# I. Introduction

After passing the HUD Housing Counselor Certification Exam and transferring the exam results to the FHA Connection (FHAC), counselors must apply for certification in FHA Connection and have their employment validated by the agency FHA Connection application coordinator. Every agency must designate at least one person to serve as the agency application coordinator. This page provides detailed instructions and accompanying screenshots for Housing Counselors and Agency FHA Connection application coordinators.

You may apply as a **HUD certified housing counselor**, as an **application coordinator**, or as **both**. Each of these roles require different actions to be taken within FHA Connection.

This page has 3 different sets of instructions. **Note that both counselors and coordinators can print counselor certificates.**

### Did you know?

HUD keeps track of which agencies are complying with the final rule by using the agency HCS IDs reported by counselors in FHA Connection.

For example, if a counselor is employed by a **branch or affiliate agency** but registered with the **Intermediary (parent) agency HCS ID** in FHA Connection, rather than the branch HCS ID or the affiliate agency HCS ID, the counselor will only be credited to the Intermediary. The branch or affiliate will be identified as not in compliance with the final rule if there are no counselors associated with the branch HCS ID or affiliate HCS ID reported in FHA Connection. **If you are a counselor or application coordinator who works at a branch or for an affiliate agency, please ensure you have entered the agency HCS ID in FHA Connection for the branch office location or affiliate agency for which you work, or enter both the branch or affiliate *and* Intermediary agency HCS ID. If you don’t know the HCS ID of your branch location or your agency, you may [search the map online](#) to find it listed under “Agency ID”.**

## II. HUD Certified Housing Counselor Eligibility Requirements

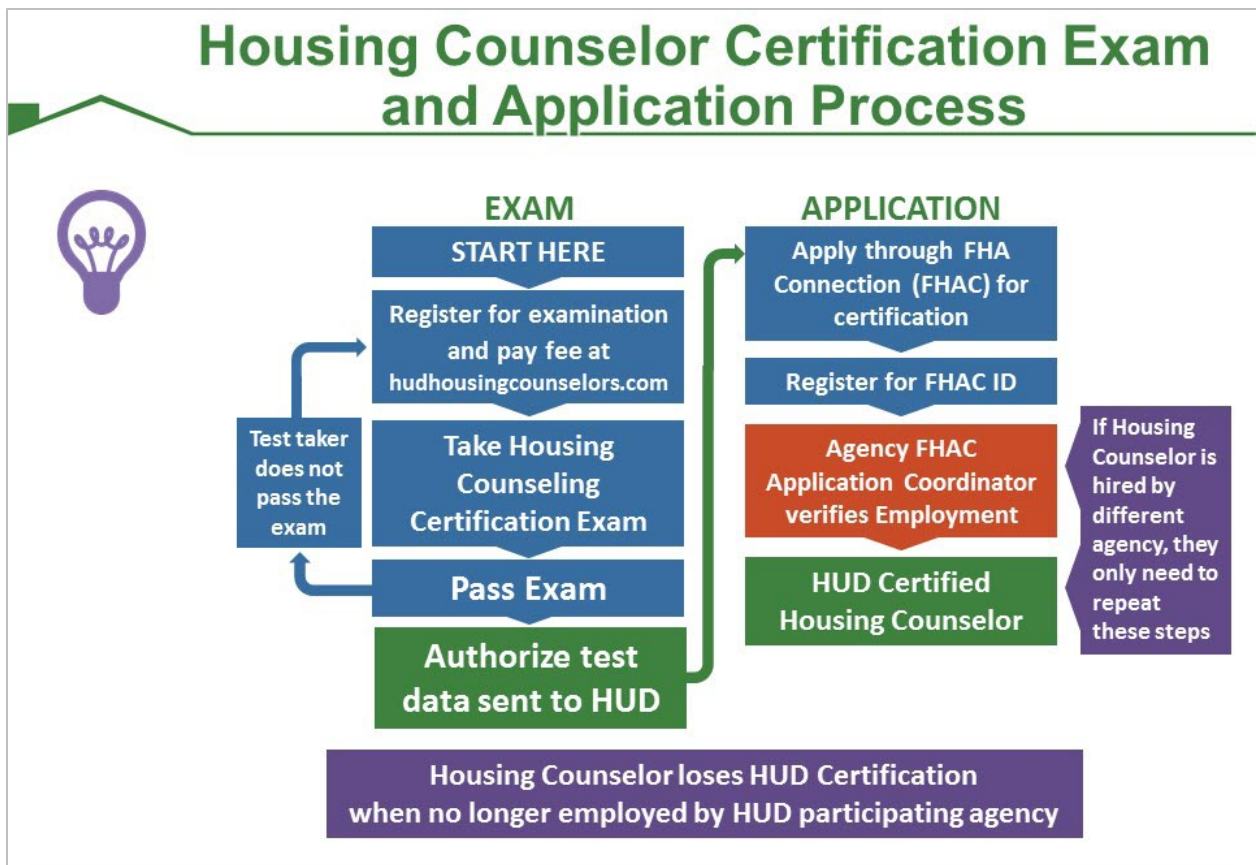

To become a HUD certified housing counselor, a counselor must meet the following two eligibility requirements: 1) pass the HUD Housing Counselor Certification written examination and 2) work for an agency approved to participate in HUD’s Housing Counseling Program.

There are two steps within this process:

- **Exam:** Under the exam step, a counselor registers, pays the examination fee, and takes the exam through [Hudhousingcounselors.com](http://Hudhousingcounselors.com). The certification written examination became available on August 1, 2017. More information is available in this [Federal Register Notice](#).
- **Application:** Once the counselor has taken and passed the HUD Housing Counselor Certification written exam, the individual applies through [FHA Connection](#). The individual alerts their Agency FHAC Coordinator to validate their employment through FHA Connection.

**Note:** At all times, HUD participating housing counseling agencies must have an Agency FHAC Application Coordinator registered in FHA Connection. **A counselor will not be officially placed in the certified counselor database until the Agency FHAC Application Coordinator successfully validates counselor employment in the FHAC system.**

The graphic below includes the entire process, inclusive of both Exam and Application steps, for counselors to become HUD certified.

## II. Counselor Instructions

Prior to applying for certification in FHA Connection (FHAC):

- Take the exam through [HUDhousingcounselors.com](http://HUDhousingcounselors.com).
- Once you pass the exam, transfer your exam results to the FHA connection. (Double check information is accurate, e.g. email, SSN, and agency HCS ID.)

The instructions in this section are for **counselors seeking certification** in FHA Connection:

1. [Apply for certification in the FHA connection](#).
2. [Request a User ID in FHA connection](#).  
(You must complete your application in FHA connection prior to requesting a User ID.)
3. [Request validation for multiple employers](#) through the FHA connection after receiving your User ID. (**Note:** This section is only applicable if you work for more than one agency or if your HCS Agency ID has changed)
4. [Update and maintain your personal information](#) in FHA connection as needed.

For instructions to print a counselor certificate, view the [Print Counselor Certificate](#) section. Both counselors and coordinators are able to print certificates.

**Please read these notes in their entirety before taking any action.**

- Read the [eligibility requirements](#).
- Applications must be submitted online.

- In addition to the application, your exam score must have been transferred and accepted into FHA Connection.
- You must include a valid email address in your application.
- If you receive an error message that you cannot remedy after reading the instructions on this page, send an email with a screenshot of the error message and a description of the issue to the **FHA Connection Single Family Help Desk** at [sfadmin@hud.gov](mailto:sfadmin@hud.gov).

Beginning your application in [FHA Connection](#):

1. Go to the [HUD Certified Housing Counselor Application page](#) and change the **Counselor Type** to *Certified*. A pop-up warning message appears advising the user that any HECM training data will be cleared. Click **OK** to clear the message.

The screenshot shows the 'HUD Certified Housing Counselor Application' page. The 'Counselor Type' dropdown menu is open, showing 'HECM' as the current selection and 'Certified' as the option being selected. A yellow callout box points to 'Certified' with the text 'Select Certified for Counselor Type'. A red box highlights the 'Certified' option. A pop-up message box titled 'Message from webpage' is displayed, containing the text: 'Changing Counselor Type to Certified will clear all training data.' Below the message, a yellow callout box points to the 'OK' button with the text 'Click OK to close the pop-up warning'. The 'OK' button is highlighted with a red box. The background shows the application form with fields for Legal Name, First Name, Middle Initial, Last Name, Suffix, Social Security Number, Date of Birth, and Race(s).

2. Enter all information on the [HUD Certified Housing Counselor Application page](#) in the Certified Counselor Information section. In the Counselor's Exam ID Box, the applicant should enter the 10-digit Counselor Exam ID provided on the applicant's profile page on [hudhousingcounselors.com](http://hudhousingcounselors.com). Enter the 5-digit HCS agency ID issued to your employer (the first digit is an 8 or 9) and your hire date. If you work for multiple agencies, you will have to enter the additional agencies after you receive your FHAC User ID. **If you don't know the HCS ID of your agency or branch location, you may [search the map online](#) to find it listed under "Agency ID".**

## 2. Request an FHAC User ID

All HUD Certified Housing Counselors must request an FHA Connection (FHAC) User ID.

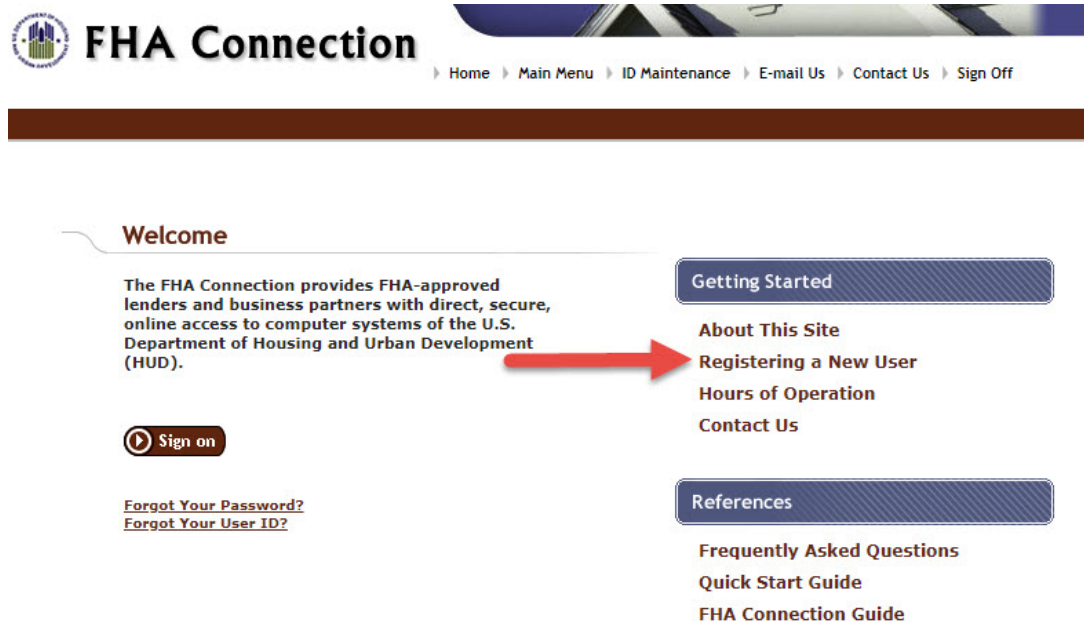

If applying as a **HUD Certified Housing Counselor**, complete the HUD Certified Housing Counselor application first and then **request a User ID**. However, if the counselor is already a HECM counselor, **the FHA Connection User ID**

issued as a HECM counselor is used for both HECM and certified counseling. The counselor does not request another FHA Connection User ID.

If applying to be **both an Application Coordinator and Counselor**, you must complete the [HUD Certified Housing Counselor application](#) first and be accepted by HUD.

Requesting an FHAC User ID:

1. From the FHAC Welcome page (<https://entp.hud.gov/clas/index.cfm>) select **Registering a New User**.

2. The **Registering to Use the FHA Connection** page displays. Click the link for Housing Counseling at the bottom of the page.

**Registering to Use the FHA Connection**

An FHA Connection user ID and password are required to log on to the FHA Connection. To obtain an ID, an applicant must register according to the procedures defined for the user type. Refer to the table below.

Keep your login information in a safe place because you will need **your User ID and Password each time you access the FHAC** to update your own roster information. FHA requires that your password be changed every 90 days.

### 3. Request Validation for More Than One Employer or Add a Branch Office with a Unique HCS Agency ID

**Note: this step only applies to counselors who:**

- **Work for more than one agency or serve multiple branch offices with a unique HCS agency ID**
- **Are looking to change their employment**
- **Work for an agency whose HCS ID has changed**

**Housing counselors who applied at a parent or intermediary agency HCS ID may need to follow these instructions to apply for certification at their branch location.**

**If you only work for one agency and entered that ID in your application, please proceed to [step 4](#).**

HUD Certified Housing Counselors need to request employment validation once they receive their FHAC User IDs. On the HUD Certified Housing Counselor Application, only one employer is entered. If the certified counselor works for more than one housing counseling agency or branch office, or recently changed employers, a request can be made to validate employment for another agency or branch office. Finally, over time, a housing counseling agency's HCS ID may change and employment may need to be validated under the new ID.

1. Log in to the [FHA Connection](#).
2. Navigate to the **HUD Certified Housing Counselor Database** by following these steps:
  - Select Single Family FHA
  - Select Single Family Origination
  - Select Counseling Functions
  - Select HUD Certified Housing Counselor Request

### III. Coordinator Instructions

Instructions in this section are for **application coordinators**. The purpose of the FHAC Application Coordinator is to validate the counselor's employment at the agency and to manage the data regarding the counselor's employment status in the future. Application coordinators must:

- [Read the overall instructions for application coordinators](#)

## 1. FHAC Application Coordinator Instructions

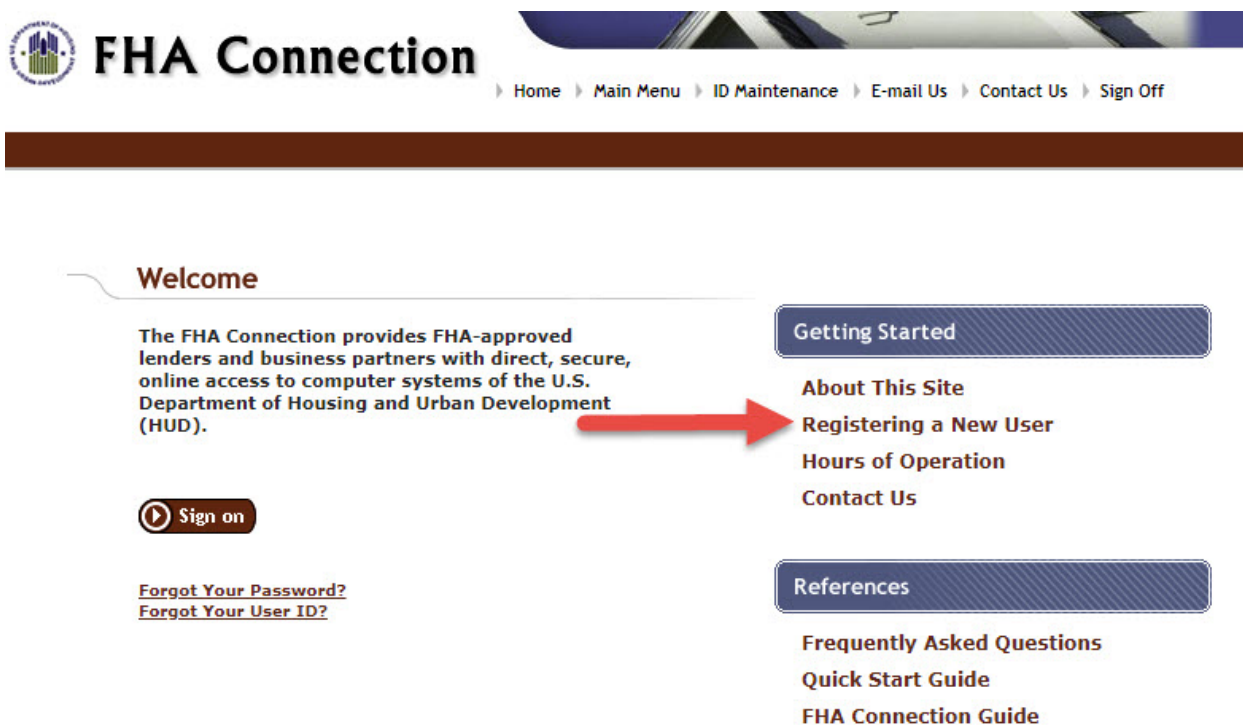

The purpose of the FHAC Application Coordinator is to validate the counselor's employment at the agency and to manage the data regarding the counselor's employment status in the future.

- HUD-approved housing counseling agencies must designate at least one individual to act as FHAC Application Coordinator.
- **An agency can have a maximum of 4 FHAC Application Coordinators and at least 2 are recommended.**
- If you are already a HECM coordinator, you do not have to apply again to be an FHAC application coordinator.
- The coordinator **cannot** validate their own employment.
- **Intermediary coordinators may perform the coordinator functions for their affiliates.** Intermediaries may also request an FHAC User ID simply to view their affiliates or if they want to validate and/or terminate counselors from their network.
- The coordinator **cannot** be the same person currently registered in in the Line of Credit Control System (LOCCS) or the Web Access Security Subsystem (WASS, Secure System), nor can the coordinator currently act as the FHA lender coordinator for the agency.

First, you must request a User ID in FHA Connection (FHAC) as the FHAC Application Coordinator for your agency.

## 2. Request an FHAC User ID

1. From the FHAC Welcome page (<https://entp.hud.gov/clas/index.cfm>) select **Registering a New User**.

2. The **Registering to Use the FHA Connection** page displays. Click the link for Housing Counseling at the bottom of the page.

Click **send** to process the page once it is complete and submit your application for an FHAC User ID.

## Reminders:

- If you are registering **only** as an Application Coordinator, do not click "Yes" to the first box, "Are you a counselor that has passed the certification exam".
- Click "Are you registering as an FHA Connection Application Coordinator for the housing counseling agency that employs you?" and enter the Housing Counseling System (HCS) ID for that agency.

- Double check that the email address you entered is accurate, as this is how you will receive your FHA Connection User ID.
- Remember the password you set, since this is the password you will need to use once you receive your FHAC User ID.

Upon completion of your registration, you will get an email stating that a secure, encrypted email has been sent to the Agency Program Manager from the FHA Connection within 2 business days, which will include the User ID.

Keep your login information in a safe place because you will need **your User ID and Password each time you access the FHAC** to update your own roster information. FHA requires that your password be changed every 90 days.
