Subject: HUD CMS Developer Alert: Production Maintenance Scheduled for Friday June 22 - 24 -
Reminder

HUD CMS Developers:

Reminder – Maintenance for ARM and HCS is scheduled for this weekend starting **Friday June 22 at 8:00 pm Eastern until Sunday June 24**. During that time, ARM and HCS production environments will not be available. Both systems are expected to be available again Monday June 25.

Thank you,
Theresa
HUD HCS/ARM Support Team
