ARM v6 CMS Review

If you have not already done so, please submit ARM v6 submissions for review to the ARM v6 Pilot environment (<https://armpilot.hud.gov:9001/ARM/ARM>). The submissions should include one of each submission type (Agency, Counselor, Client, and Form 9902) and provide evidence in the reporting data that the CMS can report on all the new ARM v6 data elements and reference values. Please email me at theresa.houck@salientcrgt.com with your submission IDs and the xml files for the test submissions.

Please contact me with any questions.
