Subj: HUD CMS Developer Alert: Fiscal Year 2023 Reference Value

HUD CMS Developers:

**Fiscal Year 2023 Reference** –The HCS/ARM systems have been set up for Fiscal Year 2023. The FY 2023 Reference value (id=29) is now available in ARM. You will have to invoke the method "refreshAllReferenceItemsInCache" (or "refreshReferenceItemCache" with referenceId=28) to receive the updated reference value for FY 2023. This only needs to be done once. Please let me know if you have any questions

Best Regards,

Theresa Houck
