

HOME INVESTMENT PARTNERSHIPS PROGRAM

SAMPLE SELF-CERTIFICATION OF ANNUAL INCOME FORM

For use on

Admissions to Emergency TBRA Programs/HOME-Assisted Unit

PURPOSE:

In an April 10, 2020 memorandum, HUD waived the HOME regulations at 24 CFR 92.203(a)(2) which requires Participating Jurisdictions (PJs) to determine annual household income by examining at least two months of source documentation. The waiver permits PJs to follow the regulations at 24 CFR 92.203(a)(1)(ii) and obtain a written statement of the amount of the family's anticipated annual income and household size, along with a certification that the information is complete and accurate in lieu of requiring a review of source documentation. If a PJ chooses to use this waiver, the PJ must ensure that self-certified income takes into consideration all income.

APPLICABILITY:

This sample self-certification of income form may be used by PJs to document annual income of (a) individuals and families that have lost employment or income either permanently or temporarily due to the COVID-19 pandemic and (b) homeless individuals and families who are **applying for admission to a HOME rental unit or a HOME funded emergency Tenant-Based Rental Assistance (TBRA) program**. This form must accompany the application for assistance and be kept as a record in the tenant/project file.

TIMEFRAME:

The sample form is valid for use between **April 10, 2020 and December 31, 2020**, the HOME COVID-19 waiver period.

DISCLOSURE:

The sample form is provided as a guide and should be adapted to include the PJ's policy and procedures regarding income eligibility requirements for emergency TBRA/rental assistance. Depending upon the PJ's application intake process, this form may be filled out between the PJ and the applicant, or by the applicant. Applicants can complete the form using current income and asset information available to them; however, if information is unknown, applicants may obtain it from the financial institution that holds the asset. The PJ should ensure the instructions are clear in each section when they adapt the form for its program. In addition, the form may be adapted if the PJ will base the amount of emergency TBRA on the adjusted income of the family in accordance with 24 CFR 5.611. The income sources listed on the form reflect annual income as defined by 24 CFR 5.609 (a)-(c) (Part 5) which is commonly used in HUD's rental and TBRA programs. PJs must update this form if they use the IRS 1040 adjusted gross income definition for its TBRA/rental programs.

Section A: For each household member (HH Mbr#) below, anticipate annual income for the next 12 months by converting current income to annual figures. Convert wages/income by multiplying it by the frequency in which it is received and factor in amounts that will terminate before the end of the next 12 months. Multiply weekly income by 52; Bi-weekly income (received every other week) by 26; Semi-monthly income (received twice each month) by 24; and Monthly income by 12. A full-time student, 18 years or older (excluding the head of household or spouse) should exclude earnings in excess of \$480 for annual income. Leave blank those that do not apply.
