B) of the Act, especially with respect to children and unaccompanied youth than serving the homeless as defined in paragraphs (1), (2), and (4) of the definition of homeless in 24 CFR 578.3;
2. describe how the CoC will meet requirements described in Section 427(b)(1)(F) of the Act; and
3. identify the specific project(s) that will use the funding for this purpose (up to 10 percent of the CoC total awarded) by submitting an attachment to the CoC application in e-snaps that must include all the following:
 - a. project name(s) as listed on the CoC Project Priority Listing; and
 - b. amount of funding in the project or per project that will be used for this purpose.

(limit 2,000 characters)

| Step | Description |
|------|---|
| 8. | For 4A-6, select "Yes" or "No" from the dropdown to indicate whether the CoC is to designate one or more of its SSO or TH project to serve households with children and youth who are unstably housed that meet the definition of homelessness under "other Federal statutes" (paragraph 3 of the definition of homeless founds at 24 CFR 578.3). |
| | <i>If "Yes," select "Save" and an additional question appears.</i> |
| 9. | <p>If 4A-6a is "Yes" in the text box in 4A-6a, the CoC must:</p> <ol style="list-style-type: none"> (1) Describe how serving this population is of equal or greater priority, which means that it is equally or more cost effective in meeting the overall goals and objectives of the plan submitted under Section 427(b)(1)(B) of the Act, especially with respect to children and unaccompanied youth than serving the homeless as defined in paragraphs (1), (2), and (4) of the definition of homeless in 24 CFR 578.3; 2. | 10. | Select "Save & Next." |

Attachment: For 4A-6 and 4A-6a, if an applicant indicates "Yes," that there are projects serving persons experiencing homelessness under other Federal Statutes, the applicant must upload a Project List--Homeless under Other Federal Statutes document.

On the Attachments screen, it is identified as "Required?" "No." That means e-snaps will allow applicants to submit the CoC Application without attaching this document, but HUD still requires it in this situation.

4B. Attachments

This section of the application specifies which attachments you are required to submit with your CoC Application. Attachments that are required are indicated as "Yes," and other attachments that are not required to submit but may be required to fully respond to questions within the CoC Application are indicated as "No."

Submission Summary

Once the required information has been entered and the required attachments have been uploaded, the Collaborative Applicant needs to select the "Submit" button on the Submission Summary screen.

The Submission Summary screen shows the CoC Application screens.

In the "Last Updated" column, the system will identify the following:

- A date, if the screen is complete
- "No Input Required," if there is no input required for submitting the application in *e-snaps*
- "Please Complete," if more information is needed for submitting the application in *e-snaps*

e-snaps users can go back to any screen by selecting on the screen name in the left menu. Remember to select "Save" after any changes.

NOTE:

**No Input
Required**

The "No Input Required" status on the Submission Summary indicates that additional information for that screen is not required for the Collaborative Applicant to proceed to the next step in e-snaps. In the context of this navigational guide, the Collaborative Applicant may proceed to the next steps in the CoC Application process. HUD, however, may require you to address the particular item prior to the awarding of program funds.

The "Submit" button is located at the bottom of the screen under the navigation buttons. The "Submit" button will be active if all parts of the CoC Application are complete (and have a date) or state "No Input required."
