IDIS Online/EDI Error Messages

6/12/2020	Updated references to TIN. The TIN_NUM field contains the grantee's Employer Identification Number. The Employer Identification Number (EIN) is a type of TIN issued by the IRS to identify a business entity. An EIN is not associated with an individual and as such is not PII.
03/03/2022	Updated HOME activity record layouts to incorporate HOME-ARP related changes. New data elements and error messages added.

IDIS ONLINE/EDI ERROR MESSAGES

IDIS processes the EDI transactions you send it. If, however, there is an error in an EDI transaction, then IDIS returns the transaction with an IDIS / EDI Error Message Number. Use this number to find the corresponding IDIS/EDI Error Message Description in the list below. Once you find the description, correct the error and resubmit the IDIS/EDI transaction.
